Hi Ed,

I received the packages from the tracking numbers you listed below.

They appear to be the paper Baudin case file from the underlying case.

I am still waiting on the tracking number Mary sent that should have the thumb drive with the current case file.

Thank you and stay safe,  
Paul

Baudin case file was sent to in several parts because the box was falling apart and it seemed more logical to spread it out

Hi Mary,

Where are we at with or what is the status of the document request for the following?:

1. Baudin case file from the underlying case
2. Mast/Popovich case file
- 3, all communications with opposing counsel and anyone else contacted regarding my case

Please provide me with the tracking number once these files are sent.

Thank you in advance for your help with this matter and stay safe,  
Paul

Paul,

I will get the information to you early next week. Will send the Baudin documents in FedEx large boxes as the banker's box is pretty beat up.
