Subject : Trust finalized
Dear Mr Talarico,

Please take note that the Trust I spoke with you about is finalized.

This current case and any future action that arises from it are protected should I become incapacitated or pass.

The trustee/person you will need to contact should anything happen to me is:

Thomas W. Kost
423 Dempster St.
Mt. Prospect IL 60056
United States

(847) 439-2198
tkost999@gmail.com

I did this to make sure both this case and your representation can move forward without skipping a beat should anything drastic happen to me.

Thank you,

Paul
