Dear Mr. Dulberg,

Yes, I will go back and amend those transcripts you've listed. However, depending on my court schedule, I might not be able to do that until Monday. When I do email you the amended transcripts, I will also file those amended transcripts.

I appreciate you listing the dates as that will make much easier for me to locate those transcripts.

Sincerely,

Heather Hartwig

Dear Heather Hartwig,

Thank you in advance for making the 12/7/2021 certification page consistent with the other transcripts in case 17LA377.

You asked if I had other questions, I have just one.

Any chance you can make the transcripts you produced in 12LA178 consistent as well since the two cases (12LA178 & 17LA377) are forever linked due to the case within a case nature of legal malpractice suits and because all the 12LA178 transcripts produced by other CRS CSR's also have the license number on the certification pages?

12LA178, dates listed below:

January 30, 2013

August 14, 2013

April 16, 2014

February 4, 2016

May 13, 2015

Thank you again,
Paul

Dear Mr. Dulberg,

I am not conceding that I made a mistake by not including my license number on my electronic transcript I provided to you.

After consideration, though, for consistency of your transcripts in this particular case, 17 LA 377, I have amended the transcript of 12/7/21 to include my license number on the transcript. I will be filing the amended transcript.

If you have any other questions, please email me back.

Sincerely,

Heather Hartwig

Dear Heather Hartwig,

I noticed your CSR license number is missing from the certification page.

Please take whatever steps are legally necessary to amend and affix a new certification page with your license number and signature.

Thank You,
Paul

Dear Paul,

I am attaching to this email your 12/7/21 transcript you requested.

I also will sending you a small refund back onto the card you used to pay the PayPal invoice, as the transcript was a little shorter than I had estimated.

Have a nice weekend.

Sincerely,

Heather Hartwig
