Hans,  
Just spoke with John Choyinski again about talking with you.  
I am leaving your number with him as he has agreed to talk with you about David Gagnon.  
I believe he will try and call sometime tomorrow.  
Paul

Oh and I know that nothing that happened right after the incident makes any difference as to the validity of the injuries but David's conduct immediately after the incident does show his lack of moral values for other humans and what he was willing and was not willing to do to help me get medical help. For his actions towards me or any other human being is enough to sue the shit out him alone. It is the things that happened afterwards that upset me the most.

Sorry for the rant but Dave was a complete ass all the way and deserves this.
