Dear Mr Talarico,

The new numbering is much easier to follow.

I only have a one comment below:

1. I noticed there is a page break between points 1) and 2) there is a whole line spacing between points 4), 5) and 6) of the 6 main points but there does not seem to be the same whole line spacing between 2), 3) and 4).

Thats all I have, otherwise everything appears accurate and should be good to go.

Please forward me a copy of the finished response with attachments for my records after you send it out.

Side Note:

My brother Tom Kost is stopping by your office this morning to drop off 3 checks of \$4,000.00 each totaling \$12,000.00.

Please confirm for me in an email that you receive the checks.

Thank You,  
Paul
