(Witness sworn.)

- MR. MAST: All right. This is the discovery
- deposition of David Gagnon taken pursuant to notice in
- accordance with the applicable rules.
- 5 WHEREUPON:
- DAVID A. GAGNON,
- ⁷ called as a witness herein, having been first duly
- sworn, was examined and testified as follows:
- ⁹ EXAMINATION
- BY MR. MAST:
- Q Mr. Gagnon, I'm Hans Mast. I represent Paul
- Dulberg. I'm going to ask you some questions
- regarding this chain saw incident. Start out with
- some background information. I just want to make
- sure -- And I imagine you've never given a deposition
- before; is that correct?
- A I have on my own behalf. I was in a car
- accident several years back.
- Q Okay. So you know the process?
- A Fairly well, yeah.
- Q Okay. So really the process is simple.
- Questions and then you answer the questions and we go
- back and forth until we're done, okay?
- A Okay.

- 1 Q I want to make sure, though, that your
- answers are responsive to my questions. So if you
- don't understand the question, let me know. Otherwise
- if you answer it, we're all going to assume that you
- ⁵ understood the question, okay?
- ⁶ A I understand.
- Okay. Let's see what else. You're aware
- 8 obviously of Paul's accident that this case is all
- about that happened, I think, at your parents' house
- during some chain saw work at their house? You're
- aware of that?
- A Yes, I'm aware of that.
- Q Okay. And I believe, and you can correct me
- if I'm wrong on anything obviously, but I believe it
- happened June 28th, 2011? Does that --
- ¹⁶ A Yes.
- Q -- sound right?
- A Yes, that sounds correct.
- Q Okay. Do you remember what day of the week
- that was?
- A No, I do not.
- Q Was it Saturday or Sunday?
- A No, it was not. It was during the week, I'm
- quite sure.

- 9 Q So were you neighbors, or ...
- A We lived close by. He lives in Pistakee

- A They were closer to his home.
- Q Closer?
- A They were closer to his home. They were just
- down the road from his home.
- Q Okay. And since you kind of met at the

- ¹⁰ A No.
- Q Okay. And is that because of the suit?
- A Yes.
- Q Okay. Fair enough. Understood about that.
- Until the suit was filed, okay, was your
- friendship with Paul Dulberg in good standing?
- A Yes.
- 17 Q Had it been all the way for those 35 years

- ¹⁹ A Yes.
- Q Okay. So there was never any times where
- your friendship was seriously tested over that

- ²³ A No.

- your friendship?
- A Yes, and only recently, if I may.
- ⁹ Q Okay. Go ahead.
- A At first when it had arisen, this situation,
- we were still talking to one another and I was freely
- submitting both insurance information, whatever he
- requested because, you know, there wasn't a problem at
- that time. But things turned as Paul had said some
- things that didn't really go well with me.
- Q You mean in his deposition or somewhere else?
- A Personally to me.
- Q Well, if -- I guess I've got to ask you what
- those things were then.
- A Okay. After bringing him to the hospital
- after this occurrence took place with his vehicle, we
- had left. Myself still being very (inaudible) and my
- heart being concerned as to his condition because he's
- my friend, he turned to me just leaving the hospital

- ⁵ Q Was that in your car on the way from the

- 7 A That was in his vehicle immediately leaving
- 8 the hospital and still in the parking lot at the
- 9 hospital.
- Q Was that the same day of your accident -- of
- 11 his accident?
- 12 A Yes.
- Q Okay. So that would have been June 28, 2011,
- he was discharged out of the hospital and he was in
- 15 his car?
- A Passenger's seat; I was driving, yeah.
- Q Okay. Did you not have a car at the time or
- something?
- A No. His vehicle was at my house -- my
- mother's house, I should say, where the occurrence
- happened; and when we left, he said, Just take my car,
- so we took his vehicle to the -- \sim
- Q All right. Let me stop you because I
- understand what you're saying. You're saying after

- his injury you drove his car with him as a passenger
- to the hospital?
- 3 A Yes.
- 4 Q He got treated, discharged, and then you were
- back in his car going back to your mom's house?
- A Never left the parking lot and he said that.
- Q No, I understand that --
- 8 A Yes, but that's --
- 9 Q -- but that's where you were going?
- A Yes. Yes.
- Q All right. Let's try not to -- I'll try and
- won't talk over you; you try not to talk over me.
- All right. So you're leaving the
- hospital still in his car on the way to your mother's
- house, right? Right? That's on the way? That's
- where you were going?
- A Right, that's where we were going, but we
- still had not left the parking lot.
- Q All right. I didn't say anything about where
- you were. I'm saying you're in the car on the way to

- ⁸ Q Okay. So that was the extent of anything

- A Yes.
- 11 Q Is that the only time he said anything about
- financial aspects of this case?
- 13 A No.
- 14 Q When is the next time he said anything like
- 15 that?
- A I had visited him shortly after because we
- were still in friendship, and I stopped in his home,
- ¹⁸ and ...
- 19 Q How soon after the accident?
- A Oh, this is about three or four months after

- Q Okay. Fair enough. That's very honest of
- 2 you. I appreciate that. This is my question then --
- Well, let me go further. Did he say anything else
- 4 during that conversation in 2012 about anything you
- felt was inappropriate or uncomfortable for you or
- for related to financial interests that he was --
- 7 A No.
- 9 Q -- talking about?
- 9 A No, he did not.
- Q Okay. Any other conversations with Paul now?
- We've talked three different incidents now so I want
- to make sure I've talked about everything. Is there
- any other conversation you've had with Paul or contact
- with Paul regarding any uncomfortable or uneasy
- conversations or things he said relating to either
- financial interests or some other component of the
- ¹⁷ suit or claim?
- A There was one time where he came up and he
- was asking for information, which I gave him, my
- insurance.
- Q When was this? Just give me a date so I know
- ²² how to ...
- A I cannot supply you with a date. I could say
- that it was before that last incident that I just

- spoke of of the hundred thousand and \$10,000 offering
- 2 there.

6

- 3 Was it after suit was filed or before suit --0
- Α It was after the suit was filed
- 5 Q Okay.
- And he showed up at my residence with an \mathbf{A} iPad, which he's into techy things, things like that,
- 8 and I wasn't aware that there was a camera on front
- and back but I was aware that there was a camera that
- 10 was on and he was showing me what was being viewed on
- 11 the screen, and then we proceeded into our house and
- 12 it was on again. He was showing me how you can look
- 13 at the front and the rear screen and me not being of
- 14much interest of this device, I just told him, Could
- you shut that thing off. I felt as though I was being 15
- 16 inventoried.
- 17 Okay.
- 18 So that would be the only other issue. Α
- 19 Okay. Fair enough. Q
- 20 Α Yeah.
- 21 I appreciate that. Did he say or do anything Q
- 22 that you felt was wrong or inappropriate regarding the
- 23 case in and of itself?
- 24 Α No.

- A Not that time, no, nothing.
- Q Okay. Do me a favor, and you're doing very
- good so far, but you were just kind of cutting me off
- 5 the last --
- 6 A I'm sorry.
- 7 Q -- part of my sentence and I want to make
- sure you understand the full thing I'm going to say,
- okay? So let's try not to cut each other off.
- All right. So at least, and you can
- correct me if I'm wrong, as I understand it, there are
- just three conversations where Paul made any
- statements that felt -- that made you feel
- uncomfortable pertaining to financial parts of the
- 15 lawsuit?
- ¹⁶ A Yes.
- Okay. Or the claim; fair enough?
- ¹⁸ A Yes, Yes.
- Q And that was the day of the accident where he
- made that one-sentence statement, correct?
- A Mm-hmm.
- Q Yes?
- A Yes. Yes.
- Q And that was four months later where he made

- that statement about, This could be the best thing
- that could happen to me because I might not have to
- work the rest of my life?
- ⁴ A Yeah.
- ⁵ Q Yes?
- ⁶ A Yes.
- ⁷ Q And then there was the last thing that was in
- 8 2012 after suit was filed where he said -- although he
- 9 didn't condition it, he said, Hey, if I get a hundred
- thousand, I'll give you \$10,000 of that?
- A Yes.
- Q Right?
- 13 A Yes.
- Q Okay. And would it be fair to say, including
- that last 2012 conversation, he never said, If you do
- this for me, I'll do this for you; fair enough?
- A Yes.
- Q Is that true?
- 19 A That's true.
- Q Okay. So he never -- You could make the
- assumptions you want, and you're free to do that,
- okay, but my question is nothing he ever said
- pertained to having him wanting you to lie for him?
- MR. BARCH: I'm going to object. It's

- ¹ argumentative, but go ahead.
- MR. MAST: Go ahead.
- MR. CALLAHAN: I'll join that objection.
- ⁴ BY THE WITNESS:
- ⁵ A No, he was blatantly asking me in regards to
- 6 what he was asking me to do to make it easier for him.
- 7 Q Right.
- 8 A And making it easier for him would not just
- be submitting the truth in my judgment, but it would
- be submitting to what he would want me to say so that
- it would be easier for him.
- 12 Q I understand what your judgment is.
- ¹³ A Yes.
- Q This is what I'm questioning, though. My
- question is what he said to you, okay. You can take
- any assumptions you want from what he said to you;
- you're free to do that, okay. My question, though, is
- did he ever tell you that he wanted you to lie for
- ¹⁹ him?
- A He did not say he wanted me to lie for him,
- 21 no.
- Q Okay. You took that from an inference of
- what else he said that you've already told me, right?
- A Yes.

MIG - M24 ON MIS
EMBELLISHME ON MIS
LIE

- Q Those were inferences you made from what he
- told you, correct?
- 3 A Yes.
- Q Okay. Did you ever say, Hey, do you want me
- to lie for you -- Well, let me put it this way. I'm
- going to try to just summarize it.
- Is it fair to say he never asked you to
- 8 lie for him?
- ⁹ A That is correct.
- Okay. Is it fair to say he never agreed to
- give you money in exchange for what you would say to
- him -- say for him?
- A There is one more thing that I said that I'm
- recollecting now.
- Q Okay.
- A And I said, Well, what would you want me to
- say, that I was freewheeling a chain saw and I was
- negligent?
- And he said, That sure would make things
- easy.
- Q Okay. And when did he say that, which
- conversation?
- 23 A That same conversation when he spoke of the
- hundred thousand dollars and the \$10,000.

- So that's the 2012 conversation? 0
- 2 A Yes. Yes.
- 3 Okay. And what -- So let me get it clear Q
- The 2012 conversation that we've already talked
- 5 about was after suit was filed?
- 6 Α Yeah.
- It says, If you would -- What you're saying
- he said is if he would be awarded something, say a 8
- hundred thousand dollars, he would give you \$10,000 of
- 10 it, right?
- Yes. 11 Α
- 12 And now you're adding on to what else did he 0
- 13 say?
- 14 He -- I said to him, Well, what would you Α
- 15 expect from me? What would you want me to say, I was
- 16 freewheeling a chain saw and I was negligent?
- 17 I would not do that. I'm going to tell the truth___
- 18 And that's basically where our friendship -- I haven't
- 19 spoke to him really very much or been with him or
- 20 conversed with him since then.
- 21 All right. You're going a little further Q
- 22 than what I'm asking, though, but that's fine.
- 23 question was, what more did he say and you told me
- what you said, all right, so let's just go straight 24

- with what I'm asking. I'm asking other than, Hey, if
- I get a hundred thousand dollars, I'd be glad to give
- you \$10,000 of that, other than Paul saying that, what
- 4 else do you recall Paul saying in that 2012
- 5 conversation at your house?
- A Nothing.
- Oh, okay. It was just what you said then?
- ⁸ A That's what I said after. I sufficed by way
- of example, Is this what you would want?
- And he said, That sure would make it
- easy.
- Q Well, then that is something that he said.
- Listen, this is what I'm trying to get at, I'm trying
- to find out what he said, okay?
- A Okay. He said nothing in response to that
- except he said, That sure would make it easy.
- Q All right. You're interrupting me again.
- Let's go back at it again.
- 19 A Okay.
- Q I want to go step by step because I want to
- 21 try to find out everything you're going to say. I
- don't want there to be any stones unturned, okay?
- A Yeah.
- Q You told me that in that 2012 conversation he

- said, If I get a hundred thousand dollars, I'd be
- happy to give you \$10,000 of that. Is that what he
- 3 said?
- ⁴ A Correct, that is what he said.
- 5 Q Okay. In response to that, what did you say?
- A I said, What would you want me to say, 🗓 was.
- ⁷ freewheeling a chain saw and I was negligent? I said,
- ⁸ I will not do that.
- Q Okay. All right. Stop. That's what you
- said, okay. And then what did he say in response --
- A Nothing.
- 12 Q -- to that?
- Okay. Nothing, right?
- A Nothing.
- Q Okay. Because I thought you said that he
- said, Well, that would make it easier.
- A Correct. I'm sorry. That was his closing
- statement after I said that.
- Q So he did say something?
- A Yes, he did. I'm sorry.
- Q Okay. So let's go through it again now.
- A All right.
- 23 Q Because I want to make the chronology, I want
- to make that correct, okay?

- l A Okay.
- 2 Q In the 2012 conversation at your house you
- said that Paul made a statement that, If I get a
- 4 hundred thousand dollars of this, I'll give you --
- ⁵ I'll be happy to give you \$10,000 of this -- of that.
- Is that what he said?
- 7 A Correct.
- ⁸ Q Okay. In response to that you said, What do
- you want me to say, that I was freewheeling and
- negligent? I will not do that. Was that your
- 11 statement?
- 12 A That was my --
- MR. CALLAHAN: I thought he said freewheeling a
- chain saw and that I was negligent.
- 15 BY MR. MAST:
- Q Okay. Is that what you said?
- 17 A Yes.
- Okay. And then in response to that, what did
- ¹⁹ he say?
- A He said, That would make it easy.
- Q Okay. Did he say that's what he wants you to
- say or did he just say those words?
- A He just said those words.
- Q Okay. Is that all he ever said then after

- that conversation at the end of that conversation?
- 2 A Yes.
- Q All he said was, That would make it easy?
- 4 A Yes.
- ⁵ Q Okay. All right. So we've got three
- 6 conversations, one on the day of the accident where he
- said, We can make a lot of money at this, right?
- 8 A Correct.
- 9 Q That's all he said during that conversation
- that was uneasy or uncomfortable or financially
- motivated, correct?
- A Yes.
- Q Okay. Second conversation four months later,
- you visited him at his house, right?
- 15 A Yes.
- Q And he said, This may be the best thing that
- happened to me; I might not have to work the rest of
- my life?
- ¹⁹ A Yes.
- Q Is that all that he said that was uneasy or
- uncomfortable or related financially to this case?
- A Yes.
- Q And the third thing was 2012 where he said if
- he gets a hundred, he'd give you ten and then you

- said, Well, what, if I say that -- What do you want me
- 2 to say, if I'm wheeling it, the chain saw, and
- 3 negligent?
- And he said, Well, that would make it
- ⁵ easy.
- Is that everything out of that
- ⁷ conversation that was uneasy, uncomfortable or
- g financially related?
- ⁹ A That is all, yes.
- Q Okay. Have you now --
- MR. CALLAHAN: Can I object? I think he did
- leave off that one comment, I'm sorry, the one he
- said, I won't do that.
- 14 BY MR. MAST:
- Okay. Yes, and you also said you wouldn't do
- that after you --
- A I said that I would not do that, yes.
- Q After your con- -- After your response to
- what he said, you said, I would not do that?
- ²⁰ A Yes.
- Q Okay. Have we now covered everything that
- you and Paul talked about after the accident that made
- you feel uncomfortable, uneasy or financially related
- to this accident?

- A Yes, that would be all.
- Q Okay. Very good. That wasn't too hard.
- 3 A No.
- 4 Q Oh, one final question on those things.
- 5 A Okay.
- Q Were there any witnesses to either of those
- ⁷ three conversations other than you said the --
- ⁸ A Michael Mcartor.
- 9 Q Michael Mcartor was a witness to the second
- one four months after the accident?
- A Yes, which was at Paul's home in his kitchen,
- 12 yes.
- Q Right. Any other witnesses to any other
- parts of those communications?
- ¹⁵ A No.
- Q Just you and Paul and then the second
- conversation was with Michael?
- 18 A Correct.
- Q Okay. Are you friends with Michael? Have
- you ever been friends with Michael?
- A I've been friends with Michael probably about
- ²² 25 years.
- Q Are you still friends with Michael?
- A As far as I know, yes.

- Q Okay.
- A This is not related to him.
- 3 Q So the reason you're not friends with Paul
- anymore is after the third conversation in 2012 where
- 5 you said, I would not do that, and he said, That would
- make it easy, you haven't spoken to him since; but in
- your mind it's not friendly because of what you
- 8 thought he was asking you to do?
- ⁹ A Yes.
- Q Fair enough?
- A Yes.
- Q Do you know in his mind if he thinks you're
- still friends?
- A I do not know.
- MR. CALLAHAN: I'd just object as to relevancy
- and as to speculation.
- BY THE WITNESS:
- A I don't know.
- MR. BARCH: Join the objections.
- 20 BY THE WITNESS:
- A I haven't spoken to him. I don't --
- Q Hold on. Just let them give the -- All
- right. They objected.
- MR. CALLAHAN: You may answer.

- 1 BY MR. MAST:
- Q What's your answer to that question? Do you
- know in Paul's mind whether he thinks you guys are
- 4 still friends or not?
- A I do not know. I have not conversed with him
- in quite a while now.
- ⁷ Q All right. And then that fourth thing that
- you talked about didn't really have to do with any
- statements but he had an iPad and it looked like he
- was videoing or something. He didn't do anything
- wrong during that; you just weren't sure what he was
- up to, right?
- 13 A Right.
- Q Okay. That didn't have anything to do with
- any statements or anything; fair enough?
- A Fair.
- Okay. So we've covered all the statements
- that Paul made that made you feel uncomfortable?
- 19 A Yes.
- Q Okay. All right. How long have you been
- 21 married?
- A I've been married since 2008, August 16th.
- Q Okay. Does your wife Pamela know Paul?
- A Yes.

- Q On a -- like a friendly basis or just sees
- him every now and then? I mean, how would you
- describe her knowledge of Paul, just passing?
- A He's my friend and is friends with him is the
- same; there was never anything between us until ...
- Q I mean, did she spend as much time with
- 7 Paul --
- 8 A No.
- 9 Q -- as you did?
- 10 A No.
- Q Okay. Her contact with Paul was just passing
- then? It wasn't where she would do anything with him?
- 13 A Correct.
- Q Is that fair enough?
- A Yeah, correct.
- Okay. And she doesn't have any knowledge
- regarding any communications Paul made regarding the
- incident that were uncomfortable or financially
- ¹⁹ motivated?
- ²⁰ A No.
- Q Is that fair?
- A That's fair.
- Q Okay. Okay. What's the highest level of
- education you have?

- A I was accepted at DeKalb University. I
- didn't pursue it until its end, and then I went to
- College of Lake County.
- 4 Q You mean Northern Illinois Medical Center --
- ⁵ Northern Illinois University?
- A Yeah, DeKalb College.
- Okay. All right. I know, I'm just trying to
- 8 connect the dots here.
- You were accepted at Northern but you
- never went there?
- A Oh, no, I went there and I just -- because of
- turns of events in my life, personal, I did not
- finish, and --
- Q All right. But I'm not getting to that
- point. I'm just --
- A Okay.
- 17 Q The question was, where did you go to -- the
- highest level of education, that's the question.
- 19 A I was accepted at Northern Illinois
- University.
- Q You weren't just accepted. You went there,
- ²² right?
- A Yes.
- Q Okay. How long did you go to Northern

- Illinois University?
- 2 A Two months.
- Okay. And what program were you there, just
- 4 general?
- ⁵ A Program?
- Q What type of degree? What program?
- ⁷ A Oh, engineering.
- 9 Q Okay.
- ⁹ A Mechanical engineering.
- Okay. And what year was that, approximately?
- 11 A That was 1985.
- 12 Q Instead of going to DeKalb or at least after
- two months of going to DeKalb, where did you go after
- 14 that?
- A I pursued employment as an auto body worker.
- Q With who?
- A It was called Lakeland Autobody. It was in
- Volo, Illinois.
- Q Are they still together?
- ²⁰ A No.
- Q How long did you work there?
- A Three years.
- 23 Doing auto body work?
- A Correct.

```
1 Q Who was your supervisor?
```

- A Owner and supervisor Brian Schuman
- ³ (phonetic).
- ⁵ A Schuman.
- 6 Q Schuman?
- ⁷ A Yeah, Schuman.
- 8 Q So after two months of DeKalb, you went to
- 9 Lakeland Auto?
- A Mm-hmm.
- 11 Q Right?
- 12 A Yes, correct.
- Q Okay. When did you go to -- You said you
- went to another college?
- A CLC, College of Lake County.
- Q When was that?
- A I believe that was 1987.
- Q Sometime while you were at Lakeland?
- 19 A Yeah, I was -- Yes, I was working at the auto
- body.
- 21 Q And how long were you at CLC?
- A I want to say six months.
- Q Okay. On what program?
- A Same, mechanical engineering.

- ¹ Q Did you finish that program?
- ² A No, I did not.
- Q Why not?
- A Because I needed to earn money, and I wasn't
- earning enough doing -- going to school and working.
- ⁶ Q Okay.
- A Pretty physical job, auto body.
- 8 Q Okay. Any other college education after high
- 9 school?
- A Completed, no.
- 11 Q Not -- I didn't say completed, any other
- college education after high school? Did you go to
- any other colleges?
- A None other than the ones I had mentioned.
- ¹⁵ Q That's what I'm asking you.
- A Okay.
- 17 Q You went to NIU and CLC. Any other college?
- ¹⁸ A No.
- Q Okay. Where did you graduate high school?
- A Johnsburg.
- Q What year?
- ²² A 1985.
- Q Okay. After Lakeland Auto, which I'm
- assuming was somewhere around -- when you finished

- somewhere around 1988, '89, somewhere around there?
- ² A Finished ...
- Q When you finished Lakeland Auto, I'm assuming
- that was somewhere around '88 or '89?
- ⁵ A Yes. Yes.
- ⁶ Q Okay. Where did you go after that?
- A I became self-employed performing the same.
- Q To the present date?
- ⁹ A Yeah.
- Q Okay.
- ¹¹ A Yes,
- Q Okay. Have you worked for anybody else
- during 1989 until now other than yourself?
- A Yes.
- Q How many jobs are we talking, lots?
- A One at a machine shop, Swiss Automation in
- South Barrington, that was between 1999 and 2001, and
- then just currently last winter working at a place
- called Advantage Auto Body for three months. They let
- 20 me go.
- Q Where was that?
- A That -- I'm not sure what town it is. It's
- in Wisconsin and about two miles from my home between
- Powers Lake and Burlington.

```
<sup>1</sup> Q Okay.
```

- 2 A I'm not sure what town it resides in.
- Q And when did they let you go?
- 4 A They let me go just at Christmastime last
- ⁵ year.
- Q 2012 Christmas?
- ⁷ A Yes.
- 8 Q All right. Any other employment since high
- ⁹ school we have not discussed?
- Q Okay. Do you have any training other than
- being self-trained on working with a chain saw?
- ¹³ A No.
- Q So you're -- Well, let me ask you this way:
- 15 How long have -- Well, strike that.
- How long have you -- Strike that.
- When's the first time you operated a
- chain saw yourself?
- ¹⁹ A Age 18.
- Q Okay. About '85? No, wait. Is that '85?
- MR. CALLAHAN: Yeah.
- BY THE WITNESS:
- A Yeah.
- Q Yeah. About 1985 then?

```
Page 40
```

- 1 A Mm-hmm.
- ² Q Yes?
- ³ A Yes.
- ⁴ Q Yes. Okay.
- ⁵ Whose chain saw was that that you
- operated first?
- A I do not recollect. We were camping, and I
- picked up a chain saw and was cutting firewood for the
- group that was there.
- Okay. Was Paul with you at the time?
- ¹¹ A No.
- Okay. Have you ever owned a chain saw?
- ¹³ A Yes.
- Q Okay. Do you own one now?
- 15 A No. ______
- Okay. During what period of time did you own
- a chain saw?
- ¹⁸ A Oh, 2000 till 2004.
- Q And for what reason did you own it and then
- no longer own it during those four years?
- A A friend had garbage-picked it. It was an
- old really big chain saw that I rebuilt. I used it
- several times and then I sold it at a garage sale
- along with another unit that was just like it.

- Someone wanted to fix up theirs too, so ... It was an
- old David Bradley chain saw; it was a very old model.
- Q Wait, I missed some of that. You said you
- 4 had one that you got from a friend from a garage sale
- ⁵ but another, what was the other one?
- 6 MR. CALLAHAN: No.
- ⁷ MR. MAST: Sorry.
- 8 BY THE WITNESS:
- 9 A No, I had -- I had one that I operated and
- then I picked one up at a garage sale.
- 11 Q So you had two of them?
- 12 · A Yeah, I had two of them, and I sold them both
- at the same time, yeah. One worked and one didn't.
- 14 Q And that was from 2000 to 2004?
- ¹⁵ A Correct.
- Q Okay. During 2000-2004, did you use those
- chain saws on any type of continual basis?
- ¹⁸ A No.
- 19 Q They were just there for -- because you had
- fixed them up and you just kind of liked to have them
- ²¹ around?
- A No, they were very useful because they were
- large and I used them on my property to trim off a
- large maple branch that had fallen.

- Q Oh, so you used them?
- A I used the one that was working. The other
- one was not operational.
- 4 Q The one that was working that you owned from
- 5 2000-2004, the one chain saw that was working, you
- 6 used only for your own personal use on your personal
- ⁷ property?
- ⁸ A Yes.
- 9 Q Had you used a chain saw from 1985 until
- 2000?
- ¹¹ A Yes.
- 12 Q Whose chain saws?
- A Once again, I'm a camper and there would be a
- 14 time when I would just elect myself to cut the wood, I
- ¹⁵ just ...
- 16 Q Let me ask it this way, maybe it will be
- easier, because I know these aren't all easy
- questions. Before 2000, okay, when you first got your
- own chain saw, how many times would you have operated
- a chain saw over the 15 years?
- A At least a dozen times.
- Q Were they all during camping trips?
- ²³ A Yes.
- Q Okay. And they were all somebody else's

- chain saw they brought to the camping site and you
- used them to cut up for camping wood?
- 3 A Yes.
- Q Okay. And then beginning of 2000 you would
- 5 use them a little bit more frequently because it was
- ⁶ yours and you were using it on your property?
- A Yes.
- Okay. Do you have some type of forest or
- something on your property that you use it for, or ...
- A No, I have negligent neighbors that when
- trees fall, they don't --
- Q Okay.
- A -- they don't really seem to attend to them,
- so I opted to do the clearing myself.
- Okay. So you clear up a tree here and there?
- A Yeah. Yes.
- Q And I know there's no way -- easy way to do
- this, but I still have to ask the question. From 2000
- to 2004 what would you estimate the number of times
- you used a chain saw?
- A Three times.
- Q All right. So up until 2004 the total times
- you used a chain saw was about 15 times?
- A Correct.

- Okay. All right. From 2004 until this
- accident in June of 2011, how many times did you use a
- 3 chain saw?
- A Four times. 3
- ⁵ Q And whose chain saw was it?
- ⁶ A The first time was a friend's, on his
- property; second time, again, camping; third time on
- my property, and the fourth and final time was at my
- 9 mother's place.
- Now, when you say your property, whose chain
- saw was it?
- A That would be my friend Mike.
- 13 Q The first -- The first -- Well, okay. That
- would be the same friend that you operated the chain
- saw on his property the first time that you were
- spelling these out?
- A After the 2004, yes. Yes.
- Q Yeah. So beginning in 2004 when you no
- longer owned a chain saw, the first time you used it
- after that was with a friend at his house?
- A Yes.
- Q And that's Mike's?
- A Yeah. Not Mike Mcartor.
- 24 Q No, I --

- Okay. I'm just clarifying. Α
- That's fine. Okay. Second time was out 0
- Correct. what compground Allows chairsaws? camping cutting up firewood?
- 5 Third time was at your house with Mike's
- 6 chain saw?
- Α Yes.
- And fourth time was at your parents' house?
- Α Yes.
- 10 Okay. And was that fourth time at your
- 11 parents' house the day of this incident or before the
- 12 day of this incident?
- 13 It was the day of that incident.
- 14 Okay. So if I were to -- and I know this
- 15 isn't the easiest thing to do, but if the day of the
- 16 incident was June 28, 2011, when was the last time you
- 17 used a chain saw before that date?
- 18 Α Oh. Datewise?
- 19 Some estimate, yeah. Within a month, a year, Q
- 20 three years?
- 21 Α It was a year.
- 22 Within a year? 0
- 23 Α Yeah, within a year.
- 24 So it would have been the prior summer maybe? Q

- A Yes.
- Q Okay.
- A Yeah, a storm took down some branches in my
- ⁴ yard.
- ⁵ Q So that third incident after 2004, which you
- spelled out four times you used a chain saw, that
- third incident where it was Mike's chain saw on your
- property was the one in 2010 during the summer?
- A Yes.
- Okay. And then the next time you used a
- chain saw was on your parents' property on the day of
- Paul's accident with your parents' chain saw?
- ¹³ A Yes.
- Q Okay. Did your parents ever attempt to
- educate you or train you on how to operate a chain saw
- at any time in your life?
- 17 A No.
- Q Up till today?
- ¹⁹ A No.
- Q Okay.
- MR. CALLAHAN: Excuse me. You say -- Just to be
- clear, his parents, do you mean Mr. McGuire and
- Mrs. McGuire or his father and Mrs. McGuire?
- MR. MAST: Okay. So those are two different

- 1 answers, I take it?
- MR. CALLAHAN: Yes.
- MR. MAST: All right. So we'll go through that.
- 4 We will go through that.
- 5 BY MR. MAST:
- 6 Q Well, any -- All right. Whether it's
- stepparents or real biological parents, we'll just put
- 8 them all in one group, okay.
- Whether it's your stepparents or real
- biological parents, have your parents, meaning
- either/or, ever attempted to train you or direct you
- in the proper method or way to operate a chain saw
- your entire life until today?
- 14 A No.
- Okay. Might as well go through your parents
- then. Bill and Carolyn McGuire, are they your
- parents?
- A My mother is my biological mother, Carolyn
- McGuire. William McGuire is not my biological father.
- Q Okay. So William McGuire is your stepfather?
- A Correct.
- Q Is your father -- your natural father living?
- ²³ A No.
- Q Okay. When did he pass?

- ¹ A 1996.
- Q Okay. I'm assuming he had never did anything
- with you with regard to chain saws; is that fair to
- 4 say?
- ⁵ A We never interacted in that way.
- Okay. Did either William or Carolyn McGuire
- ever interact with you with regard to how to use the
- 8 chain saw?
- 9 A No.
- 10 Q Okay. Are your -- So when I say parents,
- since your father passed and Carolyn is your natural,
- 12 I'll just talk about Carolyn and William as your
- parents, then, okay? Is that fair to you?
- A That would be fair to me.
- Q Okay. Have your parents -- What was I going
- to ask you? Oh, what do your parents do presently for
- a living?
- A They're currently both retired.
- Q Okay. Do you know how long they'd been
- 20 retired?
- A My mother, I believe, two years now. She was
- employed at Intermatic --
- Q Okay.
- A -- in Spring Grove, and William McGuire

- worked for last Tempest Construction, and he was an
- ² industrial commercial drywaller.
- Q Okay. To your knowledge -- and, again, we'll
- 4 probably end up deposing them soon so we'll ask them,
- but to your knowledge do either of your parents have
- any expertise or experience in operating chain saws
- except just, you know, doing it on their own and
- ⁸ around the house?
- ⁹ A They never have operated. They bought that
- tool specifically for that -- the cutting of the trees
- that needed to be done on their property.
- Q And they weren't going to use it then? They
- were letting --
- 14 A No.
- ¹⁵ Q -- you do it?
- A Right.
- Q Okay. So they -- The chain saw that you were
- operating at the time of Paul's accident on their
- property, your parents' property, that chain saw was
- purchased by your parents for that particular project?
- A I wouldn't say they bought it and then do
- this, they bought the chain saw because they had known
- that there would be -- need to be work done --
- Q Okay.

- $^{
 m l}$ A $^{--}$ and I later was elected to do that.
- 2 Q So when they purchased the chain saw -- and,
- again, I'll ask them these questions, but I'm
- wondering what your knowledge is, when they purchased
- 5 this chain saw, your parents, did they purchase it
- knowing that you were going to use it or just that
- somebody else and not them were going to use it?
- MR. BARCH: Speculation, but go ahead, objection.
- 9 BY THE WITNESS:
- A I can answer that when they purchased it that
- they didn't solely purchase it with intent for me to
- use it.
- 13 Q Wait. I missed the beginning of that.
- A When they purchased that, they did not solely
- purchase it for my usage.
- Q Okay.
- A They had purchased it for trimming of trees
- on their property --
- 19 Q Right.
- A -- and then when I was elected or became the
- person who did the work, I used that chain saw.
- Q I understand that. My question has one
- little branch more to it. My question was, did they
- purchase it thinking somebody else other than

- themselves were going to operate that chain saw?
- A You would have to ask them that question.
- ³ Q So you don't know?
- 4 A I do not know.
- ⁵ Q Okay. Fair enough. Had you known either of
- your parents ever to operate a chain saw before Paul's
- ⁷ accident?
- 8 A Neither one of them have ever operated a
- 9 chain saw.
- Q You know that?
- A I know that.
- Q Okay. What kind of -- Are they still living
- in the same house they were living at the time of the
- accident?
- ¹⁵ A Yes.
- Q Okay. What kind of property is that if you
- describe it? Is it like a small little half-acre
- property, or is it a larger --
- A It's a small one, third-acre residential --
- what is it called? -- ranch.
- Q Okay.
- A Ranch home, full basement.
- Q How many trees would you say are on their
- 24 physical third-acre of property, if you had to give me

- ¹ an estimate?
- A I'm going to tell you.
- Q Okay.
- 4 A Currently?
- ⁵ O Yes.
- ⁶ A Ten.
- 7 Q Okay. Prior to the day of Paul's accident,
- how many trees were on that property?
- ⁹ A 12. Oh, 13.
- Q So on the day of Paul's accident, did you
- take all three of those down then?
- A I didn't take any trees down that day --
- 13 Q Okav.
- A -- or during this occurrence.
- Q Okay. I see. Just limbs?
- ¹⁶ A Yes.
- Okay. We're going to get to that as we go
- here. Okay.
- So even at the time Paul was injured,
- there were still 13 trees on the property?
- A Yes.
- \mathbb{Q} But there were less limbs on the property, I
- take it then --
- A Yes.

- 1 Q -- at the time of Paul's accident?
- 2 A Yes.
- Q All right. Who took down those three trees
- on your parents' property after Paul's accident?
- MR. BARCH: I'm going to object to the relevance,
- ⁶ but go ahead.
- 7 BY THE WITNESS:
- ⁸ A Please reask the question.
- 9 Q All right. You said there were -- You said
- there are ten trees now on your parents' property?
- ¹¹ A Yes.
- Q And you said at the time of Paul's accident
- there were 13 trees on the property?
- 14 A Yes.
- ¹⁵ Q So I'm assuming three trees were taken down;
- is that right?
- A Yes. Two were only related to that
- occurrence, though, and they were pine trees. The
- other tree that I'm saying is gone was an apple tree
- that was removed later by, I think, Bill. It was just
- a small little apple tree that was $-- \sim 4$
- Q All right. Hold on. You're going way too
- far with my question.
- A Okay.

- Q My question is --
- A Sorry for being all-inclusive.
- Q It's okay.
- 4 A I know. I'm just apologizing.
- 5 Q No, you don't have to apologize, and let me
- just give you kind of an idea. You're being helpful
- and open, and I appreciate that. The thing is,
- 8 though, I'm still going to have to go through those
- 9 questions again as I go through this so it's not going
- 10 to cut down the time. So I'm just trying to tell you.
- A I'm in no hurry.
- Q Okay. The three trees that were taken down
- since Paul's accident -- we'll get to when and all,
- who and all that -- who took those three trees down?
- A I don't know. Description of The Contract of the Contract
- Okay. Okay. Before the day of Paul's
- accident, so before June 28, 2011, had you known Paul
- ever to operate a chain saw?
- ¹⁹ A Yes.
- Q Okay. How frequently?
- A I don't know.
- Q How did you know then if he operated a chain
- ²³ saw?
- 24 A I've seen him operating a chain saw.

- Q Where?
- A Camping, on his property, cutting telephone
- 3 poles that he got for free to make use out of them.
- Q Okay. Had you known him to operate a chain
- saw before the day of his accident in a fairly
- ⁶ reasonable manner?
- $^{\prime}$ A Yes.
- 8 Q He wasn't, like, dangerous swinging it around
- ⁹ or anything like that?
- ¹⁰ A No.
- Okay. So he would operate it, would you say,
- in a safe manner before the day of the accident?
- MR. BARCH: I'm going to object to --
- BY THE WITNESS:
- A I'm not qualified --
- MR. BARCH: Let me object to the foundation.
- But go ahead and answer.
- BY THE WITNESS:
- A I'm not really qualified to determine what
- safe is, I mean ...
- Q Everyone has their own definition. I'm just
- asking you under your own belief of what safe is --
- ²³ A Yes.
- Q Let me finish the question. Under your own

- belief of what safe is, do you believe Paul operated
- before the day of his accident, whatever times you saw
- him, the chain saw in a safe manner?
- l A Yes.
- Q Okay. Had Paul ever seen you operate a chain saw before the day of his accident?
- $^{-7}$ A Yes.
 - Q Where was that?
- 9 A Multiple times camping and also on my
- mother's property.
- 11 Q Well, let's go back then because when I asked
- you how many times you operated the chain saw after
- 2004, you only described one time on your mother's
- property and that was on the day of the accident.
- A Does operating -- to clarify it -- include
- starting or actually cutting wood? Because there's --
- Q Fair question but you didn't -- you didn't
- condition it when I asked you that before so that's
- why I'm going back.
- A Okay.
- Q We can -- I'm glad to define it any way you
- want. I'm just -- You didn't clarify it before so
- that's why I'm going back.
- A Okay.

- Q I asked you just recently, just the past
- question, how many times had Paul -- I'm trying to
- remember the question. How many times did Paul see
- 4 you operate a chain saw before the day of his
- 5 accident, right? I think that was the question. And
- you said numerous times, I think; is that right?
- A Yes. Paul has seen me operate a chain saw
- 8 before.
- 9 Q Before the day of his accident --
- ¹⁰ A Yes.
- Q -- on numerous occasions?
- ¹² A Yes. --
- Q Okay. And then you were describing when and
- under what circumstances?
- ¹⁵ A Yeah.
- 16 Q In addition to camping, those different
- camping trips, he would sometimes be on camping trips
- with you?
- ¹⁹ A Yes,
- Q And he would see you operate a chain saw
- during those camping trips?
- A Yes.
- Q And you would see him operating a chain saw
- during those camping trips?

Tound of the person of second

- A Yes.
- Q Okay. And putting the camping trips aside,
- had Paul ever seen you operate a chain saw any other
- time before the day of his accident other than on
- 5 camping trips? And operate, if you want to know what
- 6 definition of operate is, I'm happy to tell you
- ⁷ that --
- 8 A Yes, please.
- Q -- in my view but you can define it any way
- you want. Operate means using the chain saw to cut
- 11 wood.
- A No, starting a chain saw and making sure that
- it's running. That operating I thought you meant it
- running, not literally using it. . .
- Okay. So let's -- Let me ask the question
- again now that we have the definition.
- A Okay.
- Q If we define chain saw operation as operating
- a chain saw so as to cut wood or cut any other object
- I guess for that purpose, have you now, based on that
- definition, ever -- has Paul ever seen you operate a
- chain saw before the day of his accident other than at
- camping trips?
- 24 A No.—

- Q Okay.
- 2 A No. No.
- 3 Q But when I've asked you about you seeing Paul
- operate a chain saw, you meant and referred to him
- using the chain saw to cut things, right, that was
- 6 your answer?
- 7 A I've seen him using a chain saw to cut
- 8 things, yes. —
- A Yes.
- 11 Q So before the day of Paul's accident, setting
- aside the camping trips, Paul has seen you start a
- chain saw to get it running but not use it?
- 14 A Yes. 4
- Okay. Under what circumstances?
- A It's good to start a piece of machinery every
- now and then and you may --
- Q Where and when? What are we talking about?
- 19 At your mom's house?
- A Yeah, probably in the garage there at my
- mom's house.
- Q Because they had the chain saw?
- A No, they didn't have the chain saw then.
- I'm -- You're talking about the chain saw that was in

- the accident?
- 2 Q Okay. Let's go back.
- A Or are you talking about chain saw in
- 4 general?
- ⁵ Q Fair enough. Let me ask it this way: Did
- ⁶ your parents purchase a chain saw to cut trees in
- 7 2011?
- 8 A I don't know.
- ⁹ Q All right. The chain saw that you were
- operating --
- A Yes.
- Q -- at the time of Paul's accident was your
- parents' chain saw, right?
- ¹⁴ A Correct.
- Q When did they purchase that chain saw?
- A Shortly before the incident.
- Q Are we talking if the accident happened
- June 28th, sometime in June?
- A I wasn't there for the purchase. I wouldn't
- know the purchase date.
- Q Okay. Sometime that summer, though; fair
- enough?
- A Yes.
- Q Okay. And before they purchased that chain

- saw in the summer of 2011, did your parents own any
- other chain saws to your knowledge?
- Q Okay. So the chain saw that Paul would have
- seen before the day of his accident, see you start but
- not operate, would be the chain saw that your parents
- purchased in 2011 or some other chain saw?
- A It would be some other chain saw.
- 9 Q Where? Putting aside the camping trips,
- 10 remember I talked, putting aside that.
- A Yes, in my mother's garage.
- Q Whose chain saw was it?
- A I don't even recollect. I, you know ...
- Q Okay.
- A It was a piece of machine I was starting to
- keep it in good working order.
- Q Okay. But it wasn't your parents and it
- wasn't yours?
- A That's correct.
- Q Okay. How many times did he see you start a
- chain saw but not use it under your description
- before?
- A I don't know.
- Q Couple, maybe two or three times?

- A I don't know. I don't know.
- Q Okay. At least once; fair enough?
- A At least once, yeah.
- Q Okay. All right. Have you ever used a chain
- saw and operated a chain saw, meaning cut things for
- 6 money in your life?
- ⁷ A No. –
- And, I mean, whether through your employment
- or through somebody just giving you money to do it,
- you'd never done it for money; is that fair to say?
- A That's fair to say.
- Okay. The work you were doing, and we're
- going to slowly get into that now, but the work you
- 14 were doing for your parents on the day of Paul's
- injury, June 2011, was that work you were being paid
- for or not?
- A Yes, I was being compensated.
- Q Okay. So doesn't that -- isn't that contrary
- to the answer you just gave me then?
- ²⁰ A No --
- MR. CALLAHAN: I'd just object to form.
- 22 BY THE WITNESS:
- A -- because you asked if I did it before that
- incident.

- 1 Q No, I did ever. My word was ever, but I'll
- 2 say it again. Look it, I just want the truth. I
- don't care. If you don't understand my question, I'll
- ⁴ restate it.
- My question before, I think, if you
- looked at the record, said had you ever operated a
- 7 chain saw for money. Now, maybe you meant before the
- 8 accident --
 - ⁹ A Yes, I did.
- Q -- but I didn't phrase it that way.
- A Okay.
- Q So let's go back and correct it. Okay. We
- can do that.
- The question is, ever means in your
- lifetime. Have you ever operated a chain saw for
- money in your lifetime?
- ¹⁷ A Yes.
- Q Okay. And was that -- the times you did it
- for money, was that only with your parents?
- A That one, yep, the occurrence that we're
- speaking of, that was the only time that I was paid.
- Q The day of the accident?
- A The day of the accident.
- Q All right. Okay. Before the day of the

- accident, had you ever cut -- Strike that. Let me --
- ² Let me get ...
- Before the day of your accident, had you
- 4 ever cut any trees down with a chain saw or limbs,
- parts of trees, with a chain saw at your parents'
- 6 house? Before the date of --
- 7 A Reask that question.
- 9 Q Pardon?
- A Could you please reask that question?
- Q Okay. Before the day of Paul's accident --
- ¹¹ A Yes.
- Q -- had you ever operated a chain saw at your
- parents' house, meaning to cut things?
- 14 A No.
- Q Okay.
- ¹⁶ A No.
- Q So the day of the accident was the first day
- in your life you ever operated a chain saw to cut
- things at your parents' house; fair enough?
- ²⁰ A Yes. -
- Okay. All right. So I'm assuming, given
- that answer, the same answer would hold true for Paul.
- Paul never assisted and/or operated a chain saw to cut
- things at your parents' house before the day of his

- accident; is that fair to say?
 - A Yes.

correct?

2

8

- Q Okay. And I want to make sure you caught
 that I used the word assisted, meaning he never
 assisted anybody, whether yourself or anybody else, in
 the trimming of trees or cutting down of trees at your
 parents' house before the day of his accident; is that
- ⁹ A That's correct.—
- Q Okay. Okay. Did Paul -- Well, let me ask it this way: How frequent in the year before the accident would Paul, to your knowledge, be visiting your parents' house?
- A At least twice a month.
- ¹⁵ Q And would it be only to visit with you or ¹⁶ would he be there sometimes when you wouldn't be ¹⁷ there, to your knowledge?
- 18 A He would be there when I wasn't there.
- Q When you weren't there?
- A Yeah.
- Q What was his -- and that's what I'm not sure about, what is his relationship with your parents that would make him come to your parents' house when you're not there, what's the --

- A He would show up assuming that I was there
- and knowing my mother since they worked at the same
- place of employment, interacted there, that he would
- 4 sit and just speak with them on a friendly basis.
- ⁵ Q Okay. So he was good friends with your
- ⁶ parents?
- ⁷ A Yes. -
- ⁸ Q Okay. Do you know if your parents still hold
- ⁹ goodwill to him today or whether that has changed?
- MR. BARCH: Speculation.
- 11 BY THE WITNESS:
- 12 A I don't know. You'd have to ask them.
- Do you know if your parents have overheard
- Paul say anything that was uncomfortable or
- financially motivated relating to this claim at all?
- A No, I believe that they have not.
- Q Okay. And same with your wife? I think we
- already talked about that, right?
- ¹⁹ A Correct.
- Q Okay. Would Paul have any reason, in your
- knowledge, to visit your parents when you weren't
- there? Now, I know he'd go there and you happened not
- to be there so he'd talk to them; but, I mean, was
- there anything that would take him to your parents'

- house if he knew you weren't going to be there?
- MR. BARCH: Speculation.
- 3 BY THE WITNESS:
- 4 A A friendship.
- 5 Q Go ahead.
- ⁶ A Friendship again.
- ⁷ Q Okay. So would there be times Paul would
- visit your parents' house merely to visit them and not
- 9 even -- whether you're there or not?
- 10 A No, he would arrive there with the purpose of
- seeing me and me not being there, he would stay being
- congenial and friendly towards my mother.
- Q Okay. And that's why I asked the other
- question; let me say it again. My question is, if
- Paul knew you weren't going to be at the house, would
- there be any -- ever any instance where you know that
- he would visit your parents' house anyway?
- A That would be between Paul and my parents
- 19 then.
- Q So you don't know?
- A I don't know.
- Q Okay. That's what I was trying to get at.
- 23 A Okay.
- Q Okay. Do you know if Paul ever worked at

- your parents' house doing anything before the day of
- his accident?
- A Yes.
- 4 Q What types of things would he do at your
- ⁵ parents' house for work?
- ⁶ A Well, there was a large elm tree that was
- removed in the front yard by another provider; I do
- 8 not know their name, and he said, I would like that
- ⁹ firewood. So I helped him load it onto a large
- trailer and I believe that large pile of wood still
- sits on his property.
- Q Okay.
- A To some extent. He's used some of it.
- Q What year would that have been?
- ¹⁵ A Just 2010. 201²
- Q Okay.
- A Just before this incident where she was
- getting into the mode of upgrading the home, you know.
- 19 Q I get it. So it would have been the summer
- before this accident then?
- A Yes.
- ²² Q Okay. So --
- 23 A Or it may -- it may have been that same
- summer.

- · Q Okay.
- A That question would probably be better off
- answered by my mother.
- ⁴ Q So the answer is, I don't know the time,
- that's your answer when that happened? You don't know
- when that happened?
- A It was before this occurrence and shortly
- 8 before that.
- 9 Q Okay. But the work that you're describing in
- that answer that Paul did at your parents' house
- before the day of his accident was simply to collect
- wood that had already been cut up and pile it onto a
- truck to take it to his house?
- ¹⁴ A Correct.
- Q Okay. So I guess my question was more
- designed toward did Paul do any work for your parents
- or for the property itself at your parents' property?
- ¹⁸ A Yeah, he --
- Q Before the day of his accident?
- A Yes, he moved a large load of wood onto a
- trailer removing it from their property for his own
- usage.
- Q Okay. Just once?
- A That day was the -- That day we made several

- ¹ trips.
- ² Q What day?
- A I don't know exactly what day, that's what
- was in dis- -- and we were uncertain of as to right
- there but it was before this occurrence possibly that
- 6 same summer.
- 7 Q All right. So this is what you're saying,
- you're saying before Paul's accident --
 - ⁹ A Yes.
- 10 Q -- whether that year or the year before,
- there was an instance where an elm tree was cut down
- and Paul made one or more trips to collect the cut up
- wood on a pickup truck to take to his house?
- 14 A Correct.
- Q Other than that, has Paul done any other work
- on your parents' house before the day of his accident?
- A None that I'm aware of.
- Q Okay. Do your parents have any experience or
- expertise in cutting down trees?
- ²⁰ A No.
- Q Okay. So other than hauling firewood from
- your parents' house on one or two occasions before the
- day of his accident, Paul never did any other type of
- errands around their house, the parents' house; is

- that fair to say?
- MR. BARCH: Foundation, but go ahead.
- BY MR. MAST:
- 4 Q That you know of obviously.
- 5 A That I know of.
- Q None?
- A That I know of, none.
- 8 Q Okay. How long have your parents lived at
- ⁹ that house?
- A My mother, biological mother, has lived there
- ¹¹ since 1971.
- Q And give us the address of the house so we
- could have that.
- A 1016 West Elder, McHenry, Illinois 600, I
- think it's, 51 now. It may have changed.
- Q Okay. And is that once -- And that's --
- After your father passed, that's where she was
- remarried and began to live there then, correct?
- A She was remarried be- -- No, she was
- remarried before his passing.
- Q I see.
- A Yeah.
- Q Okay. So until you moved out of the house,
- you had lived at that house almost your entire

- ¹ childhood, right?
- A I lived there until I was 30 years old.
- Q Okay.
- ⁴ A 29. 29 years old. 1999 June 1st I
- moved to my new residence, which I currently live at.
- Q From your -- From about four years old,
- ⁷ right?
- ⁸ A Yeah.
- ⁹ Q Okay.
- ¹⁰ A Yes.
- Q All right. And let's take you to the day of
- the accident. When were you first -- Well, strike
- that.
- On the day of the accident, on the day
- the accident occurred, came upon you, did you already
- know your parents had purchased a chain saw?
- A Yes.
- Q Okay. And do you know the purpose of why
- they purchased it?
- MR. CALLAHAN: I'd just object as being asked and
- answered.
- But you may answer.
- BY THE WITNESS:
- A I don't know. I don't know.

- Q Okay. When did you first know that they
- wanted you -- your parents wanted you to cut -- do
- 3 some cutting with the chain saw on their property?
- When did you first learn that?
- A Actually, I offered my services to them.
- 6 They had need to rebuild a shed and with the shed
- down, there was an opportune time for trees to come
- 8 down.
- ⁹ Q What shed down, what do you mean?
- A There was an old shed that if -- since it was
- taken down because it was in disrepair, planning to
- put up a new one, there was an opportunity to now drop
- these trees where there was a clear field, clear area.
- Q Fair enough. When was that that you offered
- your services to cut the trees down?
- A Two days before the occurrence.
- Q Okay. Were you at their house when this
- 18 conversation arose?
- ¹⁹ A Yes, I was.
- Q Okay. Was Paul with you?
- 21 A No.
- Q It was just you and your two parents?
- A Yes.
- Q And it was discussed -- Did you bring up the

- issue or did they bring up the issue?
- A Well, as I've mentioned, it was an ongoing
- upgrading of the property and it was just discussed
- 4 that now is an opportune time to do that.
- ⁵ Q My question was, who brought up the issue, if
- ⁶ you know, about cutting the trees down?
- ⁷ A I did.
- Q Okay. And it was something like, Hey, now's
- 9 a good time with the shed down, why don't we cut those
- trees down?
- ¹¹ A Yes.
- Q Something like that. Okay. And there were
- three trees in particular that were --
- 14 A Two.
- Q All right. Let me just finish the question.
- My question was, there were three trees in particular
- to cut down and you're saying there were only two?
- A There are three trees that since that
- occurrence are now gone.
- Q Right.
- A Two of which were involved in the occurrence
- which were pine trees.
- Q When you say involved in the occurrence, what
- do you mean?

- A The ones that were being trimmed up, that
- were being considered to be removed at that time.
- Okay. So let's go back to the conversation
- two days before Paul's accident when you brought up
- the issue of cutting the trees down, was the topic of
- cutting the trees down involving only two trees at
- 7 that point?
- ⁸ A Yes.
- ⁹ Q And they were pine trees?
- ¹⁰ A Yes.
- Q Okay. And how tall were the pine trees?
- A I would -- In my best guesstimate, I would
- say 50 feet tall.
- Q Both of them?
- ¹⁵ A Yes.
- And they had been on the property ever since
- you knew?
- A Yes. I watched my mother plant them herself.
- Oh, okay. So when you were a very young
- 20 child?
- A Yes.
- Q Okay. And what necessitated that they be
- removed given the rebuilding of the shed?
- A At that time they had become large and an

- overburden.
- 2 Q Just taking up a lot of space --
- A Yes.
- Q -- and in the way?
- ⁵ A Yes. Hanging over the area adjoining
- 6 neighbors. They were a nuisance. They needed to come
- down. They weren't decaying at all, but they were --
- 8 they were too full.
- 9 Q So would the trees have been about over
- 25 years old then at the time?
- A Yes. Yes.
- Q But they were in good health?
- A Yes.
- Q So it was elective in taking them down, not a
- necessity, correct?
- A It was a necessity as to -- Well, that was
- the opportune time. I mean, as I said, the shed was
- gone, so ...
- Q I get it. I'm saying elective meaning that
- they didn't have to be taken down for the safety of
- anybody, they were being taken down more for
- convenience's sake; fair enough?
- MR. CALLAHAN: If you know.

- 1 BY THE WITNESS:
- A I don't know. I don't -- I don't really know
- 3 at what point they chose to. I suggested that they
- 4 come down and they chose to have me take them down.
- ⁵ Q Were they being taken down for any safety
- 6 reason?
- 7 A No.
- 8 Q Okay. The third tree, what kind of -- The
- third tree that was taken down after Paul's accident,
- what kind of tree was that?
- A It was an apple tree.
- Q And that tree being taken down, at least in
- your view, had nothing to do with the shed issue then,
- 14 right?
- A Nothing at all.
- 16 Q Right?
- ¹⁷ A Yes.
- Q Okay. And that's why you described earlier
- in the deposition the two trees, the two pine trees,
- were taken down in relation to this accident because
- you were taking trees down at the time of the accident
- or at least the intent was to take trees down at the
- time of the accident to make room for the shed?
- A No, the shed was already standing before

- that. It was torn down because it was in disrepair.
- 2 It being torn down, it seemed as though it was an
- opportune time to take down these trees that were
- 4 large and overgrown.
- Okay. So you said, Hey, why don't we take
- 6 down the trees now. It's a good time to take down the
- two trees, and they said yes, right?
- ⁸ A Yes.
- 9 Q Okay. Did you tell them how long it would
- take to do the work?
- 11 A No.
- Q Did they offer you to pay you -- Did they
- offer to pay you some money to take the two pine trees
- down?
- ¹⁵ A Yes.
- 16 Q How much?

- Q Was there any scope discussed as far as how
- long it was going to take you to do the work?
- ²⁰ A No.
- Q Any time frame on how long it would take you
- 22 to do it?
- ²³ A No.
- Q And the scope of the work that at least as

- discussed was just taking the two pine trees down,
- ² correct?
- ³ A Yes.
- 4 Q All right. And that would include the limbs,
- 5 cutting it up into wood, and then hauling it off the
- ⁶ property?
- A Not hauling it off the property; that's why I
- was cutting up the limbs to stack it on the property.
- Q Okay. So that -- Just fair enough. I just
- want to get the scope of it. The scope was cutting
- the tree down, including all limbs and parts of the
- trees, the two trees, and getting them cut up into
- stacks and then stacking the wood?
- 14 A Yes.
- Q And then that would be the end of the work?
- A Yes.
- Q Okay. And it only involved those two pine
- trees, right?
- ¹⁹ A Yes.
- Q Are you aware of any photographs that show
- those pine trees before they were cut?
- ²² A No.
- Q Or during them being cut?
- ²⁴ A No.

```
Q Or after they were cut?
```

- ² A No.
- Q Or how they are today?
- A No.
- Okay. Once you discussed two days before
- Paul's accident doing the work and how much you were
- going to get paid, what was the next step in your
- 8 preparation for doing the work?
- A I by myself trimmed the trees up to about
- 10 40 --
- Q No. No. You went -- You jumped too far
- ahead. Let me just -- I said the next step. So the
- next step would be two days later showing up on the
- property, getting ready to cut them off then, I'm
- assuming, right?
- A Mm-hmm.
- O Yes?
- ¹⁸ A Yes.
- Q Did you do anything in the interim to
- prepare, like go buy a set of gloves or something?
- I'm just trying to find out what you had to do.
- ²² A No.
- Q Okay. When you cut trees of this size and
- nature down, do you have to wear goggles?

```
Page 81
```

- $^{\scriptscriptstyle 1}$ A I suppose that a person should.
- Q Did you?
- 3 A No.
- Q Did you wear a helmet?
- ⁵ A No.
- ⁶ Q Gloves?
- A Yes. Yes.
- ⁸ Q Okay. Work gloves?
- A Yes.
- Q Boots?
- A I can't recollect if I was wearing boots or
- shoes that day.
- Q Okay. Any other type of particular things
- that you would wear specific to cutting trees down?
- ¹⁵ A No.
- Q Other than gloves and clothes?
- ¹⁷ A No.
- Q No. Okay.
- Who decided the day that you were going
- to start the work?
- A I did.
- Q Okay. Did you just show up out of the blue
- or did you say, I'll be back in two days to start the
- work?

- A I said that I'll be back and start the work
- on a pre- -- on the day, you know, the day I began --
- ³ Q Okay.
- A -- which is two days before Paul's -- the
- 5 incident happened.
- Q Right. So we're two days before the
- accident, you talked about what you were going to do,
- how much it was going to cost, blah-blah-blah, and
- then did you say, I'll come back in two days to start
- the work, or how was it decided when you were going to
- start the work?
- A It's my mother. It's kind of a free -- You
- know, it isn't like I've got to show up for work at
- 10:00 o'clock. It wasn't really decided. I showed up
- at my own accord and began to work.
- Q That's all I'm asking you.
- A And then I --
- Q That's fine. So you showed up when you
- wanted to, right?
- ²⁰ A Yes.
- Q Okay. So there wasn't any preset day that
- you were going to start the work?
- ²³ · A No.
- Q Is that correct?

- ¹ A That's correct.
- Q Okay. And when you showed up on June 28,
- 2011, was that the only thing you were going to do
- there that day at your parents' house is cut those two
- 5 trees down?
- A That day that I showed up, I was only going
- to trim the branches off of the trees.
- Prepare them for, like, the next day's work
- of starting to cut them down?
- A Yes.
- Okay. Were there a lot of branches on each
- tree?
- A Yes, it's a pine tree.
- Q Okay.
- A There's many branches on pine trees.
- Q And the branches can get thick as well,
- 17 right?
- ¹⁸ A Thick by way of ...
- Q By way of being just thick.
- A Diameter?
- Q Yeah.
- A No, not really. Branches --
- Q I mean, we're not talking like a half an inch
- around. We're talking they can be several inches

- around even on the branches.
- A There were no limbs on that tree that were
- probably over 3 inches in diameter.
- Q Okay. Fair enough. Let me ask that then,
- 5 just it sounds like you have some understanding. Of
- the two trees, how many trees would you say were about
- 3 inches in diameter on both trees?
- 8 A How many branches?
- 9 Q Were 3 inches in diameter at one side or one
- 10 end?
- A | Between the two trees?
- Q Yep.
- A Six.
- Q Okay.
- A The lowermost were the thickest.
- Q And were you going to start at the bottom and
- go up or start at the top and go down?
- 18 A Start at the bottom and go up.
- Q Okay. So if the first day of work -- And
- that was the day Paul was injured, the first day of
- work, right?
- A No. The first day of work that I performed
- on those trees was the day before Paul showed up. I
- had already cut down all the limbs off the trees.

- Q All right. Hold on. You're going too fast
- 2 .so --
- ³ A Okay.
- Q -- let's slow down a little bit. You showed
- ⁵ up two days after speaking to your parents to work so
- that would have been the day before Paul's accident?
- 7 A Yes.
- 8 Q Okay. So that would have been the 27th?
- A Yes. It was preparatory work, you know ...
- Q I understand that, but I want to go step by
- step. So on June 27 you show up at your parents'
- 12 house?
- ¹³ A Yes.
- Q Which is two days after you first talk to
- 15 them about this and you showed up to do the
- preparatory work?
- A Yes.
- Q Okay. And how long were you on their
- property that day, on the 27th?
- A Four hours.
- Q And what did you do during that four hours on
- ²² the 27th?
- A I trimmed branches up to about 40 feet on
- both trees.

?qU Q

- 2 A Up. From the bottom going up.
- Q You've got to let me -- We've got to go back
- and forth with this because I'm not going to
- understand you. You're saying from the ground up
- 40 feet high you trimmed all the trees off of those
- two trees -- all the branches off those two trees on
- ⁸ June 27th?
- ⁹ A Yes.
- Q And they were now all on the ground, those
- limbs?
- A Yes.
- Q Correct?
- ¹⁴ A Yes.
- Q How many limbs are we talking?
- A I don't know.
- Q Like 30, something like that?
- A I would say more than that. You're talking
- about 40 or 50 feet and if a pine tree has a limb at
- every foot or so, you can pretty much figure out it
- probably would be more like hundreds.
- Q Hundreds of limbs?
- A Yeah.
- Q Okay. Varying sizes?

- A Yes.
- Q Okay.
- A Decreasing in diameter as we went higher, of
- 4 course.
- ⁵ Q Okay. And did you work by yourself on that
- 6. day, the 27th?
- 7 A Yes.
- 8 Q So Paul was not on the property on that day,
- 9 correct?
- A Correct.
- Q By the time you were working on the property
- on June 27th, 2011, did Paul know the work you were
- doing?
- A I don't know.
- Q Okay. When did you first talk to Paul about
- what work you were going to do on your parents' house
- with these trees in June?
- A On the 28th I had made my travels to my
- mother's house after doing the preparatory work on the
- 27th, and I figured that Paul, since he was sitting
- idle and unemployed and we worked together on trees
- before, that he would possibly want to give a hand in
- helping me to get rid of the scrub that was already on
- the ground.

- Q So you called him?
- A I stopped by his home. No, har the f
- Q Before getting to your parents' house?
- A Yes.
- ⁵ Q And was Paul home?
- ⁶ A Yes.
- Q And did you say, Hey, I'm cutting some trees
- down at my parents', do you want to help clean some of
- 9 it up?
- A That's what I said.
- Q Okay. Did you say anything else differently
- than what I've just said?
- A No, basically would you like to give a hand
- at my mother's property to help me clean up the brush
- 15 I cut down.
- Q Now, my assumption, you can correct me if I'm
- wrong, but at least that conversation at Paul's house
- the day of his accident, my assumption is you weren't
- asking him to help you cut the tree down, but you were
- helping him deal with what was already cut?
- 21 A Yes.
- Q Okay.

23

A Our intentions that day were not to take the

trees down; it was to clean up the brush on the ground

- itself that I already cut the day before.
- Q Was your intention on that day, the 28th, to
- do any use of the chain saw?
- A Yes.
- Q Okay. You were going to cut up the limbs
- that were already on the ground?
- 7 A Yes.
- 8 Q Had you begun to cut any of the limbs on the
- ground the day before?
- A The larger ones I had already cut on my own
- into sections.
- ¹² Q On the 27th?
- A On the 27th, yeah.
- Q Okay.
- A And then realized I'm going to need help.
- Q Okay.
- A You know, there's a lot here.
- Q So the 27th now, the four-hour work you --
- ¹⁹ A Yeah.
- Q -- the four-hour work you did on the 27th
- included trimming up 40 feet on each tree and then
- trimming up some of the larger limbs that are on the
- ground now cutting them up?
- ²⁴ A Yes.

- Okay. Then you get to the 28th and realize
- this is a pretty big amount of work to do, you could
- 3 use some help?
- A Yes.-
- Okay. And what specific task did you expect
- Paul would be needed to do at your parents' house when
- you spoke to him that morning before going to the
- 8 house?
- A There was really no outline. I just simply
- went to a friend's house and asked him if he'd like to
- help me with my chores that I was doing that day. I
- 12 told him it was brush that was on the ground, and I
- would like to cut it up for firewood or just to get
- 14 Consolidate it into a pile so it could be stacked
- Q Were you planning on him using the chain saw
- 16 at all?
- 17 A No.
- Q Okay. You were going to be the one to use
- the chain saw?
- A Yes.
- 21 Q And did he ever use the chain saw that day?
- ²² A No.
- Q Okay. And I mean the day of his accident, he
- never used a chain saw?

- A Correct, he did not use the chain saw on the
- ² day of his accident.
- Q Okay. All right. Now, when you use the word
- brush, having Paul help you clean up brush, you mean
- the limbs that are on the ground that you cut the day
- before, right?
- $^{\prime}$ A Yes.
- 8 Q Okay. Not just a bunch of leaves and stuff.
- It was the limbs, the actual limbs themselves?
- A The actual limbs, yes.
- Q So the assistance that Paul was going to give
- since he wasn't going to be using the chain saw the
- day of his accident, was that to hold the limbs while
- 14 you cut them up?
- A It wasn't intended to be that way and I
- didn't direct him to do so. We just kind of got to
- work and that's the technique that we both were
- comfortable with --
- Q Okay.
- A -- and then from there moved forward with
- doing that.
- Q Fair enough. So the morning of Paul's
- accident before you got to your parents' house when
- you went to Paul's house to talk to him, you didn't

- 1 talk details, you just said, Hey, Paul, I need some
- help cutting up some brush at my parents' house, can
- Yes. Dave Never stopped 134 of Pasis the morning of 3 you give me a hand?
- 5 0 Okay. And he said yeah?
- Α He said yes.
- 7 Did you work on any arrangement where he 0
- 8 would get paid or was it just for him to volunteer?
- At that time there was no questions about Α
- 10 money.
- 11 Okay. What was your assumption then, if you Q
- 12 had any?
- 13 That maybe we can get the job done before the Α
- 14 day was over.
- 15 So all the limbs that you had already cut Q
- 16 that were on the ground, which you described as maybe
- 17 hundreds, hundreds in plural --
- 18 Α Mm-hmm, right.
- 19 -- you were hoping to at least get those all
- 20 cut up that day?
- 21 Α Yes.
- 22 Okay. And what was your assumption as far as
- 23 what, if anything, you were going to pay Paul, if you
- 24 were going to pay him anything? I don't know.

- A Equal to what I was being paid, \$15 an hour.
- 2 Q Oh, so your parents were going to pay now
- both of you \$15 an hour?
- A I was assuming that they would.
- Q Okay. Did they ever agree to before Paul's
- 6 accident?
- ⁷ A No.-
- Q Okay. Had you ever talked to Paul about that
- ⁹ arrangement before his accident?
- ¹⁰ A No.
- Q Okay. That was just your -- kind of your --
- 12 A Yeah, I was going to --
- Q Hold on. Hold on. Let me finish the
- question. That was just your kind of own assumption?
- A Yes.
- Q Okay. Did Paul leave with you to go to your
- parents' house or did he come at a different time in a
- different vehicle?
- A He came about a half-hour after I had asked
- him to in his vehicle. Could have been more.
- Q Okay.
- A Somewhere between a half-hour and an hour
- before he arrived.
- Q Fair enough. What time did you arrive at

Time?

- your parents' on the day of Paul's accident on the
- ² 28th?
- ³ A 10:00, 11:00 o'clock. Before noon.
- Q Okay.
- 5 A That's the best I can recollect.
- O Okay. And how long did you anticipate it was
- going to require both you two to cut up these trees as
- you said completely?
- A I have no --
- Q These limbs. I'm sorry.
- A I had no estimate in my mind or need to
- construct one. I just was going to work with a friend
- and get the job done.
- Q Okay. Were you expecting, though, that it
- would be done that day?
- A I was hoping. I wasn't expecting.
- Q Okay. Okay. So if you arrived from 10:00 to
- 11:00 sometime that day of Paul's accident, you're
- saying Paul would arrive somewhere around 10:30 to
- ²⁰ 11:30?
- ²¹ A Yes.
- Q And he arrived alone in his car?
- 23 A Yes. 7
- Q Okay. And we're going to have to use some

```
1
   kind of time frame that we can agree on even though
```

- 2 we're not sure just so that we can do the
- chronological order of things here. So if we assume
- that -- and, again, I know this is just an assumption
- but just for the purposes of figuring out when things ٠5
- . 6 happened, if we assume you arrived at 11:00 and Paul
- 7 arrived at 11:30, okay?
- 8 Α Mm-hmm.
- 9 Q All right?
- 10 Α Yes.
- 11 How soon after Paul arrived at 11:30 would 0
- 12 his accident have occurred?
- 2.46 pm Checked in To Hospital 13 Α I believe about an hour.
- So if he arrived at -- If Paul arrived at 14 0
- 15 11:30, his accident happened around 12:30; fair
- 16 enough?
- 17 Α Or if arriving at 10:30, the accident
- -wow- and he wasn't the one hart 18 happened at /1:30
- 19 I get it. I get it. We can do that, I'm
- 20 just -- I want to get the chronological time frame.
- 21 So if we assume you get there at 11:00, Paul got there
- 22 at 11:30, his accident happened around 12:30; fair
- 23 enough?
- 24

```
And when Paul's accident occurred, he

- was in the midst of helping you cut up these trees,
- right?
- Ά Yes.
- 5 Okay. Other than you and -- Were you also in
- 6 the midst of cutting down -- helping cut up the trees?
- Yes, I was -- Yes, when he showed up, I was Α
- already in the process of working,
- All right. So when Paul's accident occurred, Q
- 10 both of you were working together to cut up these
- 11 trees?
- 12 Yes. Α
- 13 Was anyone else working with you two? Q.
- 14 No. Α
- 15 Q Was anyone else watching you two?
- 16 No. -Α
- 17 Q Were your parents in or out of the house
- 18 during the time that Paul had arrived up to the time
- 19 of his injury?
- They were in the house. Lie- 35th were 20 Α
- 21 Okay. Do you know if your parents even knew Q
- 22 Paul was over?
- 23 Yes, they did because when I arrived I told Α
- 24 them that Paul would be coming over to help me.

```
Q Okay. And that's fine but that's not quite
```

- what I was asking. Do you know if your parents knew
- he was actually on the property at the time of the

- ⁶ property.

- Q How did they know that?
- Because his vehicle was parked outside and they could visually see that his vehicle was there.
- O Okay. And they can connect the dots; I get it.
- A They see him. Okay. Sorry.
- 13 Q I can't talk while you're talking. Let me --
 - A I know.
 - Q My question was, at the time of Paul's accident do you know if your parents were aware that he was on their property? Even they could have looked out and saw the car, I get it, but do you know if they were aware?
- A I don't know.
- Q Okay. Do you know anyone that was aware Paul
 was on your parents' property at the time of his
 accident other than you?
- 24 A No, I do not know.

```
Okay. Were there any visitors or witnesses
         Q
    to the work on the property at your parents' house for
2
   the hour Paul was there leading up and at the time of
   his accident?

Okay. So the only witnesses you're aware of Q 7 of the circumstances leading up to the accident and 8 Paul's accident itself, the only witnesses to that are you and Paul, right?

Correct. - Corollar Billing. 10

11 Okay. All right. Now, I've got to ask a few 12 questions that -- don't take it personally but these 13 are just questions we always ask in these depositions of witnesses, okay? So it's nothing against you, it's 14 15 just we always ask these.

And did you have to criticize him or 21 instruct him to do things differently because you were 22 not happy with the way Paul was doing his work leading 23 up to the time of his accident? 24

Devial aga

No, I gave no instruction basically to him.

Α

Dulberg 008003

- You left it up to him to do the best for him Q 2 and you did the best for you?
- We've worked well together in the past where There was no need for instructions. It was a mutual

Q So let's go step by step here. He got there. You were sorting branches. You mean putting them in piles?

Mo. They were already in a pile and as I had mentioned earlier, pine, when you cut it, it needs to be addressed or orientated. If you put branches like this, it's going to pull out unsafely. So if you stack them with the cut ends like this, you can easily pull them off one another.

- 5 Four feet. Α
- And were you going to be putting them on the Q

- 9 That's what Paul was going to do, remove them Α

- 11 Okay. So those are the 20 little branches

- 17 his head and you're cutting the horizontal branches
- 18 off of that branch? You're still doing that at the
- 19 time of his injury?
- 20 That's what we were doing at the time of the Α
- 21 injury.
- 22 Because you said you only did that for
- 23 20 minutes and then you did something and I thought
- 24 you were going to say you were doing something

TRUE

- differently. You were still doing that at the time of
- his injury, right?
- A We stopped as soon as he was injured.
- Q Okay. Let me ask it this way: Once Paul
- opted to hold the branches up with his left hand
- instead of using the sawhorses and you started cutting
- the limbs now off of that branch --
- A Yes.
- 9 Q -- and you said you did 25 to 30 of those
- 10 branches --
- A Yes.
- Q -- the last branch you did, is that the
- branch that Paul was holding when he was hurt?
- A Well, it was the last branch that we did
- because he did get hurt.
- Q That's what I just said.
- A Yeah, we just stopped.
- Q Let me say it again because I want --
- ¹⁹ A Yes, I agree.
- Q Let me say it again.
- A Okay.
- 22 Q You gave an estimate of like for 20 minutes
- you were cutting these horizontal limbs off of a
- branch that Paul was holding overhead, remember that?

- A Yes.
- 2 Q You said you did that for about 20 minutes.
- A Yes.
- 4 Q And you did 25 to 30 separate branches,
- 5 right? Right? Less than I win Per Branch?
- ⁶ A Estimating, yes.
- Okay. The last branch that you did in that
- fashion, is that the branch that Paul was holding when
- 9 he was cut?
- ¹⁰ A Yes.
- Oh, okay. Because this is why I was a little
- confused. You said at around 12:00, and I know we're
- just doing estimates on times, but you said around
- 12:00 you did -- for 20 minutes you cut those 25 to 30
- branches; so I thought there was something else you
- were doing then after that by the time Paul got hurt,
- but that 20 minutes is inclusive of the time of his
- injury then, right?
- 19 A Yes.
- Q Okay. So really the time frame you gave me
- from the time Paul arrived at 11:30 until his accident
- was more 50 minutes; does that sound about right?
- A It's really hard to recollect the time frame
- when it wasn't relative at the time. There was --

- Q I understand that.
- 2 Let me finish, please. There was no time
- 3 frame of getting the job done nor was I aware of the
- exact time that it happened because what was most
- 5 important at that time when it did happen was to get
- 6 him to the hospital.
- 7 wouldn't Let me in His Car Becass I understand.
- 8 And the only time that -- And the only time Α
- 9 that (I checked the clock is when we checked into the
- emergency room. 2:46pm So he knew the time to till thought 10
- TO the series Difference 11 I understand all that. Q
- 12 Α Okay.
- 13 That's not what my concern was. My concern
- 14 was you gave me an hour after Paul arrived is when his
- 15 accident occurred but the time line we gave was only
- 16 50 minutes by the time his accident occurred.
- 17 Α Did you say 50 minutes?
- 18 50. Q
- 19 Α Okay.
- 20 So I just want to make sure we're not missing 0
- 21 some other element of work that he was doing.
- 22 Α No. No, we're not.
- 23 0 Okay.
- 24 I'm going to object because he's been BARCH:

Both the 12-3 Difference?

- giving estimates all along, but go ahead.
- BY MR. MAST:
- O All right. So under the estimates of time
- that we're giving, Paul arrives around 11:30, you
- start the type of work that Paul is holding the trees
- oup by his left hand overhead as opposed to using the
- sawhorses around noon. You do that for about
- 8 20 minutes in your estimate and that's when he's
- injured, correct?
- 10 A Yes
- 11 Q All right. So that last branch that Paul was
- holding when he was injured, that's what I want to
- 13 talk about now. And that was a branch similar to the
- 25 or more before that, right --
- 15 A Yes.
- Q -- that you were cutting, correct?
- 17 A Yes.
- 18 Q And you had cut these branches 25 to 30 times
- without incident, without any problem, correct?
- 20 A Yes.
- Q And that Paul was holding the branches the
- same way in all those 25 to 30 times without incident,
- correct?
- 24 A Yes.

- Okay. And they were all being held over
- Paul's head if Paul's 5, 8, then they were probably
- what, maybe six and a half feet over his -- or six and
- 4 a half feet from the ground?
- 5 A They varied in amount of debris on each limb
- and height. As you go up a tree --
- ⁷ Q Okay.
- 8 A -- the lengths diminish.
- 9 O So sometimes Paul is holding the branch
- directly out?
- 11 A Deviating between four and Six --
- 12 Q You've got to let me finish my question, and
- you can answer in any way you want but at least let me
- 14 finish.
- So Paul might be holding some branches
- out directly out from his chest, some over his head
- just varying -- depending on height --
- ¹⁸ A Yes.
- 19 0 -- of the branch?
- A Yes. Yes.
- Okay. So anywhere from four feet off the
- ground he might be holding a branch to six and a half
- feet to maybe seven feet?
- A Normous six and a half feet win would say

- 2 Q Okay.
- Somewhere in and around just right here. 3 Α
- Fair enough. 4 0
- Yeah. Α

- So Paul is holding with his left arm -- or б left hand out from his body extending out the branch
- is from anywhere from four feet off the ground to five 8
- feet off the ground, correct? 9
- The point where he was clasping that 10 Α
- would be four to live feet above the ground. 11
- And then underneath where he's grasping is 12 Where you're out ing? 13
- 14 Correct. Α
- The first cut that you're going to make is 15 the highest off the ground is how far under his hand? 16
- foot and a half, foot. So it really 17 Α 18 depe- --
- All right. A foot and a half or a foot? 19
- May I finish? 20
- Well, it's going to be best if you just 21
- answer what I'm asking and not try to add on every 22
- 23 time.
- (Inaudible) sit here through that. 24 Α

A Yes.

9 Q Okay. And you are cutting the first cut

I'm asking you, based upon you being there and I wasn't there, was the branch that Paul was holding when he was injured different in any way that you can tell that you recall than any of the 25 to 30 branches he had held previously without incident?

- 19 Q Hold on. You answered it then. If you don't

the other 25 to 30 branches?

- Q Okay. And probably a similar number of -- a similar number of cuts off of this branch that Paul was holding when he was injured, you were going to have to make a similar number of cuts on that branch as to the other 25 to 30 branches you were cutting?

- A No, it's not the description of what was

- So you're saying after the accident in Okay. October of 2011, we're talking maybe about four months after the accident, Paul helped you on one day five to

- MR. BARCH: Yeah.
- MR. MAST: Yeah, so we should be fine.
- MR. CALLAHAN: Yeah, during the break Mr. Mast

- 1 A No. My mother. Just back to my mother.
- O Oh, and you might have -- You know what?
- This isn't a big deal, but I think in terms of just
- being all-inclusive, you did -- I printed out what my
- 5 assistant wrote down from a recorded statement that
- you knew I was taking over the phone of you, correct?
- ⁷ A Yes.
- Q Did you read this at all?
- ⁹ A That one I -- Yeah.
- 10 O Huh?
- ¹¹ A Yeah.
- 12 O This is the narrative from the recorded
- statement that she took down and I'm assuming she took
- it down right. I didn't go and read it and listen to
- ¹⁵ it.
- 16 A Yeah, I had a few blanks in there and such
- that, you know ...
- 18 Q Well, hold on. The question is --
- 19 A Yeah.
- 20 Q And I'll mark this as Exhibit 2, okay, and
- 21 I'll just put a 2 for now. But would you agree
- that -- and I know you didn't listen to the recording
- so I understand that, but would you agree that reading
- this narrative marked as Exhibit 2 accurately states

- what you would have said on that phone call to me?
- MR. CALLAHAN: I'd just object to the form of the
- question and as to the number of variables with the
- 4 recording and with the transcription of the process
- itself, including some of the language in the
- transcript and ask him if he could -- I think it's
- better if this would be pointed out page by page or --
- excuse me -- line by line more or less if he's
- ⁹ agreeing with that.
- MR. MAST: I can do that. Yeah. Joe, I'm just
- trying to make it easy.
- MR. CALLAHAN: Yeah.
- BY MR. MAST:
- Q Let me put it this way: Have you read this
- narrative from your recorded statement?
- A Yes.
- 17 Q Is there anything in the narrative -- and
- 18 I'll let you read it again if you need to, is there
- anything in this narrative, Exhibit 2, that you
- believe you did not say that's attributed to you?
- MR. BARCH: Form of the question, but go ahead.
- BY MR. MAST:
- Q Here, I'll give it to you again. Just read
- it through. I don't want to go through line by line

- 1 unless you want to but basically I'm asking you, did
- 2 you say those words and is this --
- This besides the blanks that are there --Α
- Yeah, besides the blanks. Q
- Α -- yeah.
- 6 Okay. All right. Q
- MR. CALLAHAN: And I'd just point out too that 8 there seems to be -- like if you read that thing in 9 total, there are eight parts where the subject and 10 verb don't agree, there's parts where it goes on, it 11 doesn't make sense and that also has to be considered 12 as well as to the totality of the accuracy and the candor of the statement. - Davids Testingly in the 2 13 Dep Borest make Souse 50 14 fits his "Character"
- 15 This is my question, and again I know 0 Okay. 16 you didn't compare the audio to that statement; but 17 you read that statement and all I'm asking is, you 18 generally recall giving me a statement over the phone, 19 right?
- 20 Yes, I do. Α

BY MR. MAST:

14

21 O And does that generally, and again we can 22 listen to it to find out specifically what it says; 23 but does that generally meet with your recollection of 24 what you said?

- A Yes.
- Q Okay. And that's Exhibit 2, correct?
- 3 A Yes.
- 4 Q All right. Again, it is what it is. Let's
- 5 put Exhibit 2 on here so we can keep track of these
- 6 things. Okay.
- 7 Now --
- MR. MAST: Oh, I didn't put this on the record.
- ⁹ I'd like to put this on the record. I don't have
- answers today of interrogatories, nor I don't think
- this response is to my production request. Let me
- just see. No, this response to the production request
- is to codefendants' response. So I don't have that
- discovery, nor answers to interrogatories to my
- discovery. I'm assuming nothing is going to be crazy
- or different than what went over today but to the
- extent it does, I'm going to reserve my right to the
- extent I need to, but let's just mark this as
- Exhibit 3.
- BY MR. MAST:
- Q And what Exhibit 3 is, is what I was given
- today right before the deposition are, Mr. Gagnon,
- your answers to codefendants' interrogatories and
- response to production request. Nothing that you need

- to concern yourself to other than I will ask you
- 2 Exhibit 3, is this your signed answers to
- interrogatories that you're giving in this case?
- A Yes, I received this in the mail and answered
- 5 those questions as they are printed.
- ⁶ Q And you signed it verifying these are your
- true and correct answers, correct?
- ⁸ A Yes.
- 9 MR. BARCH: Do you have a signed version? I
- don't have a signed one.
- MR. MAST: Yeah, it's signed.
- 12 BY MR. MAST:
- Q All right. Has -- I think defense counsel
- already answered this, but I just want to make sure
- that you haven't heard anything that your defense
- counsel hasn't heard -- has your homeowners insurance
- rejected or reserved their right for coverage in this
- case at all, to your knowledge?
- MR. CALLAHAN: I'd just object, it may call for
- privileged conversation and I object as to it may call
- for conversations with insurance company but -- and I
- can answer as far as I know, there's been no rejection
- of anything, and I'll make that stipulation --
- MR. MAST: I'll accept your answer then; that's

- 24 Q Okay. Since you only met or spoke with Paul

- ⁵ A No, I'm not.
- Q Is that fair enough?
- 7 A That's fair.
- ⁸ Q Okay. So what limitations or the severity of

Yeah, I met your friend Paul. You know, he helped me tear out the dry in my basement and stuff and then I was like, oh, And I asked him if he would testify and he really?
