Subject: **Reply to David's Deposition**

Hans,

In response to your letter about Gagnon's deposition:

In the first place, why would I hold up the very end of a branch with my damaged left arm? And if I did do it as Dave Gagnon said, I would have had my back to him. What he said makes no sense.

In the second place, if you have ever been cut by a chain saw, the last thing on anyone's mind would be making a profit. I was in so much pain that I could not have talked seriously about anything other than stopping the bleeding and getting to a hospital fast.

David did not come into the hospital with me. He dropped me at the door and was parking the car. He was brought into the ER and questioned by the staff that was there. You can check with whoever was working the ER that day. It's not really my word against David's but David's word against those that were working in the ER.

There is one witness as to David talking about making money off of this accident. Mike Mcartor heard David say this to me in David's garage the day I went up to David's house to get his home owner's insurance policy number per your request. Mike Mcartor is a friend that grew up with David and myself and is currently living at my residence.

Will sign and drop off the medical release forms you requested.

Thanks,
Paul
