My email was in response to the E-mail chain regarding when I was cut off by Judge on December 4, 2023.

I did not order a reporter to save money on a day I did not believe the Judge would rule in Defendants favor.

By ruling with prejudice the Court was taking the position that no set of facts could establish an Illinois cause of Action.

I was cut off in at least one and maybe two mid sentences and creating a Bystanders' report should be done.

Thank you,

Mr Talarico told Mr Kost by telephone about what happened in court. He said:

Judge cut Talarico off when Talarico asked to take to judicial notice.

Judge cut off. asked Talarico to case law example.

She said, do you know standard of proof of eminent domain in tif area? He said "clear and convincing".
