Good Morning Mr Talerico,

I haven't seen the new agreement yet.

As soon as you send it I will sign it and email it back.

Paul

Also, Can I sign the agreement and scan it in and send it back to you via email or do I need to visit your office and sign it there?

Dear Mr Talerico,

I have received the attorney-client agreement and am reviewing it.

I understand that you will set up a trust account with the \$7500 I already gave to you and that I need to give you \$2500 more.

How do I go about putting more money in the trust account within 7 days of your use of the funds?

Do I just mail a check made out to you or is there a simple way to set up a direct deposit of sorts straight from my checking account?

I fear that to use the US mail system to send a check may take more than 7 days at times.

Please forward instructions on the fastest and easiest way to keep the funds at the level you request in the agreement.

Thank you,  
Paul
