

ATTORNEY-CLIENT RETAINER AGREEMENT
ADVANCE FEE RETAINER

This is an Agreement you, Paul R. Dulberg of 4606 Haydew Court, McHenry, Illinois, and I, THOMAS W. GOOCH, of THE LAW OFFICES OF GAUTHIER and GOOCH, have made this 16th day of December, 2016.

1. **ENGAGEMENT AGREEMENT** - You agree to retain and engage me to represent you in relation to a certain matter relating to an excessive fees case against Thomas J. Popovich, the Law Offices of Thomas J. Popovich, P.C., and his nominees, you authorize me to appear in any lawsuit which may be filed in this matter, to enter into discussions toward settlement or compromise of any such litigation, or to proceed as I deem advisable with your approval.

2. This matter is being accepted with an advance payment retainer of \$10,000.00 the receipt of which is hereby acknowledged. CLIENT, Paul A. Dulberg, understands that no work will be performed on their behalf until the retainer is paid in full.

Upon receipt of payment, the retainer funds shall become the property of Gauthier & Gooch and will not be deposited into a client trust account. The retainer funds shall be deposited into the Gauthier & Gooch general account where it will be used to pay expenses. Gauthier & Gooch recommends and sets advance payment retainers as opposed to security retainers for the reason that Gauthier & Gooch sets the amount of the advance payment retainer predicated upon the initial necessities of the case and further because of prospective economic advantage to the client. Gauthier & Gooch believes that the use of an advance payment retainer is advantageous to a client in that it secures Gauthier & Gooch's representation through the use of funds which, once paid, secure representation to the conclusion of the matter. A security retainer is one where the money received from a client is held in a trust account or escrow account for the client with fees billed as earned or incurred against the account. Such funds remain the property of the client until earned, and are not beyond the reach of the client's creditors.

Notwithstanding that this is an advance payment retainer, any unused or unbilled portion of this advance payment retainer will be returned to the client.

The initial retainer shall be applied against actual legal services performed for the CLIENT. The advance payment retainer, and any other payment made by or on behalf of CLIENT in excess of any outstanding balance due COUNSEL, shall be considered the property of COUNSEL, subject to any refund due CLIENT as provided under Article VII of this Section, and shall be deposited into COUNSEL'S general account. The

actual legal services performed for the CLIENT shall include all time spent by COUNSEL for CLIENT concerning this matter, excluding the initial interview.

3. **BILLING AND FEE BASIS** - My fee is based upon the amount recovered on your behalf. My fee is **25%** of the gross amount recovered, **LESS THE RETAINER PAID**. You will also be billed for all necessary costs and expenses incurred on your behalf and you will be called upon to pay for necessary costs and expenses in advance. Reasonable costs and expenses, include but are not limited to, both testifying expert fees and consulting (non-testifying) expert fees, filing costs, service of process costs, deposition costs, and other costs attendant with court filings, court appearances and appearances in the prosecution and/or settlement of this case. You will also be billed for all necessary costs and expenses incurred on your behalf and you may be called upon from time to time to pay for necessary costs and expenses in advance. Reasonable costs and expenses can include but are not limited to: both testifying experts and consulting (non-testifying) experts expert fees, filing costs, service of process cost, deposition costs and other costs incurred with court filings, court appearances and appearances in the prosecution and/or settlement of this case.

4. I will from time to time seek the assistance of other professionals and staff at our office as I deem appropriate for the most effective and efficient handling of your case.

5. **NO RESULTS PREDICTED** - I have not made any warranties or representations. Nor have I given you any assurances as to the ultimately favorable or successful resolution of your claim or defense of the action referred to above, nor as to the favorable outcome of any legal action that may be filed. All of my expressions relative to your case are only my opinion based upon all facts presented to me at the time that opinion is offered.

6. **PAYMENT BY OPPOSING PARTY** - The court may order your adversary to pay part or all of your attorneys' fees and costs. Such awards are totally unpredictable. You will remain primarily liable for such payment of the total fee and costs. Any amount received pursuant to court order will be credited to your account or refunded to you if I have already been paid in full.

7. **SETTLEMENT** - I will not make any settlement of your case without your consent, nor will any proceedings be filed in court without your prior knowledge and consent unless necessary to protect your interests on an emergency basis.

Agreed this 16th Day of December 2016

Hi Brad,

Yesterday Saul Ferris office called and said they just received back the packet they mistakenly sent to Hans Mast at Popovich law firm.
In it is the pretrial settlement memo you wanted to see.
There is also the printed depositions of both the homeowners, the defendant and myself.
I picked these up this morning.
Let me know how to get these to you.

Thank you,
Paul

health care provider, medical provider, medical supplier, Medicare or Medicaid. If any subrogation claims, liens or rights to payment of any kind against these settlement proceeds do in fact exist, the undersigned shall distribute these funds in accord with such claims, liens or rights to payment (or shall direct his/her attorney to do so). The undersigned agrees to indemnify, defend and hold harmless the parties released for any and all losses, claims, demands or causes of action, and any damages, judgments, fees, expenses, costs (including interest) of any nature whatsoever paid and incurred as a result of any breach of these agreements and covenants. To Whom It May Concern:

I am writing at the request of my patient, Mr. Paul Dulberg, after our most recent clinic visit on 11/11/16. During that visit, we discussed at length the IME from Dr. Craig Phillips at the Illinois Bone & Joint Institute completed on 10/4/16. Dr. Phillips wrote a very detailed, elegant and comprehensive review of Mr. Dulberg's orthopedic injury that occurred on June 2011. However, I was rather surprised and shocked at the paucity of neurologic input into Mr. Dulberg's evaluation.

A Movement Disorders neurologist, like myself, practices in a highly subspecialized field that includes Tourettes syndrome, Parkinsons disease, Essential tremor, and Mr. Dulberg's condition of dystonia. I completed an additional 2-year fellowship program at Rush Medical Center in Chicago, after my 4-year neurologic resident training period, and have been practicing exclusively in this field for the past 17 years. I do not know Dr. (?Karen) Levin, from the Associates of Neurology, but I can assume this physician is a general neurologist.

Dystonia is a rare neurological disorder, and can be easily missed by any physician who does not have the specific training or experience to recognize its symptoms. Therefore I ask that this information be considered in Mr. Dulberg's case.

Sincerely,

INITIAL HERE

To procure payment of the said sum, I hereby declare: that I am more than 18 years of age; that no representations about the nature and extent of said injuries, disabilities or damages made by any physician, attorney or agent of any party hereby release, nor any representations regarding the nature and extent of legal liability or financial responsibility of any of the parties release, have induced me to make this settlement; that in determining said sum there has been taken into consideration not only the ascertained injuries, disabilities and damages, but also the possibility that the injuries sustained may be permanent and progressive and recovery therefrom uncertain and indefinite, so that consequences not now anticipated may result from the said accident.

I hereby agree that, as a further consideration and inducement for this compromise settlement, that it shall apply to all unknown and unanticipated injuries and damages resulting from said accident, casualty or event, as well as to those now disclosed.

I further understand that as I admit no liability of any sort by reason of said accident and that said payments and settlements in compromise is made to terminate further controversy respecting all claims for damages that I have heretofore asserted or that I or my personal representatives might hereafter assert because of said accident.

I further understand that as I may or shall have incurred, directly or indirectly, in connection with or for damages arising out of the accident to each person or organization, release and discharge of liability herein, and to any other person or organization, is expressly reserved to each of them, such liability not being waived, agreed upon, discharged nor settled by the release.

The undersigned covenants and warrants that all such claims, liens, payment obligations and assignments have been disclosed in writing to the parties released prior to settlement. The undersigned agrees to indemnify, defend and hold harmless the parties released for any and all losses, claims, demands or causes of action, and any damages, judgments, fees, expenses, costs (including interest) of any nature whatsoever paid and incurred as a result of any breach of these warranties and covenants. The undersigned understands and agrees that the parties released have relied on these material representations as part of the consideration and inducement for this settlement.

The undersigned understands and agrees that such liability as he/she may or shall have incurred, arising now or in the future, as a result of health care services provided to the undersigned, including any health care lien, statutory or otherwise, is expressly reserved to each and every health care provider or payor based on such services, such liability not being in any way waived, agreed upon, discharged, released or settled or impacted in anyway, by this release. To Whom It May Concern:

I am writing at the request of my patient, Mr. Paul Dulberg, after our most recent clinic visit on 11/11/16. During that visit, we discussed at length the IME from Dr. Craig Phillips at the Illinois Bone & Joint Institute completed on 10/4/16. Dr. Phillips wrote a very detailed, elegant and comprehensive review of Mr. Dulberg's orthopedic injury that occurred on June 2011. However, I was rather surprised and shocked at the paucity of neurologic input into Mr. Dulberg's evaluation.

A Movement Disorders neurologist, like myself, practices in a highly subspecialized field that includes Tourettes syndrome, Parkinsons disease, Essential tremor, and Mr. Dulberg's condition of dystonia. I completed an additional 2-year fellowship program at Rush Medical Center in Chicago, after my 4-year neurologic resident training period, and have been practicing exclusively in this field for the past 17 years. I do not know Dr. (?Karen) Levin, from the Associates of Neurology, but I can assume this physician is a general neurologist.

Dystonia is a rare neurological disorder, and can be easily missed by any physician who does not have the specific training or experience to recognize its symptoms. Therefore I ask that this information be considered in Mr. Dulberg's case.

Sincerely,

Hi Brad,

Yesterday Saul Ferris office called and said they just received back the packet they mistakenly sent to Hans Mast at Popovich law firm.
In it is the pretrial settlement memo you wanted to see.
There is also the printed depositions of both the homeowners, the defendant and myself.
I picked these up this morning.
Let me know how to get these to you.

Thank you,
Paul

RE. Patient: Dulberg, Paul
DOB: 03/19/1970
Address: 4606 Hayden Court
McHenry, IL 60051

Patient ID: 315684

To Whom It May Concern:

I am writing at the request of my patient, Mr. Paul Dulberg, after our most recent clinic visit on 11/11/16. During that visit, we discussed at length the IME from Dr. Craig Phillips at the Illinois Bone & Joint Institute completed on 10/4/16. Dr. Phillips wrote a very detailed, elegant and comprehensive review of Mr. Dulberg's orthopedic injury that occurred on June 2011. However, I was rather surprised and shocked at the paucity of neurologic input into Mr. Dulberg's evaluation.

A Movement Disorders neurologist, like myself, practices in a highly subspecialized field that includes Tourettes syndrome, Parkinsons disease, Essential tremor, and Mr. Dulberg's condition of dystonia. I completed an additional 2-year fellowship program at Rush Medical Center in Chicago, after my 4-year neurologic resident training period, and have been practicing exclusively in this field for the past 17 years. I do not know Dr. (?Karen) Levin, from the Associates of Neurology, but I can assume this physician is a general neurologist.

Dystonia is a rare neurological disorder, and can be easily missed by any physician who does not have the specific training or experience to recognize its symptoms. Therefore I ask that this information be considered in Mr. Dulberg's case.

Sincerely,

Hi Hans,

Received a call yesterday from your secretary concerning Mike Thomas. I'm not really sure what she was asking. Something about treating him as a hostile witness or something?

Give me a call.

Hi Hans,

Please find the attached .jpg's. They were taken this afternoon. It is hard to get a picture of the whole scar in one shot because it wraps around my arm. Hopefully these help. I can take more if these don't work.

I have a Dr.'s appointment this friday and will let you know what happens.

Thanks for all your help with this matter.

Thanks for the update. When you are better call my assistant Sheila to schedule another preparation meeting. You are a nice person, but in law, nice people finish last. You need to think a lot about coming in with a more laid back and non-responsive approach. The more you talk in a deposition, the more you are losing the case. I think I want to be more strict with you on the "5 words" rule, and have you get comfortable with not exceeding 5 words in any answer. I'm gonna ask a lot of you, but you need to do this in order to maximize your recovery in the case.

Here are some thoughts and examples of how you need to testify:

Best 3 responses: "Yes" "No" or "I don't know"

Otherwise, answer only that which is asked - no more

If asked for your name - give your name, not anything more (ie. Address...date of birth..)

Give answers 5 or less words in length

Don't use "because" or ever explain your answers.

If asked to explain, say only what is necessary in 5 words or less

Remember, your purpose is not to make sure the other attorney understands what you are saying. This is not your concern. If the attorney does not understand you, it is HIS job to ask the questions to make him understand. Your only purpose is to answer questions. Therefore, you should not be concerned if the attorney is not understanding you. Therefore, do not worry about explaining yourself in the best most understanding way. Just simply answer the questions.

Do NOT speculate about anything. If you do not know something, say so - Don't guess!

The more you talk, the more information you are giving to be used later against you - it doesn't matter if you think you are saying things to help your case since the more information you give the more the attorney will ask questions and delve into matters that may not otherwise come up - ultimately obtaining information that could be damaging to your case.

Your job at the deposition is only to answer the questions asked of you

Your purpose at the deposition is NOT to explain, convince, argue or otherwise defend your case. If the attorney questioning you does not seem to understand something about your case, TOO BAD. Unless asked a specific question on a matter, you are not to explain or clarify things voluntarily.

The attorney's job is to disbelieve you. Don't think you will convince him/her to change his mind. Don't worry about this.

EXAMPLES

Q: How did your accident happen?

BAD RESPONSE: I was walking out of the store and I wanted to get to the car so I walked down the sidewalk and didn't see anything until after I fell.

GOOD RESPONSE: I was walking down the sidewalk.

REASONING: You were not asked what you were intending to do or what you were thinking.

QUESTION: Did you miss any work due to the accident?

BAD RESPONSE: Yes, I did not go back to work for 2 weeks and lost about \$800.

GOOD RESPONSE: Yes.

REASONING: You were not asked how long you missed from work or how much income you lost. Therefore, don't volunteer this info.

QUESTION: Were you injured in the accident?

BAD RESPONSE: Yes, I hurt my head, back and neck.

GOOD RESPONSE: Yes

Get the idea? If not, we can discuss any questions you have. Please call.

Thanks Paul

Hi Hans,

Just wanted to say its a good thing we rescheduled the deposition because I'm simply not doing well today at all after having the hemroids removed yesterday. I wouldn't have been able to make it in today at all and from what the surgeon said, I wont be able to walk or sit very well for 3 to 5 days. Let me know when you want to do another practice session but its probably best to do anytime after this weekend.

Thanks for all your help,

Hi Janet,

I met with Dr. Sagerman (hand and arm surgeon) for a follow up on Monday for both my right and left arms. He scheduled another follow up in March and prescribed more physical therapy.

I mentioned a new issue I had to Dr. Sagerman, (hemroids) that I first noticed on Saturday and asked him where I should go. He sent me to Dr. Rosenova an internist. Dr. Rosenovas office had me come in the same day. Dr. Rosenova took one look and sent me to Dr. Daniel Conway a general surgeon to have it removed ASAP.

Dr. Conway took one look and surgically removed the hemroid right there on the spot. I have a follow up with Dr. Conway on February 13th.

I was told by the dr's that hemroids can happen at any age however it usually doesn't happen till after 50 years of age. One of the things that may cause it earlier that seemed to hit home with me as to the cause is stress. With everything I've been through stress makes the most sense to me. Hemroids hurt bad and it's going to take me a few days to recuperate. It hurts to walk, sit, stand, etc...

On another note, I missed my appointment at rosecrance earlier this month because I had a bad neck day and didn't get out of bed all day. I rescheduled with them and will be meeting with them again in February.

I have those forms from SSDI and am going to try and fill them out today and get them to you but i cant promise that i will get it done. The pain meds are simply kicking my butt. With everything that happened this week (hemroid issue) I don't know if I am over the 10 day demand they gave me but I am doing my best. I need to go lay down.

Thanks for everything,
Paul

Hope that some yahoo in the govt. doesn't someday decide to go after everyone they think they might get a dollar out of and end up holding me responsible for the McGuires fees incurred while they fight it out.

I'm not in the business of warranting, insuring or protecting the McGuires from government. Especially for only 5 grand. For that kind of protection it could cost millions but I trust your judgement.

What and why do those questions have any relevance at all and why do they need to be part of this agreement?

Particularly the one about being eligible.

Also, I cannot warranty against what SSDI, Medicare or any other government institution wishes to do.

Is it possible to make this agreement blind to the McGuires or David Gagnon?

What I mean is can we make it so that the amount of money cannot be told to them in any way?

It would drive David's ego crazy if he thought it was a large sum and was banned from seeing how much it is.

It has check boxes and one of the check boxes says;

I am not eligible to receive SSI or SSDI.

Another says;

I am not receiving SSI or SSDI.

As you know, I have applied for SSDI and SSI

Hi Hans,

I just spoke with the receptionist at Associated Neurology. The MRI results are in and they want to see me Monday Morning 9 AM to discuss them. They wouldn't say weather it was good or bad, just that she wanted to see me to discuss it.

I had a meeting with Margret Bradshaw yesterday and she agreed to take on my case for SSDI. She had me sign something to give you a portion of whatever she gets for the referral.

Monday I had a re-evaluation with the physical therapist at dynamic hand therapy. She canceled any further therapy. Said I need to see a hand/arm surgeon ASAP and that physical therapy wasn't going to improve anything at this point.

I'm waiting to hear the MRI results Monday morning before running off to see a hand/arm surgeon.

Thats about it for now and I will let you know the results Monday.

Thanks for everything,

Hi Hans,

I received the results from the MRI done on my right arm and Dr. Levin said the MRI came up negative. The physical therapist had already told me that this type of damage seldom shows up on an MRI. Dr. Levin said it was all muscle and tendon damage. Dr. Levin and the physical therapist both suggested I see an hand and arm orthopedic specialist.

I am going to try and make an appointment with DR. Scott Sagerman. Will keep you updated.

Hans,

In response to your letter about Gagnon's deposition:

In the first place, why would I hold up the very end of a branch with my damaged left arm? And if I did do it as Dave Gagnon said, I would have had my back to him. What he said makes no sense.

In the second place, if you have ever been cut by a chain saw, the last thing on anyone's mind would be making a profit. I was in so much pain that I could not have talked seriously about anything other than stopping the bleeding and getting to a hospital fast.

David did not come into the hospital with me. He dropped me at the door and was parking the car. He was brought into the ER and questioned by the staff that was there. You can check with whoever was working the ER that day. It's not really my word against David's but David's word against those that were working in the ER.

There is one witness as to David talking about making money off of this accident. Mike Mcartor heard David say this to me in David's garage the day I went up to David's house to get his home owner's insurance policy number per your request. Mike Mcartor is a friend that grew up with David and myself and is currently living at my residence.

Will sign and drop off the medical release forms you requested.

Subject: **Reply to David's Deposition**

Hans,

In response to your letter about Gagnon's deposition:

In the first place, why would I hold up the very end of a branch with my damaged left arm? And if I did do it as Dave Gagnon said, I would have had my back to him. What he said makes no sense.

In the second place, if you have ever been cut by a chain saw, the last thing on anyone's mind would be making a profit. I was in so much pain that I could not have talked seriously about anything other than stopping the bleeding and getting to a hospital fast.

David did not come into the hospital with me. He dropped me at the door and was parking the car. He was brought into the ER and questioned by the staff that was there. You can check with whoever was working the ER that day. It's not really my word against David's but David's word against those that were working in the ER.

There is one witness as to David talking about making money off of this accident. Mike Mcartor heard David say this to me in David's garage the day I went up to David's house to get his home owner's insurance policy number per your request. Mike Mcartor is a friend that grew up with David and myself and is currently living at my residence.

Will sign and drop off the medical release forms you requested.

Thanks,
Paul

My case is "gross negligence" causing "untreatable, irreversible and debilitating harm"

Never had a lawyer who needed me to help write or correct anything before.
The SSDI lawyer pulled everything from the record and it was perfect.

Yes, I would like to reword much of it because I wouldn't want anything used in it twisted later if we do go to trial.

Yes, I understand that your firm won't back me but it doesn't mean I'm not going to take it to trial anyway. I need the wording to match exactly what I need should I go the distance.

I can honestly say the dollar amount you listed I would never agree to. It wouldn't even cover my wages for the years in physical therapy yet the rest of my life.
If I end up with a structured settlement where I have to chase this guy I believe we can always sell the settlement and cash out. Is that possible?

Now you back out because the value of the case isn't worth your time?
You got some nerve and your earning the reputation of a shady lawyer

While you think it is very clear - it is not. My guess is that seven out of 10 times you will lose the case outright. That means zero. That's why I have been trying to convince you to agree to a settlement. You clearly do not want to. There's only \$100,000 in coverage. Allstate will never offer anything near the policy limits therefore there's no chance to settle the case. The only alternative is to take the case to trial and I am not interested in doing that. I will wait for you to find a new attorney. I can't assist you any further in this case. Just let me know.

Hans, I have no degrees but I was better at my career in printing and graphic design than anyone I ever worked with who did. If I need character references from past clients, employers, coworkers, teachers, etc... I have an army of people who know I'm one of the most genuine, honest, dedicated hard working persons who takes responsibility for my actions. David on the other hand isn't a stand up guy at all. He couldn't even take responsibility for his actions not to mention his attempts at collecting from this, which I believe constitutes insurance fraud.

Oh and I'm contacting the McHenry county states atty... I know too much time has passed since the threats but those threats were for a future time once all this was settled. If he attempts to collect or make good on his threats and if I end up back in the hospital I want everyone to know who to go get. I'm done playing nice with this guy and I can only hope I have an attorney who feels the same.

I have to ask since you think I don't understand, what is it you're trying to do?

Paul I'm definitely willing to be reasonable and consider several different options. Typically how it's done is I will work with your new attorney on the details. But to have me release everything given the time and expense I've invested in the case without knowing what the final result is unfair. We have completed substantially 100% of the fact discovery. All that needs to be done is deposing experts and going to trial. But don't get me wrong I think we can work out something very reasonable. Typically any type of lien arrangement is done when the case is concluded.

Hi Hans,

Time for an update. I went to see Dr Sagerman today. He was able to look at the X-Rays, EMG, MRI and Physical Therapy Reports. He did a much better evaluation then I've had in the past and seemed to nail the symptoms and provide possible outcomes. I feel much more confident in his abilities. He is sending me for a new EMG to see if anything has changed. I called Dr Levin and have an appointment for March 8th to do the test.

Thanks again for all your help,

Paul

Yes, this is the correct application form. You could go ahead and complete the application yourself and send it in now. Margaret should be sending you some information soon on your claim. We have a process that we have to complete to open new files and we are still working on yours. Once you receive anything, please give me a call if you have any questions or concerns.

Thank you.

Hi Janet/Margret,

At our appointment you mentioned you could perhaps help me get medical work done thru Northwestern University. I have e-mailed you twice requesting the forms/applications needed to get this medical help. You have not yet responded. I did try to do a search for these forms and came up with the PDF attached to this e-mail. Is this the correct form? Not sure if you want me to contact NU myself or if you are the one that should be handling this for me. Dr. Sek wants to get another look at my neck because he thinks disc bulging may have increased and that there is further degeneration. There is no way I can afford to get this procedure done and you said you would assist me in getting some sort of medical assistance.

The interview we had is somewhat fleeting as I did get extremely tired. I remember something about family services but can't recall what it was I was supposed to do. Please feel free to call me with anything I should be doing.

Thanks again for all your help,
Paul

Hans,

May I remind you, Less than 2 weeks ago you said in an email you had all the records ready for my new attorney. I can provide a copy of that email if you can't even remember two weeks ago or can't figure out how to go back that far in your email account.

Now that you removed yourself, you claim that you cannot turn over the records until your paid.

The lean is your only guarantee. It's the same guarantee all the medical professionals have against this case.

If you are unwilling then This has all the makings of what society calls a shyster lawyer.

Please Turn over all records pertaining to this case from start to finish for you may not speak with my new council.

I most likely already have to pay double attorney fees for this case thanks to you.

Please don't cost me any more money or I may just let this case expire and you get nothing.

Is that what you want?

I have done nothing to lose your respect. I have gone far above what you would get from any other attorney you just don't realize it or appreciate it. Instead you continue to focus on issues that have nothing to do with your case. You don't listen to my advice. Which is fine. You don't have to listen to my advice. But 9 out of 10 times you will lose this case for trial. As I told you before that is why the defense is never going to offer the policy limits. To settle the case you will need to take far less than the limits. But you don't have to you definitely can go to trial. That is your personal choice. In my view your case is not worth the limits given the issues we've already discussed. So I have done what I can do for you.

We have I think \$3000 in costs that we will be paid no matter who is handling Case. We have worked on the case for years without pay....but if it will allow you to find another attorney we will consider waiving Our fee unless your eventual recovery exceeds \$100,000.

You sir are the one whom told me that I would never see a dime from either case if I didn't sign that piece of paper before leaving your office that day. You wouldn't even let me sleep on it as I had asked. You said you needed the \$5,000 settlement with the McGuire's insurance to help fund your costs for the case with David Gagnon.

Then when the physical therapists tried to demand payment in full you told me and my mother that medical leans against lawsuits often expire before the case is resolved saying yes the medical providers can proceed in collecting funds from my assets. Meaning my home. Forcing me into bankruptcy. Then, after filing for bankruptcy, denying you ever said that to both me and mother and going on to say to us that filing for bankruptcy protection had ruined the case.

All that followed up by getting a brief to review from you on the David Gagnon case that was of such a poor understanding of the facts are what lost any hope of respect I had.

I am and have been trying to get you to be professional and earn that respect back at every step.

If you had not taken advantage of my ignorance you would not be receiving this letter nor trying to squirm your way out of representing me today.

As far as your costs and in light of your poor performance to date, it throws into question all of the work you have done on this case. Even the depositions you sat in on are in question. Do you actually think anyone in their right mind wouldn't see it that way.

You may argue strategy as a defense for incompetence but since you sat in on the medical depositions and don't even know what medications I was and wasn't prescribed after almost 3-1/2 years on this case I highly doubt anyone will see your defense as viable.

Exactly, What part of being harmed by both the McGuires and Gagnon through no fault of my own is 9 out of 10 times a losing case?

Exactly what part of you manipulating me into a settlement for only \$5000 was seeing to my best interests?

Exactly how is lying in a briefing you were prepared to put before a judge is in my best interests?

Exactly how is giving you chance after chance to correct yourself not giving you the respect you think you deserve from me?

I can keep going...

I have witnesses to all of this. It's not just your word vs mine.

Bottom line is if you want out simply because you feel I have no respect for you then all of your fees are subject and any lean you have is subject.

I'm giving you the opportunity to remedy this coarse of action you have chosen.

Do you chose to be professional and do the job your capable of or do you chose to remove yourself for some made up reason. Our emails alone show there is no breakdown in communication. We are still communicating. This email proves that.

So, unless you can explain your action to remove yourself from this case for some excusable reason I see no reason why you feel your entitled to being able to get excused from it at all.

I put you to task to do as you agreed to and represent me to whatever ends this case comes to. Will you be professional and finish what you started?

Damn these emails hurt to type...

Wish you had it in you to go after the bad guy who did this and not your innocent client.

As far as your costs and in light of your poor performance to date, it throws into question all of the work you have done on this case. Even the depositions you sat in on are in question. Do you actually think anyone in their right mind wouldn't see it that way.

You may argue strategy as a defense for incompetence but since you sat in on the medical depositions and don't even know what medications I was and wasn't prescribed after almost 3-1/2 years on this case I highly doubt anyone will see your defense as viable.

Exactly, What part of being harmed by both the McGuires and Gagnon through no fault of my own is 9 out of 10 times a losing case?

Exactly what part of you manipulating me into a settlement for only \$5000 was seeing to my best interests?

Exactly how is lying in a briefing you were prepared to put before a judge is in my best interests?

Exactly how is giving you chance after chance to correct yourself not giving you the respect you think you deserve from me?

I can keep going...
I have witnesses to all of this. It's not just your word vs mine.

Bottom line is if you want out simply because you feel I have no respect for you then all of your fees are subject and any lean you have is subject.

I'm giving you the opportunity to remedy this coarse of action you have chosen.

Do you chose to be professional and do the job your capable of or do you chose to remove yourself for some made up reason. Our emails alone show there is no breakdown in communication. We are still communicating. This email proves that.

So, unless you can explain your action to remove yourself from this case for some excusable reason I see no reason why you feel your entitled to being able to get excused from it at all.

I put you to task to do as you agreed to and represent me to whatever ends this case comes to. Will you be professional and finish what you started?

Damn these emails hurt to type...

Wish you had it in you to go after the bad guy who did this and not your innocent client.

Hans,

Your cornering of me and my brother in your office, bullying me into signing off on The McGuires policy citing cases that have nothing to do with the agency clause in the homeowners policy, which clearly makes her policy accountable. You sir are the one whom told me that I would never see a dime from either case if I didn't sign that piece of paper before leaving your office that day. You wouldn't even let me sleep on it as I had asked. You said you needed the \$5,000 settlement with the McGuire's insurance to help fund your costs for the case with David Gagnon.

Then when the physical therapists tried to demand payment in full you told me and my mother that medical leans against lawsuits often expire before the case is resolved saying yes the medical providers can proceed in collecting funds from my assets. Meaning my home. Forcing me into bankruptcy. Then, after filing for bankruptcy, denying you ever said that to both me and mother and going on to say to us that filing for bankruptcy protection had ruined the case.

All that followed up by getting a brief to review from you on the David Gagnon case that was of such a poor understanding of the facts are what lost any hope of respect I had.

I am and have been trying to get you to be professional and earn that respect back at every step.

If you had not taken advantage of my ignorance you would not be receiving this letter nor trying to squirm your way out of representing me today.

Hi Hans,

Just received the medical expense report you sent via us post office.
The total amount of \$40,633.00 is wrong. There are several charges missing.
It will take me a few days to gather all the totals from the various Dr.'s, therapists, pharmacies, hospitals, etc...

The Tennis elbow is being treated by Dr. Sagerman and Dynamic Hand therapy.
Hopefully no surgery will be needed. Keeping my fingers crossed.

Thanks,

Hi Hans,

I had a new EMG test done on Tuesday by Dr. Levin at Associated Neurology. She said I should hear from Dr. Sagerman by Friday with results but she doesn't think the test will show anything because of the localized type of damage to the nerve. She did say that it looks like the paralysis in my right hand is probably permanent since it hasn't shown any signs of healing.

When I was at Dr. Seks office he told me that the Hand Surgeon (Dr. Sagerman) had contacted him and talked about possible exploratory surgery in my arm.

Subject: Missing Depositions and pre-trial settlement brief

Hi Brad,

As we discussed, I was to receive via certified US Mail depositions and communications between Hans Mast and myself from Saul Ferris an attorney in Gurnee, IL. Saul Ferris number is (847) 263-7770

I called Saul Ferris office last week and was assured they were sent. I was told to give it another week.

I called Saul Ferris office again today to find out they were mailed to and signed for at 3416 W. Elm St. McHenry, IL. by someone named Anne Oupl on March 7th. This is Hans Mast office.

I called Hans office and apparently no one by that name works there and no one knows anything about receiving the certified mail.

I'm at a loss as to how these documents were sent to the wrong place and am a bit furious because it has the memo about the pre-trial settlement you wanted to see.

Please advise.

Thank you in advance for your help with this matter,
Paul

I'm reading the deposition testimony....very interesting. I've also placed a call to Mr. Accardo, but he has to call me back.

Hans did include a check for the \$5k settlement from the McGuire's (minus his firm's one-third fee.) See attached.

I believe I have to hold this in my IOLTA account pending the outcome of your case in light of your bankruptcy filing.

I will call you as soon as I talk to Mr. Accardo.

Hi Brad,

As we discussed, I was to receive via certified US Mail depositions and communications between Hans Mast and myself from Saul Ferris an attorney in Gurnee, IL. Saul Ferris number is (847) 263-7770

I called Saul Ferris office last week and was assured they were sent. I was told to give it another week.

I called Saul Ferris office again today to find out they were mailed to and signed for at 3416 W. Elm St. McHenry, IL. by someone named Anne Oupl on March 7th. This is Hans Mast office.

I called Hans office and apparently no one by that name works there and no one knows anything about receiving the certified mail.

I'm at a loss as to how these documents were sent to the wrong place and am a bit furious because it has the memo about the pre-trial settlement you wanted to see.

Please advise.

Thank you in advance for your help with this matter,
Paul

Paul. We've been talking this case over a bit at the office. As Ive tried to advise you during our several meetings, I do not believe we can adequately prove our case at trial. Its your word against Mr. Gagnons. Most times, that means we lose - as plaintiff. I don't think we want to invest the time and expense to get to that result. Im happy to try to settle the case for you, but it will probably be a low amount. So, I want to advise you now should you wish to retain other counsel to try the case for you. Please advise how you wish to proceed. I know this is not good news, but I have learned a long time ago, some cases just are not proveable - not because you are not credible, but because juries demand more than we can give at trial.

Paul,

I was able to get this email! I had written Meg to see the status of the records.

Again, here is what we discussed:

(1) the medical expert gave you a closed claim of benefits - we don't want to take that (i want you to have the ability to appeal any unfavorable decision/not be foreclosed from getting a closed period of benefits and then reapplying if need be) so that is why we went to the vocational expert testimony.

(2) when we went to the Vocational Expert, he gave jobs that conflicted with his testimony so I eliminated the jobs through his testimony (I just need to write a post-hearing memo for that and I am holding off and waiting for the medical records from Dr. Kujawa so i can address ongoing treatment in a memo to the judge as well)

(3) your psych records also reflect you can't do the jobs the vocational expert listed because they all require social contact which your records reflect that you really shouldn't do and the ALJ didn't develop the testimony there - kept saying we were running late - i will address that as well in the memo to the judge.

The records we addressed were requested previously by Meg and from my knowledge we are still waiting on the records (medical records often take quite a long time to come in).

I'll be happy to follow up with Meg/Janet tomorrow to find out the status of the records and if we may require you to get the updated records. While the Dr. Kohn records would show old treatment, it is Dr. Kujawa's records that are more useful (they show ongoing issues during the period in which you are claiming disability). Old records from 2002 will only show that you had problems in 2002 - updated records (from 6/28/11 onward) are key to your case at this point.

I'll be in the office tomorrow to speak further as well (312) 561-3030 if you have any questions.

Hi Janet,

I had the SSDI hearing last Thursday. It was a learning experience and I am not sure how it went. Much of it I didn't understand.

We were missing some of the reports. Particularly anything from Dr. Kujawa showing ongoing care for post traumatic Dystonia in the right forearm and some old reports from Dr. Kohn who was the Dr. who gave me over 100 shots in my neck, shoulders and back for severe muscle spasms after the car accident over a decade ago. Dr. Kohn from Kohn medical group in McHenry, I completely forgot about until the questions about muscle

spasms came up in the hearing.

The judge left open the record for 30 days for us to add anything to the medical record.

Should I be the one to get the old reports from dr Kohn and the ongoing reports from dr Kujawa?

Also, Meredith Marcus, the attorney from Daley Disability law, asked me to send her Dr. Kujawa's contact information but her email (mmarcus@fdaleylaw.com) keeps getting sent back to me with an error saying its undeliverable. I'm not sure how to get around the emails being sent back. What should I do?

Thanks again for everything,

Subject: Other council

Hans,

I know I said to just get the best deal you can but what I forgot to ask was if you or your firm had anyone else in mind that would take on my case with the appropriate resources and attention it needs to get a result worth going further.

I don't mind sharing or switching firms if it came with your blessing.

On another note, I have another appointment with Dr. Kujawa on May 8th. Dr. Kujawa's assistant, Elsie, asked me to keep a log on the issues with the forearm. Below is one of the video logs I'm trying to keep for them so they can see the patterns of the burns and muscle cramps so they can better place the injections.

Thanks,
Paul

To that end, Send me a one-line e-mail stating that I have Power of Attorney to endorse the draft on your behalf.

The funds will just sit there until we resolve the rest of the case.

I'm going to call Perry Accardo again on the settlement conference. He has to call me back.

Hi Brad,

Yesterday Saul Ferris office called and said they just received back the packet they mistakenly sent to Hans Mast at Popovich law firm.
In it is the pretrial settlement memo you wanted to see.
There is also the printed depositions of both the homeowners, the defendant and myself.
I picked these up this morning.
Let me know how to get these to you.

Hi Brad,

Thanks for the heads up.

My understanding was the 15k bankruptcy protection limit included all my assets, not just the proceeds from this settlement. I was also informed that I can receive much more than just 15k if the settlement or trial verdict produced enough to satisfy the creditors.

Just so you know...

I won't settle just for the insurance. It isn't enough.

I don't know what a crippled dominate hand/arm is worth but it would seem to me that it is worth a whole lot more than the insurance limits the defendant has.

Thanks and feel free to call me,

Also, I reviewed some of the items in the packages you gave me today. Thanks much for those.

Since you filed for bankruptcy protection, you can only collect \$15k from this case, maximum. (This is the exemption amount under bankruptcy law.) I'm not saying we can get you to that number, but be aware that is the most you can possibly collect.

I will call you later today after I have discussed this matter with Allstate.

I had an appointment with Dr. Kujawa yesterday.
She said the Botox injections will not solve the spastic pains you saw marked on my arm in the video I sent you but it should help with opening and closing my hand so I did another round of injections.

Of coarse I asked, am I stuck with those pains the rest of my life, it's been almost 3 years?

She replied, most likely but that's what the Neurontin/Gabapentin are for and it should help curb some of those pains.

She prescribed Neurontin/Gabapentin for the pains and asked that I report any changes to her and to see her again in another 3 months.

My next appointment is set for August 14th.

Thanks again,

My mom came up with a good question.
Doesn't David Gagnons homeowners insurance have different parts to the policy that apply?
Parts for just the medical, parts for just damages, parts for pain and suffering, etc...
I suppose it depends on his actual policy and how it's written but I wanted to understand your take on David's policy

Have you talked with the trustee?

My understanding was its over and that if I felt strongly about paying those I owed I still could but wasn't required to anymore.

If it turns out the suit is still in play for the bankruptcy I wonder why the order from the court I sent you doesn't list the suit as an exemption from the order. On the back of the order it details what the exemptions listed on the front mean and my order didn't have any exemptions listed.

Either way it doesn't matter.

My thoughts are, if we get enough to pay the debts all the better.
Perhaps we can get enough to undo the bankruptcy altogether.
Would be nice not having a bankruptcy on the record.

Thanks again,
Paul

Hi Hans and Janet,

Forgive me for combining this e-mail to both of you but both of you need the same information.

Met with Dr. Levin today at Associated Neurology. She prescribed Neurontin / Gabapentin 300 MG. I am supposed to take it in the evening for 1 week then move to 2 times daily. Then call her in 2 weeks to see how it's going. She said that it is supposed to help correct the signals from the misfiring nerve in my right arm which is causing the pain when I use my hand. And that the dosage may change depending on how and if it's working. This treatment was suggested by Dr. Sagerman to help try and avoid surgery. If it works I think this is a long term treatment because the prescription lasts for a year and the pharmacist said it goes hand in hand with the other medications I'm taking for long term pain management treatment.

I see Dr. Sagerman and his partner tomorrow for an evaluation at Hand Surgery Associates in Vernon Hills. I will let you know what happens.

Thanks to both of you,
Paul

Hi Hans and Janet,

I just got back from an appointment with Dr. Sam Biafora, another hand, wrist, elbow & shoulder specialist at hand surgery associates. He did what seemed to be a very thorough evaluation. He dug around pretty deep in my arm and did many different tests on my hand, arm and elbow. He recommended doing surgery to get the scar tissue out of the affected nerve and surrounding area. He said not to have any hope of restoring strength, feeling or reversing the paralyzed muscle that pulls my pinky finger in. But he said that going in and removing the scar tissue from the area will bring relief to the nerve and should stop the pains I get. He said that it will leave a long scar from the back of my elbow to the wrist and they will need to move the ulnar nerve to the inside of the elbow and that it will take approximately 3 months to recuperate. I mentioned the new medication I just started taking that was supposed to help fix the signals from the nerve. He said that all that will do is mask the symptoms for a while and that the only way to actually fix it is to go in and remove the scar tissue and see if any of the cut fibers can be grafted back together. He said that grafting the fibers probably won't work since its been almost a year since they were cut but removing the scar tissue should release the pain and should make a huge difference. He was ready to set up the surgery and I told him I needed a some time to talk with my mom and think about it. He set up another appointment for a month from now so I have time to think it over and said to call Dr. Sagerman if I should decide sooner.

Subject: **I'm nervous about the surgery being covered**

Hi Hans,

I'm curious if David Gagnons home owners insurance policy number checked out?

Also, from what I understand this surgery that has been suggested by two different arm specialists, the neurologist and my primary physician is going to run in the neighborhood of \$60,000.00. I want to be sure that it will be covered under the settlement before I decide to do it.

It is a direct result from the chainsaw cut and not anything else. Will it be covered or am I on my own to pay for it?

I am extremely nervous about the cost and getting stuck in bankruptcy and losing my house if it isn't covered.

Thanks,
Paul

Morning Brad,

Talked with my mom and it seems to us that if all I'm going to get is 15k even if we max out the defendants policy limit then I should seriously look at taking this to trial and leaving it up to a jury to decide an appropriate amount. 15k might as well be 0 because it doesn't even begin to pay for the damages I've suffered.

I know the risks and that it would cost me almost 20k more in expenses and that the defendant can run off and pay nothing beyond his insurance limits.

Assuming that Allstate may claim the act was criminal and that their not responsible has to be overcome. I'm not a mind reader and can't make any claim as to their clients intentions and their client isn't going to self incriminate himself so I don't see how their claim of something criminal can hold water. Especially since their client hasn't been charged with any crimes associated with his actions on that day.

At the last court date, The judge asked if I was doing this for principles. I answered no. However, after thinking it through... Seeing as how I'm getting virtually nothing out of this and will eventually lose my home, that I was working most of my life to keep, because SSDI can't cover living here or almost anywhere that I can consider worthy, my principles are evolving and I'm not opposed to going the distance and taking this to trial. I'm willing to make a principled point that people should not get off 'scot free' other than having to find a new insurance company after using a chainsaw on another person causing real life threatening harm with permanent damages.

I'm more than positive that a jury will award more than the insurance limits and that we will not recover anything more than those limits, but one thing is almost for sure, the defendant will most likely have to file bankruptcy to protect his assets and the next person he hurts over the next 7-10 years will have full access to his assets because he won't be able to file bankruptcy again for that period.

Either way, I get virtually nothing so principles are all I have.

On the positive side, If the jury does award an amount more than the insurance limits we get to see if the defendant has any assets that can't be protected and if he does I stand to get the costs of a trial covered a perhaps a smidgen more than 15k, if not, well then I'm in the same boat I am already and nothing changes.

Hi Hans,

Just set up an appointment with Sheila for 10:00 AM tomorrow to meet with you.

Just after I set up that appointment with your office my physical therapist called and discharged me until I see the Dr. Said my evaluation was bad and they sent the report to Dr.Sangermans office and for me to call them. After calling the Dr.'s office they bumped up my appointment to Wednesday of this week to discuss surgery.

See you in the morning,
Paul

Hi Hans,

Today Dr. Levin my neurologist increased my medication of Gabapentin from 300 mg twice a day to 600 mg twice a day. I'm not happy about the increase, it already makes me extremely tired but it's supposed to help with the nerve pain in my right arm.

Not sure if you needed to know this but it is a minor change in the medical condition.

Thanks,
Paul

Hi Hans,
Missed your call this morning. I'm here all day so feel free to call when you have time.

I'd suppose they want to know what I did for Mike Thomas.

Here is a brief summary,
I placed an ad to sell off some printing equipment and Mike Thomas came out to see if he wanted anything. This was the first time I met him.
In the process he mentioned that he was setting up a print shop in Richmond IL and asked if we (Mike McArtor and myself) could help. We did help him on and off over the next few months. Mike McArtor still helps out to this day and I do offer them advise when asked. My brother Scott Dulberg and Tom Kost also help Mike Thomas from time to time.

Mike Thomas wanted me to work for him on a regular basis. He offered many different proposals from direct employment, sub contracting, part time, etc... I had to decline after a few months of working with him on and off because I knew I couldn't do that type of work anymore on a regular basis. My arms and hands just can't be relied on.

Working with Mike Thomas taught me what I was and was not capable of doing. I did try to do many things for Mike Thomas that probably was things that I now know I shouldn't do anymore. I had to try, how would I know what i could do if I didn't.

It was a good test to see if I could go back to work on a regular basis. I did try many different types of work for Mike Thomas. It was everything from graphic design to doing little fix it up jobs around his building and even his house in Twin Lakes WI. I introduced my brothers, Scott & Tom, to Mike Thomas to recruit their help with what needed to be done because I wasn't able to do all the things myself anymore. All three, Tom, Mike McArtor and Scott filled in and acted as my hands to get things done.

I did receive compensation in the form of cash for my time. It wasn't much perhaps a few thousand in total but I'm not exactly sure what the exact total was. All the money went to my mother to help out with the bills she was paying on my behalf.

Other than that there isn't anything else I can think of that the defense counsel could hope to get from him.

Feel free to call or I could come in to discuss.

Thanks again,
Paul

Hi Hans,

Wednesday I met with Dr. Sagerman and I signed the papers for surgery on my right arm. They are going to do an ulnar nerve decompression and transposition, and a neurolysis in the forearm. They are also going to explore and repair any other damage they find with the muscles, tendons and remove scar tissue. I am waiting on a call to find out when and where the surgery will be. They said it should be in the next 4 weeks.

I also need to get some sort of medical release signed by my primary care physician for the surgery so I met with Dr. Sek yesterday and he gave me a checkup and signed the forms.

On another note, when we last met you asked if any of the Dr.'s had been paid yet. I answered no but that wasn't true. I have paid Dr. Sek in full for each visit and Dr. Levin has been partially paid. I also had to just sign a form for Dr. Sangerman allowing them to charge my credit card \$40 a month till my bill was paid in full. I asked if they would do the surgery on a lean against a settlement and gave them your name and number to contact you. They said they would but still required I give them permission to charge my credit card.

If you need anything else please let me know.

Thanks for everything,
Paul

Brad,

You could have just stopped with this is the best deal you could get but you didn't.

You pulled a Hans and assaulted me when you threatened to remove yourself from this case if I didn't sign this release before you see the judge.

That's an ultimatum and it's not something I'm going to react to positively.

The way I see it, there is more than just the 2 options in your ultimatum...

A.) I can take this deal, shut up, go away and keep suffering and praying for SSDI

B.) I can refuse to take this deal, lose you as an attorney and have to find new council or simply represent myself and start over with the same 15k on the table and possibly an extra 15k in bankruptcy surplus while still suffering and preying for SSDI.

C.) I can stop this suit all together and lose 15k, in which no one gets anything while I suffer and prey for SSDI

Any which way I go, I'm the one who's getting thrown under the buss and I'm tired of being a victim of others threats.

As of now I'm leaning towards option "C".

As you said, the medical providers have already written off my accounts as loses and that leaves Option "C", me losing 15k, well, it is kind of a cheap way of saying how I feel about the state of my legal representation and their efforts because their afraid they can't prove the defendant put a chainsaw into my arm and that the defendants mother is an elderly woman with whom the jury may sympathize yet didn't see the actual incident, refused to call 911 for help, but did call her insurance followed by a call to the hospital and lied to the staff claiming to be my mother only to disrupt the emergency room treatment not to ask how I was doing but to tell me she was insured. Good for granny, she is insured. Where was her slick phone skills when I needed an ambulance and for god sakes why lie to the hospital staff and call me in the emergency room to tell me the most important thing on her mind... The fact that she was insured. Big deal what did it do to help me?

These people had no concern for anyone's well being other than their own.
They are the type that deserve to get sued. Granny or not.

This may all make a great documentary one day about the state of legal representation and their ethical commitment to following through once they commit themselves to a client. A series false dichotomies of sorts.

It is just a leaning towards option "C" not an actual commitment yet.

I need to sleep on the options for a couple nights

I'll get back to you with my answer just before court starts later this week.

Please remind me, what is the time and date the judge set?

Thanks for everything,
Paul

Hi Hans,

I've decided to just pay out of pocket for the physical therapy sessions. It needs to be done irregardless.

I am curious as to where we are at with the lawsuit. Any updates would be appreciated.

Thanks,
Paul

Thanks Paul for the update...

as before, while the case is pending, there really is no way to pay the expense until the suit is settled or goes to trial....

Some providers will hold a Lien on the case which guarantees payment when the case settles...not sure if they will, but that is the only way to do it without medical health insurance.

Morning Hans, I started physical therapy after the cortisone shot at Fox Lake Dynamic Hand Therapy yesterday. They notified me that I owe something around \$25,000.00 and that they just had to close one of their clinics and that they were not willing to take on more at this time. After talking with them for a while they asked me to contact you to see where we are at as far as paying the bill and told me to ask you about how to pay for this round of visits. I paid out of pocket for yesterday's session. Thanks again for everything, Paul Paul Dulberg 847-497-4250 Sent from my iPad

Hi Hans,

Had another Dr's appointment with Dr. Sagerman at hand surgery associates. He read me the findings from the surgery. He said the chainsaw did not cut the ulnar nerve but the nerve was compressed in the ulnar groove at the elbow. Probably from scar tissue growing in the forearm and pulling the nerve tight in the ulnar groove. The scar tissue had apparently grown and attached my muscles to the skin and each other. Dr Sagerman said they managed to separate the muscles and skin.

I have another appointment with Dr.Sagerman in a month and am doing physical therapy.

I will send a few pictures of what the arm looks like 1 month after the surgery as soon as I can get someone to use the camera for me today.

Thanks,
Paul

Hi Hans,

I looked into the MedChex question.

When I called Open Advanced MRI of Round Lake to get the amount owed I was referred to their corporate office. The corporate office had told me my balance was \$0.00. They looked into who paid the bill and mailed me a breakdown of everything they charged, payments made and any adjustments. The corporate office at OPEN ADVANCED MRI did not know who MedChex was. They said it looked like an insurance payment was what paid my bill. Below is a breakdown of the billing from the corporate office at OPEN ADVANCED MRI.

Original charges from open advanced MRI of round lake.

\$1510.00 for the MRI on 02/03/2012
\$75.00 for the injection on 02/03/2012

\$1585.00 total charges from open advanced MRI of round lake on 02/03/2012

MedChex paid

\$800.00 for the MRI on 02/23/2012
\$0.00 for the injection on 02/23/2012

An adjustment was made to the original charges from open advanced MRI in the amounts of

\$710.00 for the MRI on 02/23/2012
\$75.00 for the injection on 02/23/2012

My balance due reads \$0.00

After a bit of searching the web I came across the contact info for MedChex, gave them a call and asked how they came to pay off my bill with OPEN ADVANCED MRI and what their terms were for paying off the bill.

MedChex claimed I owe them \$3,390.00 for the MRI as of 08/22/2012

The customer Representatives supervisor I spoke with at medchex was named Tish.
Telephone number: (866) 959-1100
Extension: 109

Tish would not provide me with the terms or how MedChex came to negotiate and pay off my bill with OPEN ADVANCED MRI. She would simply repeat that they are a service to help those with no insurance and will be receiving a settlement for injuries. She told me that i did not need to worry about the increased amount from the original billing from OPEN ADVANCED MRI because a settlement would be paying for it. She demanded that I fax her a copy of the billing breakdown from Open Advanced MRI at 888-317-0260. She said that I was never supposed to see what the original billing was and that it is just wrong that I have it and that she would not discuss the terms or how MedChex became involved till I sent this copy to her office. That ended the conversation.

Hans, the only person/firm I ever authorized to handle any and all of my negotiations for medical billing is you and your firm. I will

bring in the breakdown from OPEN ADVANCED MRI to your office on Monday along with a few other bills I have collected.

Your case is in prehearing review as of 10/28/16. I don't think it will be much longer but we have to wait for the judge's scheduler to call us. It all depends on the judge's schedule and order of cases to be scheduled. They schedule the older cases first. We will notify you as soon as we get a date.

Hi Hans,

I went to see Dr. Sagerman this morning for a follow up from the surgery on my right arm almost 6 months ago. He wants to see me again in 6 weeks for another follow up.

My Mom, Barb, went with me this morning to make sure I talked to him about my left arm. It has been hurting bad for 3 to 4 weeks now and she wanted me to get his advice. Dr. Sagerman had an X-ray done and said it looks good but I have what is called lateral epicondylitis or tennis elbow in my left elbow. He said it was probably just from over use due to me not using my right arm and could be treated. He said I need therapy for the left arm and prescribed 6 weeks of therapy 2 times a week and would follow up with it at the same time as my next appointment for my right arm.

I went to Fox Lake dynamic hand therapy with the prescription to schedule the appointments. They set the appointment for this Friday at 1:30 pm.

When I got home Dynamic Hand Therapy called. They said they cannot see me because this is not part of the litigation pending from my right arm unless the Dr. says it is. And because I have no insurance it would cost me \$70.00 a visit.

Which there is no way I can afford. I have no income.

Any advice?

Thanks,
Paul

Hans,

I wanted to review David Gagnons dep before letting the McGuires off the hook.

And that word "foreseeable" in the McGuire suite...

Well I suppose if I gave anyone a chainsaw and told them to use it, given enough time, an injury is foreseeable, very foreseeable just not hoped for.

And the comment about people not liking friends who sue friends, um well we all should know other than entirely random acts such as auto accidents, train derailments, air plane accidents, etc. Etc.. That most of the time it's those we know who hurt us most often than not. and if it's serious we must be able to sue even if it is or once was a friend.

Ok got to break that promise and make a new one.
I can't help myself cause it's been 51/2 years since I did these hobbies.
Bowling, I was good at it and did it once a week since I was a kid till this happened.
Ok that's all for today but the list of things I used to be able to do is a long one. Sorry

Last one to that list for today, I promise!
I don't think this is considered a hobby but it's important
I miss being playful with all of my nieces and nephews.
I can't pick them up and turn them upside down or tickle them to death without cramping up anymore. I feel like I have to distance myself from a huge part of my family and it bothers me all the time

One more thing I totally forgot about cause I just can't do it anymore but used to do at least twice a year, usually more.
Rock face climbing and rappelling

Oh, add walking, brushing and playing fetch for more than a few minutes with the dogs to that list.
Another item for the dogs is getting their food. Moving Large bags of dog-food from in the store to the car then into the house and up a flight of stairs is something I have a lot of trouble with. It's why Dr. Kujawa got me the handicap placard for my car.

Hi Myrna,
Kelly was asking what hobbies I had prior to the accident so I started a list.
All of the following are things I used to do that are now affected or altogether stopped after the accident.
This is the quick short list.

Camping, Canoeing & Fishing
Vegetable gardening & other yard work
Cooking, Baking, Candies & canning
Motor Sports, boating, ATV & motor cross, snowmobile

Water Sports, skiing, tubing, etc...
Winter sports, skiing, tubing, snowmobile, etc...
Building, maintaining and repairing motors on cars motorcycles
lawn mowers and boats
Playing Guitar
Off road Bicycle riding
Building, repairing, remodeling and maintaining my home
Art, Design & Sketching
Photography
Typing
Writing

Like I said earlier, this is a short list. I had a lot of hobbies but
these are the ones that I remember the most and miss

Hope this helps,
Paul

Hans,

At first my goal was to get my medical paid for...
That's changed because it's turned out worse than I thought...
Now it's simply to get as much as we can and move on with my life...

What are your goals in this case?

Hans,
Your risk...

I just had to file bankruptcy because of that incident 3-1/2 years ago. I could no longer make all the payments to my creditors. I also have a disability suit because of it.

I don't care about a settlement unless it's enough to drag David Gagnon through bankruptcy for his idiotic use of a chainsaw and made up story under oath. Gagnon sure showed his true colors when he was deposed, he just isn't a standup guy at all.

Either way it goes, (settlement or trial) I'm not going to make anything near what I've already lost or what my future losses are going to be so it just doesn't matter.

The only thing that would be remotely satisfying is knowing that David Gagnon had to go through a settlement or trial and lose, then find himself actually having to face bankruptcy.

I can only hope he has enough assets that it actually hurts.

Hi Hans,

Just got a call from associated neurology because of the bankruptcy notice they received.

Tried to explain that the loans on the lawsuit expired after 3 years and I really don't have any choice.

They said they never heard of such a thing and are looking into the loan issue and will get back to me.

On another note, Baudin's firm must not be interested because they never called me.

Do I need to find a new firm or what?

Thanks,

Paul

Just got a call from associated neurology because of the bankruptcy notice they received.

Tried to explain that the liens on the lawsuit expired after 3 years and I really don't have any choice.

They said they never heard of such a thing and are looking into the lean issue and will get back to me.

On another note, Baudin's firm must not be interested because they never called me.

Do I need to find a new firm or what?

Thanks,

Paul

David was the one the neighbor talked to. The neighbor did not know Dave's name but described him to a T and did say he would know him if he saw him.

On another note: I noticed David had the order of cutting down the apple tree before or after the pine tree goofed. Not a big deal but I think Bill, Carols and my own deps agree it was done prior. I remember the same neighbor talking about that day prior to the big trees coming down.

That neighbor has a better view from inside his house of the McGuires back yard than the McGuires do from their own house.

I think David wasn't just confused about the timing, he was trying to show he hadn't done any work prior to this incident. Not sure why but the complete fabrication as a whole shows that David was right, he wouldn't lie to help me but he would lie to help himself.

I'm done ranting...
Reading that dep got me going. Need to let this thing rest for a bit.

Have a good day and enjoy your holidays,
Paul

Hi Hans,

The neighbor claimed that the McGuires had asked him to borrow his chainsaw to cut down the trees on the McGuires property just a few days prior to the trees coming down.

It would seem to reason that the McGuires did not own a chainsaw at that point and tried to borrow one from a neighbor before going out and purchasing one specifically for that project.

So my question is, if the McGuires can be proved to be hiding the reason and timing of purchasing the chainsaw can this benefit us in any way?

Thanks,
Paul

I have to wonder...

Is it the fact that David Gagnon doesn't have a bigger insurance policy?

Or perhaps that I didn't lose my arm?

What is it that isn't good enough for your firm that they would actually drop a client they chose to represent?

I'm betting in the end it's all about the amount of money your firm can make off of my injuries because I've done nothing to exaggerate or hide anything.

Have a merry Xmas, now I'm late to see a dr and my arm muscles are in spasm from trying to type this wasted email as fast as I can.
Paul

On another note,

David Gagnon already received more than any lawsuit will bring me...
If this was someone I didn't know...
I'd find out how to put the guy in prison for as many years as I could.

No one should be allowed to use a chainsaw like he did and get away with it!

The gift I gave David by providing him with the benefit of the doubt has turned out priceless for him...

What I received is a life sentence even if I win some lawsuit...
What can I do with the money, pay someone else to do the things I would have been able to do myself if this didn't happen?
What part of life makes that appealing?
And how long will that last?

I went from being a doer with some potential to being a watcher and beggar. There is nothing that can change that...

Neither David nor his insurance policy can fix any of this.

Your position of fear in this case is appalling.

Oh and one more thing...
Those dr's, vocational experts and federal judge were all in agreement that I was disabled and already gave me a partially favorable judgement.

I believe the only outstanding question was whether the ongoing treatment of injections was going to make it better or not?

Since then, The injections only made me weaker in a different part of the arm for a period and had no positive effect and now I just have to wait and see.

Ending up on disability and having to take meds 3x a day is not a choice or outcome I wanted. Nor did I want to have to fend off an incoming chainsaw or go through a couple of surgeries. I wouldn't wish this on anyone

All I wanted was to heal enough to go back to work. I really did try.
I used to make more money in a few months then I'm going to make all year now. That's no exaggeration.

Oh and that stupid statement I heard you say in the past that part of my injuries were to distal from the cut...

I dare you to Try fending off a chainsaw that's violently cutting into you unexpectedly and survive without any other issue other than where the chainsaw cut you.

And if during that event you should twist an ankle, hit your head, another part of the body or anything else from trying to save yourself... Remember it's too distal from the wound so you lose...

That is absolutely retarded to think that my elbow was too distal from the cut... Think about what it takes to fend off an aggressive chainsaw cutting into you and then tell me if any other smaller, at first unnoticed injury is too distal to be real?

I'm tired of this crap

Talk with you after Monday,
Paul

Oops, hit send accidentally. . Another issue from a shaky muscle in my forearm...

Hans,

What and where does "you weren't hurt that bad" mean or come from?

It was a deep laceration from a chainsaw and I'm only hurt as bad as it is and that's it.
I obviously have long term issues with/from the injury so no exaggeration is needed on my part.

Whether or not it's considered disabling is the only real question and that is being decided for us at the federal level with other dr's and vocational experts that I didn't pick.

All that I hope for is that I'm treated by those like you as you would want to be treated.

Thanks for the honesty and I will get back with you after Monday.

I think it would be very difficult to win. So unless you want to work out a settlement, I think you should consider other counsel. It's tough to make these decisions. I know it makes it tough on you.

But these decisions are the reality in working on such cases sometimes.

The good news is that you have a chance to recover in a jury trial. It would be tough, but there is a chance that the jury will believe you. But it will take some time and expense to take the case to trial. If the jury believes your specialist, the damages could be good for you. But there are a lot of "ifs" and I'm not prepared to undertake the risks at this point.

Hans,

Would giving David Gagnon and his insurance Allstate the chance to do an independent medical examination of my impaired arm help any?

This could diffuse any idea that I'm exaggerating or that they would even want to try to claim that it's not as bad as I make it out to be.

Who knows, perhaps the 7th dr to evaluate the injury knows something that the others didn't and they could actually improve my condition

M. Margaret Bradshaw,

I received the results from the MRI done on my right arm and Dr. Levin said the MRI came up negative. The physical therapist had already told me that this type of damage seldom shows up on an MRI. Dr. Levin said it was all muscle and tendon damage. Dr. Levin and the physical therapist both suggested I see an hand and arm orthopedic specialist.

Today my GP, Dr. Sek, wants me to get an MRI done on my neck. This would not be covered in the lien against the claim for my right arm. So I am at a loss as to how to go about getting this done. While talking to you, I heard you mention Northwestern University. How do I go about applying for this? I would appreciate any help or assistance you may have that will allow me to get this done.

I applied for help at DHS in Woodstock. They received a copy of all my medical records and approved a two month SNAP benefit. Not sure if this will be extended or if they will do any further follow-up. This is a new process for me and I'm not sure how all this works. They said they sent my application for Medicaid to the state and I guess I am waiting for a response.

Thank you for any help you can provide.
