**Subject : i am working on your legal matters.**

With all due respect, I have been up since 4 am after a similar day yesterday and before to get the Request to Prepare the Record on Appeal and the Docketing Statemen which I hope to file tonight.

I am going to eat some breakfast now and do the required filing.

Every time you call and every time you email ( how many times today? I have to start over to make sure it is done correctly.

I have represented you for many years now and the only times you don't get a call back is when I am in the hospital...

I know you like to send me something and call me to see if I have gotten it, which is a way to check if I am working.

I am sorry our relationship has changed but I am secure in my always giving you much more than...

To now, at the 11<sup>th</sup> hour to accuse the Appellate Court of potential nefarious activity is probably counter-productive.

After I draft and file the emergency motion I will take a few days off to think about how I am failing your image of the attorney who represents your family.

Best we talk after all your legal activity is filed and I get some sleep.

Sincerely,

Alphonse A. Talarico Esq.
