Subject: **Physical Therapy**

Morning Hans,

I started physical therapy after the cortisone shot at Fox Lake Dynamic Hand Therapy yesterday.

They notified me that I owe something around \$25,000.00 and that they just had to close one of their clinics and that they were not willing to take on more at this time. After talking with them for a while they asked me to contact you to see where we are at as far as paying the bill and told me to ask you about how to pay for this round of visits.

I paid out of pocket for yesterday's session.

Thanks again for everything,
Paul
