Subject : Baudin case court date tomorrow

Dear Mr Talarico,

My calendar sent me a notification of the court date tomorrow in the Otto court over ADR's motion.

My understanding from our earlier conversations is the appellate court has jurisdiction and not the Otto court dating back to when we first filed the notice of appeal.

My concern is that if we don't respond and we don't appear the same thing will happen as did with the earlier ADR motion for clarification and the Otto court will find in favor of ADR and somehow we end up bound to orders issued by a court with no jurisdiction.

It's all very confusing and I know your super busy so when it's convenient email back with what we are doing about the court date tomorrow.

Thanks
Paul
