Hi Hans,

I went to see Dr. Sagerman this morning for a follow up from the surgery on my right arm almost 6 months ago. He wants to see me again in 6 weeks for another follow up.

My Mom, Barb, went with me this morning to make sure I talked to him about my left arm. It has been hurting bad for 3 to 4 weeks now and she wanted me to get his advice. Dr. Sagerman had an X-ray done and said it looks good but I have what is called lateral epicondylitis or tennis elbow in my left elbow. He said it was probably just from over use due to me not using my right arm and could be treated. He said I need therapy for the left arm and prescribed 6 weeks of therapy 2 times a week and would follow up with it at the same time as my next appointment for my right arm.

I went to Fox Lake dynamic hand therapy with the prescription to schedule the appointments. They set the appointment for this Friday at 1:30 pm.

When I got home Dynamic Hand Therapy called. They said they cannot see me because this is not part of the litigation pending from my right arm unless the Dr. says it is. And because I have no insurance it would cost me \$70.00 a visit.

Which there is no way I can afford. I have no income.

Any advice?

Thanks,  
Paul
