Paul, its a fair concern. But until the suit is served on him and his insurance appears in the case, Im not gonna be able to tell you anything. Also, be aware that many policies have only \$100,000 in coverage. So we need to find this out first. There may be other issues concerning the "medical" aspects of the injury that the defense could arguably dispute. So nothing is for sure unfortunately in these sorts of case.

I'll keep you posted. Thanks for the updates.

HANS

Subject: I'm nervous about the surgery being covered

Hi Hans,

I'm curious if David Gagnons home owners insurance policy number checked out?

Also, from what I understand this surgery that has been suggested by two different arm specialists, the neurologist and my primary physician is going to run in the neighborhood of \$60,000.00. I want to be sure that it will be covered under the settlement before I decide to do it.

It is a direct result from the chainsaw cut and not anything else. Will it be covered or am I on my own to pay for it?

I am extremely nervous about the cost and getting stuck in bankruptcy and losing my house if it isn't covered.

Thanks,
Paul
