These are the 2 documents I sent to you a few times before the Mast deposition to give to the Clinton law firm.

These are the questions that we asked her to ask Mast. These can be compared to the questions she actually asked Mast, especially regarding the November 20 2013 meeting.

We gave her the correct questions and she intentionally went around our questions about the meeting.

I have written a text file called "history_behind_exhibit_12". It is attached.

I think it is important to understand these points when talking with Alphonse. He doesn't understand the history of what Williams and Flynn are really doing with exhibit 12 and why. This document explains it.

In order to truly understand the history behind exhibit 12, it is important to read and understand the following 6 documents:

The first 4 were sent to Julia Williams around July 10, 2019

The next 2 were given to Julia Williams and Ed Clinton just before Mast's deposition and these same points were discussed in a telephone conference which included Ed Clinton, Julia Williams, Paul Dulberg and Thomas Kost a few days before the Mast deposition around June 20, 2020:

Why these 6 documents are important is explained in the document 'history of exhibit 12'.

I already attached the last 2 earlier in this email chain. I am attaching the first 4 documents to this email.
