I (we) do not owe anything. I paid the \$507.00

Your reimbursement to me should be increased by \$130.00 as, at the time I sent you his invoices the group sent separately to me and forwarded separately to you did not contain the last two chronological invoices totalling an additional \$130.00. I paid all outstanding invoices to date totalling \$507.00 but did not request the additional \$130.00 as I did not have those two invoices.

I paid a total of \$507.00 to Gazelle but your last reimbursement to me did not contain the additional invoices .

I (we) do not owe Gazelle anything, but the reimbursement of \$130.00 (to me/not Gazelle) would be appreciated.

Thank you,
Alphonse A. Talarico

Dear Mr Talarico,

The phrase used by Gizel "This is a friendly reminder to let you know that one or more of your balances are more than 30 days past due." Cannot be correct because when I click the link provided and pull up the statement (which I attached to this email) it shows a Total of \$507.00, Amount Paid \$507.00 and a Balance due of \$0.00.

Am I missing something, are we 30 days past due, and do I still owe money?

Thanks,
Paul
