Hans,

I read through David's dep. it's mostly lies with a few truths.

Where should I begin or better yet where would you like me to begin?

Almost everything he said was made up, from which end of the branch I was holding, at who's direction I was doing it under and even as to why I was even there on the McGuires property, etc...

Not to mention the nonsense of \$10,000.

The only good thing he has coming from me is my ability to hold back my primal side be civil.  
It's a shame we don't live in ancient times under the old eye for an eye philosophy of justice.  
I'd much rather take a chainsaw to his arm than get any money.

As far as the McGuires are concerned give me a call.

Paul

Neither are edited. They were Word for Word.

Hi Hans,  
Just picked it up in the mail and haven't read it yet.

Is the typed version of the dep actually verbatim or edited somehow?

After reading my own it made me realize not everything said was included.

Thanks again and I'll have an answer sometime tomorrow. This thing looks like a novel.

Paul, did you receive Gagnon's dep? Let me know what you want me to tell McGuires attorney about their \$5,000 offer.  
Thanks

Well, luckily I'm not a professional medical dr and my opinion doesn't or shouldn't hold much weight with anyone.

Hi Hans,

After reading the McGuire depts it lead me to do a lot more searching online and now I realize the difficulties I created in my own dep when asked about the right elbow and left arm tennis elbow being a natural progression of injury from the original cause. I probably shouldn't have commented on them at all even though I believe it's all connected.

Is there any way to amend the suit to correct for my ignorance and confusion?

I'm not a dr and tried to say in my dep that I don't want to pretend to know what dr's mean when they say things.

Thanks,  
Paul
