Subject: **Bad night**

Hans,

Last evening I was in the hospital with the most severe migraine I've ever had.

This morning I filed for bankruptcy with David Stretch.

This afternoon I spent with my regular physician Dr Zaide doing a follow up from yesterday.

And right now, I have to email you. All when I still have a slight residual headache and should be in bed.

At first I thought the migraine was brought on by the medications I'm taking but it wasn't, it was brought on after our discussions. Now I can't prove that but it seems pretty obvious to me. Joke no pun intended there!

That migraine made me realize I need the stress of this situation over with. All the stress on top of losing everything is too much and I'd rather live than die from it all before my body does something worse.

My body is not reacting well and the migraines are getting more frequent and worse. Have you ever vomited at the same time as defecating while being in some of the most excruciating pain in your life?

If not, neither did I till the chainsaw went through my arm. That's when the migraines became more frequent, stronger and faster coming on. And now for the first time during the day.

Ever since I awoke this morning, all I can I think is the stress of it all is killing me more and more as the reality sets in and I just can't afford to care about it anymore.

My health means more than some lawsuits and the lure of money.

All because some idiot named David Gagnon forgot to tell me to move out of the way and he can't seem to admit it.

Yes, after reading his deposition and hearing it was my fault I was pissed.

In my anger I suspected all sorts of things. Including it being intentional especially after my discussions at his home only trying to get his homeowners policy number and him wanting money and threatening me for it.

Yes, my arm and elbow were hurt from his stupidity irregardless if some dr can link the two together or not.

Yes, there will be ongoing medical as a result of all this because it still hurts and doesn't work right.

Yes, I am now disabled irregardless of what SSDI appeal goes because of this.

Yes, I understand I'm screwed because of a system that allows one person to hurt another and even after a trial and judgement entered all they have to do is go file for bankruptcy in the same courthouse on the same day.

Yes, it just took me almost an hour just to type this.

Yes, yes, yes...

but none of it matters anymore!

Bottom line Hans... Do the best you can with what you got, I've got nothing more to lose or give. I need it all to just go away.

Paul
