Subject : Re: Review and approve your Signature to notice of appeal

I have read the attached Notice of Appeal and I approve of everything with one exception; The date of discovery is not October 22, 2022. It is October 28, 2022.

Once that is fixed I approve of having my signature attached. Thanks.

Tom,

We added language that I believe addresses your earlier email.

Please take a moment and review and approve your signature on page 2 by emailing something back approving the addition of your signature.

I believe Mr Talarico still has more to fill out on pages 3-4

Paul
