Hi Hans,

I couldn't help but to laugh at that. The reason I left Dr. Talerico and went to Dr. Sagerman was because he couldn't listen worth a darn and went on a 20 minute rant about prescribing pain medication to me when I never received any prescriptions from him nor did I ever ask him for any pain medication or any other prescription for that matter. Each time I went there it was as if he confused me with someone else. On my last visit with him he couldn't even remember why I was even there and went on another rant about insurance companies. He never even asked or looked at the X-rays from the hospital and I had to ask him numerous times just to get him to read the physical therapy reports. Honestly, he scarred the heck out of me and we were at odds, so I went to see someone else whom I had more confidence in (Dr. Sagerman). I'm sure Dr. Talerico is a good Dr., just one that I felt was probably over worked, was getting confused between his patients and couldn't give me the attention I needed. In retrospect, it fits that his notes are messed up and confirms my feeling about him and why I went to another Dr.

I just called the libertyville office for MidAmerica Hand and Shoulder Clinic. Talked with Gabby. She told me she could not change the record but would make an addendum to the record to clarify that I was not the one operating the chainsaw. She apologized for the confusion and said that it was lost between the Dr.'s notes and the person who transcribes the records. She is going to call your office and fax over the addendum.

Please let me know if you get the addendum and if it is ok

Thanks,
Paul

Paul, just a quick note. I saw records come in from MidAmerica Hand and Shoulder Clinic - Dr. Talerico. The history of your injury suggests you were operating the chain saw yourself - not someone else. This might be troublesome unless you clear that up with Dr. next visit. thanks

Subject: SSDI Medical Update

Hi Hans and Janet,

The date for the surgery on my arm is scheduled for [July 9, 2012](#) at either Alexian Brothers or North West Community Hospital. I was told I will be receiving a call from whichever hospital they are able to get for that day.

The first follow up date will be [July 11, 2012](#) at Hand Surgery Associates

Will keep you both updated.

Thanks,
Paul
