Subject: [EXTERNAL] Request for basic information

Dear Dan Wallis,

This is a request for a list of names along with their official position and primary duties for each of the personnel employed by the 22nd judicial circuit.

This request is for full time and part time employees and should indicate each employees official position, primary and secondary responsibilities and who the employees direct and indirect supervisor is.

I am only looking for employees names and positions that would fall under the Judicial Branch.

I would appreciate this list in PDF format.

Please advise on the estimated time to compile the list and the reasons for any costs associated with it and where to pay.

If you have any questions I can be reached at the contact information listed below.

Thank you,
Paul
