Updated with where to find the source of each version of the exhibit within the Clinton case file - Dulberg Master File and another question.

2013-10-01 9:00 AM Levin EXHIBIT NO. 1  
KAREN FAITH LEVIN, M.D.  
CURRICULUM VITAE

(Dulberg 000367 - Dulberg 000368) - Tare  
(Dulberg 005308 - Dulberg 005309) - No Tare

Duplicates:

(Dulberg 000367 - Dulberg 000368) (Dulberg 003280 - Dulberg 003281) - Tare  
(Dulberg 005308 - Dulberg 005309) - No Tare

(Notes:

- This is not in the Popovich documents.
- This was not attached to the deposition.
- "Tare" and "No Tare" refer to the Exhibit sticker. One has a tare and the other does not.
- The Bates numbers marked "Tare" come from the Baudin files and before that the neat and orderly Brown Jacket File picked up from the Popovich office on 8/17/2015.
- The Bates numbers marked "No Tare" come from the Mixed Brown Box File Balke picked up from Mast in late March or early April of 2015 and I picked up at the Donahue Office on 7/16/2015 left by Balke.
- "Tare" Source: Dulberg Master File\Dulberg Gooch File\Dulberg UNDERLYING CASE DOCS\Files From Baudin's Office\Special Damages\Curriculum Vitae Karen Faith Levin Exhibit 1.pdf
- "No Tare" Source: Dulberg Master File\Dulberg Gooch File\Dulberg Paul Dulberg Files From Client\TJP & Attorney Documents\Associated Neurology Letter to Mast From Dr. Levin with Docs.pdf (Pages 6-7)
- Question's are;
- 1. How did Popovich get this exhibit and turn it over twice in 2015 if Popovich never ordered the Medical depositions and did not have it to turn over in May of 2019?
- 2. Did Freeman take the Exhibit home after the deposition?
- 3. Does the court reporter have the exhibit?
- 4. Is it possible this was actually mailed to Mast from Dr Levin with the response for the subpoena for medical records?
- 5. Is it possible this came from either Barch or Accardo with the responses to their subpoena's for medical records?
- 6. Is it possible Dr Levin brought this to the deposition?)
