Dear Ed and Paul,

I have attached an outline of the questioning and the exhibits we will use for the deposition—this is an ongoing work product and will serve as our source of discussion tomorrow.

Please note that all of the questions listed and the exhibits listed may NOT be used in the deposition. It is simply an outline of topics/etc that I intend to cover. Depending on Mast's answers, things may change. It is my intention to focus on the work around the McGuire claim. As Paul was able to go to arbitration and recover on the Gagnon claim, there is not a question of Gagnon's liability. The damages do not stem from the claim regarding Gagnon as that claim was won at arbitration. The crux of the claim is that the McGuires would have been found liable for failing to supervise Gagnon and thus would have been required to pay, jointly and severally, for the damages.

Here is the information to call in tomorrow:

Paul, here are my thoughts regarding your case. There are two issues. The first liability, or whether Mr. Gagnon is liable for your injury. If he is not proven liable, then it does not matter how badly you were hurt since he will not be found responsible for your damages. The second issue is your damages, or to what extent you were injured due to Mr. Gagnon's acts. Both of these issues are strongly contested in your case.

As to liability, there were no witnesses to the accident. So, whether Mr. Gagnon will be held responsible for your damages is uncertain and a gamble. That is because it is your word against his word. Our argument is that you were simply holding a limb when he caused the chain saw to strike you. His argument is that you moved your arm in the path of the chain saw unexpectedly. If the jury determines that we did not prove your "version" of the accident, then they can find against you and in favor of Mr. Gagnon at trial.

As to damages, the issue is complicated. That is because your treating physicians do not all agree on exactly what injury you suffered or whether your had a full recovery or not.

Dr. Talerico at MidAmerica Hand and Shoulder, saw you twice. The first time was in December, six months after your injury. He was not supportive of your claim in most respects. He didn't really feel there was anything wrong with you - as to the forearm. He said that you complained mostly of pain radiating down the forearm from the laceration site with numbness and tingling. On exam he noted no tenderness and it was mostly a normal presentation. Strength was good. He did not see any nerve problem. He prescribed physical therapy due to a muscular sort of symptomology - not nerve related. Apparently you did only 2 sessions of therapy and returned January, 2012. No new complaints at the time. The EMG was normal. He did not believe you were disabled. He continued you on therapy. He saw no evidence of nerve problems. The only symptoms were subjective - not represented by any abnormal exam finding.

Dr. Sagerman has also been deposed. I will summarize his testimony for you soon. His was more favorable, but still limited in what he related to the chain saw accident. Apparently he does not believe you presently have any symptoms relatable to the chain saw injury. Think about these issues. I will provide you Dr. Sagerman's summary soon.

Hans

Morning Hans,Wanted to touch base this morning because the call from you about something not being medically linked has been on my mind.I'm not sure what was said during that deposition with the drs that prompted the call but I have been thinking about what it could be. Most likely it was the right elbow procedure. During my deposition I remember being asked if the two were linked and I answered yes. Let me explain my answer to you. If the chainsaw had not gone through my arm then the procedure on my elbow wouldn't have happened. That procedure was exploratory to find what was bothering the arm from the chainsaw. Upon opening up the arm they did find some compressions which from my understanding was nothing unusual for a male of my age and very well may or may not have happened during my retreat from the chainsaw when I ended up half way across the yard on the ground. Incidental finding or not it still would not have been found if I hadn't had the chainsaw incident. So as I see it they are linked good or bad and cannot be separated. The exploratory procedure was to find and possibly fix issues relating to the chainsaw incident. They also removed a ton of scar tissue in the forearm on the same day during the same exploratory procedure that was a direct result of the chainsaw.

Hope this helps explain things better.Let me know,Thanks,Paul

**Case:** *Paul Dulberg v. David Gagnon, Caroline McGuire and Bill McGuire*  
(McHenry County Case No. 12 LA 178)

**Issued For Settlement Purposes Only**

Dear Mr. Mast:

I am writing to confirm our telephone conversation earlier this morning, wherein I advised you that I was authorized to propose settlement of Mr. Dulberg's claim against Carolyn and Bill McGuire for a lump-sum total of \$5,000.00. The settlement would of course be contingent upon customary settlement documents, including a release, a good faith settlement finding and dismissal.

Pursuant to your request, I searched my file materials for lien notices. The only notice of lien contained in my file at this time is your Attorney's Lien (enclosed). I have asked my contact at Auto-Owners Insurance Company to confirm no lien notices have arrived on his end since Mr. Dulberg's case was assigned to me for the defense of Mr. and Mrs. McGuire. I do not anticipate any lien notices, but just wanted to be safe.

I understand that you intend to run my settlement proposal by Mr. Dulberg. I look forward to hearing from you once you have had a chance to confer with him.

Very truly yours,

**MEMORANDUM**

TO: File

FROM: Hans

DATE: November 20, 2013

SUBJECT: PAUL DULBERG

On November 20, 2013, I met with Paul and his friend to discuss the McGuire's \$5,000 settlement offer and other issues with regard to this case. I also told them there is a dispute as to McGuire's

liability, as they maintain that they were not directing Dave's work. Paul maintains that the McGuire's controlled everything that Dave was doing. I told him that that's not what the evidence seems to show. I told them the McGuire's could possibly get out of the case on motion, and the alternative is to accept the \$5,000 offer. Paul wants to read the deps of the McGuire's and also wants us to order his and Dave's dep to review. I agreed to do so.

By copy of this memo, I ask **Sheila** to order copies of Paul and Dave's deps. I think defense counsel ordered them, so all we need to do is get copies. Please let me know if the copies have not been already ordered so we don't have to order the originals.

Thanks,

Hans

On December 18, 2013, I called Paul today after an email and we had a long discussion about the McGuire's liability and he seemed to concede and understand that probably based on the testimony there is nothing we can prove against the McGuire's and he is willing to take their \$5,000 settlement offer.
