Thanks Mary! No need to mail any of these. The only thing that you could mail when you are in are check payments.

Did you mail me a check from Karen Conway recently? Like last week?

I am going to check on Novello and get back to you.

Best,

I didn't make it in last week but am in today. So I will put the check from Conway in the mail to you today. Ed was going to come in also.

I'll try to join in on the zoom meeting if I get the details.

Am sending you and Ed the most recent case updates and Court dates with this email so you can pull it up and even make edits to it if you chose.

Thanks! No problem. I was more worried that somehow it got lost in the mail. Thanks so much Mary!!

On Novello, I do not see a quote in my notes, but I recall \$1000. Mary, if you want to check my hours and see how much time it has been taking and we can go from there. I think the most we should charge is \$1000 (because that is what I believe we told her), but if it didn't take that much time, then maybe bill less. We have another hour or two of work to do on it.

Thanks,
