Hans,
What is a small amount?
Is it enough to pay for the medical expenses?

Hans,
Thank you for the honesty.
There is no doubt david cut my arm almost in half with a chainsaw. Even he admitted he was in control of it, so What part of the case seems most troubling?

Paul. We've been talking this case over a bit at the office. As Ive tried to advise you during our several meetings, I do not believe we can adequately prove our case at trial. Its your word against Mr. Gagnons. Most times, that means we lose - as plaintiff. I don't think we want to invest the time and expense to get to that result. Im happy to try to settle the case for you, but it will probably be a low amount. So, I want to advise you now should you wish to retain other counsel to try the case for you. Please advise how you wish to proceed. I know this is not good news, but I have learned a long time ago, some cases just are not proveable - not because you are not credible, but because juries demand more than we can give at trial.

Morning Meredith,

Glad to see the emails are getting to you today. Not sure why they all came back the past few days. Below is Dr. Kujawa's contact info.

If I need to do anything please let me know and thank you for all the work your doing.

Paul,

I was able to get this email! I had written Meg to see the status of the records.

Again, here is what we discussed:

(1) the medical expert gave you a closed claim of benefits - we don't want to take that (i want you to have the ability to appeal any unfavorable decision/not be foreclosed from getting a closed period of benefits and then reapplying if need be) so that is why we went to the vocational expert testimony.

(2) when we went to the Vocational Expert, he gave jobs that conflicted with his testimony so I eliminated the jobs through his testimony (I just need to write a post-hearing memo for that and I am holding off and waiting for the medical records from Dr. Kujawa so i can address ongoing treatment in a memo to the judge as well)

(3) your psych records also reflect you can't do the jobs the vocational expert listed because they all require social contact which your records reflect that you really shouldn't do and the ALJ didn't develop the testimony there - kept saying we were running late - i will address that as well in the memo to the judge.

The records we addressed were requested previously by Meg and from my knowledge we are still waiting on the records (medical records often take quite a long time to come in).

I'll be happy to follow up with Meg/Janet tomorrow to find out the status of the records and if we may require you to get the updated records. While the Dr. Kohn records would show old treatment, it is Dr. Kujawa's records that are more useful (they show ongoing issues during the period in which you are claiming disability). Old records from 2002 will only show that you had problems in 2002 - updated records (from 6/28/11 onward) are key to your case at this point.

I'll be in the office tomorrow to speak further as well (312) 561-3030 if you have any questions.

Thanks,

Meredith E. Marcus, Esq.

Subject: SSDI update

Hi Janet,

I had the SSDI hearing last Thursday. It was a learning experience and I am not sure how it went. Much of it I didn't understand.

We were missing some of the reports. Particularly anything from Dr. Kujawa showing ongoing care for post traumatic Dystonia in the right forearm and some old reports from Dr. Kohn who was the Dr. who gave me over 100 shots in my neck, shoulders and back for severe muscle spasms after the car accident over a decade ago. Dr. Kohn from Kohn medical group in McHenry, I completely forgot about until the questions about muscle

spasms came up in the hearing.

The judge left open the record for 30 days for us to add anything to the medical record.

Should I be the one to get the old reports from dr Kohn and the ongoing reports from dr Kujawa?

Also, Meredith Marcus, the attorney from Daley Disability law, asked me to send her Dr. Kujawa's contact information but her email (mmarcus@fdaleylaw.com) keeps getting sent back to me with an error saying its undeliverable. I'm not sure how to get around the emails being sent back. What should I do?

Thanks again for everything,

Paul
