Think this is this the report of proceeding that email is referring to?

It seems to fit the response to Flynn's request of what to tell the judge

Not yet.

I could not locate that Report of Proceeding you called about because the Clerk's file is day filed not date of report of proceedings.

I will look for that email as I continue to draft.

Dear Mr Talarico,

I cannot find the attached email chain in Julia Williams response to the subpoena.

Am I just not seeing it?

Please let me know if you found it in her response.

Julia: I just received your notice of attorney lien
