As I mentioned on the phone, I am interested in retaining your law firm to represent me in a case of which you are already familiar.

In addition to the Complaint at Law that I have already drafted and which you already possess, I have email chains which are a record of communication between myself and the clerk of the Village of Mount Prospect, between myself and the corporation Esri (map makers), between myself and all Mount Prospect Trustees, between myself and the legal department of Mount Prospect village hall, and a few more to boot.

I am interested in an agreement in which I am named as being able to speak in court, just as you have with Paul Dulberg (though i will not communicate without consulting with you first).

I am intimately aware of all details of the Dulberg case.

Though we have never met or communicated before, I have learned to trust your judgment through experience and will not go around you in dealing with other parties.

A little bit about my background. I have an undergraduate degree in engineering-physics from the University of Illinois, Champaign/Urbana and a master degree in theoretical physics. Both I and my brother are capable of researching a wide variety of subjects, both technical and legal, and so you will never be left alone to do our work for us. If there is anything you need researched, we will do it and start immediately.

My phone number is (847)439-2198.

I cannot speak for Paul, but in these cases it is simply not possible that we give up and grow tired of the legal challenges and wish to settle in any premature way. We are already involved 100% and neither of us feel tired or weary from the pressure. We also have the financial resources to back you.

Thanks.

Alphonse,

The attached draft of the complaint is the most up to date version with typos fixed.

Please ignore any previous version and refer to this version instead.

(two lines removed, typos fixed)

Thanks

The agreement is fine. How should I get it back to you? I can drive to your office and drop it off to speed up the process. If you want a check dropped off, that is fine, too.

I've been writing checks for sums of \$4,000.00 so far. We can keep doing that if you want. I can write groups of checks, each of which is no more than \$4,000.00.

Thanks.

Dear Thomas W. Kost
Thank you for your confidence in my ability.
Please email the signed agreement and mail the agreement with the checks to my office.
You may continue in the amounts as before.
Thank you
Alphonse A Talarico
