**Subject:** **More deps**

Hans,  
I'd like to read David's dep before accepting the McGuire offer.

Even after reading the McGuire deps and seeing how things easily get skewed in all honesty, I can't blame Carol or Bill for Dave's actions I just thought I was covered under their insurance. I know Carol & Bill thought I was covered as well irregardless of all the half truths in their dep.

Thanks again,  
Paul
