Hans,

Below is a link to an article talking about the integration of digital cameras at the centegra facilities.

A friend of mine who works at NIMC for well over a decade just replied to me and she says everything is recorded and available exactly for the purposes we discussed.

Also,

Any chance the hospital (centegra) has video of their parking lots?  
This could disprove David's claim of talking before entering the ERL.

Thanks,

Paul
