Paul, I have yet to hear from anyone. Allstate is hoping this gets dismissed and they don't have to pay anything to anyone. That is their plan.

Hi Brad,
Please expect a call from Randall Baudin's office.
Please share whatever it is they need concerning this case.
I'm not sure yet what to do with the sum from Hans. I hope to know more about what has to be done with it early next week.
Thanks again,
Paul
