#### **General Instructions**

Section references are to the internal Revenue Code unless otherwise noted.

#### Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct texpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident allen), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- 1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued).
  - 2. Certify that you are not subject to backup withholding, or
- 3. Claim exemption from backup withholding if you are a U.S. exempt payes. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- · An Individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- · An estate (other than a foreign estate), or
- A domestio trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and evold withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,
- The U.S. grantor or other owner of a grantor trust and not the trust, and
- The U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person, do not use Form W-9. Instead, use the appropriate Form W-8 (see Publication 515, Withholding of Tax on Nonresident Allens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "aaving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

- The treaty country. Generally, thie must be the same treaty under which you claimed exemption from tax as a nonresident allen.
  - The treaty article addressing the income.
- 3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
- 4. The type and amount of income that qualifies for the exemption from tax.
- 5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident allen for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident allen of the United States. A Chinese atudent who qualifies for this exception funder paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity not subject to backup withholding, give the requestor the appropriate completed Form W-8.

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS a percentage of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royaltios, nonemployee pay, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifloations, and report all your texable interest and dividends on your tax return.

### Payments you receive will be subject to backup withholding if:

- You do not furnish your TIN to the requester,
- 2. You do not certify your TIN when required (see the Part II Instructions on page 3 for details),
  - 3. The IRS tells the requester that you furnished an incorrect TIN,
- 4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
- 5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See the instructions below and the separate instructions for the Requester of Form W-9.

Also see Special rules for partnerships on page 1.

#### **Updating Your Information**

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and antiolpate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account, for example, if the grantor of a grantor trust dies.

#### **Penalties**

Failure to furnish TIN. If you fall to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for faisifying information. Willfully faisifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs, if the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Paul Dulberg v. David Gagnon, Caroline McGuire and Bill McGuire (McHenry County Case No. 12 LA 178)

#### **Issued For Settlement Purposes Only**

Dear Mr. Mast:

I am writing to confirm our telephone conversation earlier this morning, wherein I advised you that I was authorized to propose settlement of Mr. Dulberg's claim against Carolyn and Bill McGuire for a lump-sum total of \$5,000.00. The settlement would of course be contingent upon customary settlement documents, including a release, a good faith settlement finding and dismissal.

Pursuant to your request, I searched my file materials for lien notices. The only notice of lien contained in my file at this time is your Attorney's Lien (enclosed). I have asked my contact at Auto-Owners Insurance Company to confirm no lien notices have arrived on his end since Mr. Dulberg's case was assigned to me for the defense of Mr. and Mrs. McGuire. I do not anticipating any lien notices, but just wanted to be safe.

I understand that you intend to run my settlement proposal by Mr. Dulberg. I look forward to hearing from you once you have had a chance to confer with him.

Very truly yours,

RONALD A. BARCH

> RE: Paul Dulberg vs. David Gagnon, Caroline McGuire and Bill McGuire

McHenry County Case: 12 LA 178

Dear Paul:

Please be advised that I just completed the deposition of David Gagnon. David Gagnon is a very interesting character. He testified pretty much as expected. He testified that during the branch cutting you had chosen to hold the branch out in front of you with your left arm and with your right arm down by your side. He said that when he went to cut a limb off the branch you unexpectedly reached over with your right arm and grabbed onto the branch below the cutting point. He did not expect you to do this and therefore, as he cut the branch he also "nipped" your arm. He doesn't believe that he did anything wrong in attempting to cut the branch.

Obviously, this case is going to come down to your word against David's word. With your testimony, it seemed very clear that David was negligent in operating the chainsaw to cause it to strike your right forearm. Unfortunately, David's version of the accident is much different. Given the conflict in the testimony, it is difficult to determine how a jury will ultimately decide liability in this case. If the jury decides for you, you will obviously win. However, if the jury finds for Mr. Gagnon, you will lose. One additional factor is that David testified that you stated after the fall "I may never have to work the rest of my life" and that you urged him to help by offering favorable testimony. If true, this could be problematic to the case.

We have the depositions of Mr. and Mrs. McGuire in a few weeks. I will keep you advised.

Very truly/yours,

RE: Paul Dulberg vs. David Gagnon, Caroline McGuire and Bill McGuire

McHenry County Case: 12 LA 178

#### Dear Paul:

Just for purposes of an update, we did appear for the discovery deposition of Dr. Kujawa. She did a good job in describing your current limitations and issues with respect to the nerve damage you suffered from the chainsaw accident. She apparently saw you September 25, 2013. I understand that this was the only time she has seen you. You may want to continue to follow up with her.

As we discussed in the past, I do not feel that this is the sort of case that I want to try before a jury. I simply do not believe that we have strong enough evidence on the issue of liability to proceed to trial. I am happy to try to try to work to settle the case. Unfortunately, defense counsel has not shown any interest in settling the case - because he too knows the evidence will be challenging for us.

You have two options at this point. You can contact other attorneys in the area to see if they are willing to substitute in the case and proceed as your attorney to trial on the matter. To assist you in retaining other counsel, I am happy to discuss a release of our attorney's lien, but maintain a right to recover any costs that we have paid thus far. By "releasing" our lien, that would mean that we have been representing for no charge up to this point which should prove a great savings to you if and when the case is resolved or settled in the future.

Your second option is to just allow us to continue on in representing you on the claim and continue to pursue potential settlement. If the case, however, cannot be settled, we would not go to trial but instead we would dismiss the case with leave to refile it within one year to give you some additional time to retain other counsel.

Please let me know how you wish to proceed at this time.

Very truly yours,

McHenry County Case: 12 LA 178

#### Dear Paul:

Just for purposes of an update, we did appear for the discovery deposition of Dr. Kujawa. She did a good job in describing your current limitations and issues with respect to the nerve damage you suffered from the chainsaw accident. She apparently saw you September 25, 2013. I understand that this was the only time she has seen you. You may want to continue to follow up with her.

As we discussed in the past, I do not feel that this is the sort of case that I want to try before a jury. I simply do not believe that we have strong enough evidence on the issue of liability to proceed to trial. I am happy to try to try to work to settle the case. Unfortunately, defense counsel has not shown any interest in settling the case - because he too knows the evidence will be challenging for us.

You have two options at this point. You can contact other attorneys in the area to see if they are willing to substitute in the case and proceed as your attorney to trial on the matter. A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TiN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
  - 2. Certify that you are not subject to backup withholding, or
- 3. Claim exemption from backup withholding if you are a U.S. exempt payor. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.
