Dear Mr Talerico,

First, Thank you for appearing today.

Second, Do I need to order up a transcript of todays hearing to ensure Mr Flynn gets the order correct?

Third, what can I do to help you sort out the 8707 documents that we need to address as well as the July mast interrogatory question #1

Fourth, I don't know if I covered everything above that was said today so please feel free to let me know what needs to be done and if I missed anything.

Thank you again for your help today, it is much appreciated,  
Paul
