M. Margaret Bradshaw,

I received the results from the MRI done on my right arm and Dr. Levin said the MRI came up negative. The physical therapist had already told me that this type of damage seldom shows up on an MRI. Dr. Levin said it was all muscle and tendon damage. Dr. Levin and the physical therapist both suggested I see an hand and arm orthopedic specialist.

Today my GP, Dr. Sek, wants me to get an MRI done on my neck. This would not be covered in the lien against the claim for my right arm. So I am at a loss as to how to go about getting this done. While talking to you, I heard you mention Northwestern University. How do I go about applying for this? I would appreciate any help or assistance you may have that will allow me to get this done.

I applied for help at DHS in Woodstock. They received a copy of all my medical records and approved a two month SNAP benefit. Not sure if this will be extended or if they will do any further follow-up. This is a new process for me and I'm not sure how all this works. They said they sent my application for Medicaid to the state and I guess I am waiting for a response.

Thank you for any help you can provide.
