Hi Hans,

I just spoke with the receptionist at Associated Neurology. The MRI results are in and they want to see me Monday Morning 9 AM to discuss them. They wouldn't say weather it was good or bad, just that she wanted to see me to discuss it.

I had a meeting with Margret Bradshaw yesterday and she agreed to take on my case for SSDI. She had me sign something to give you a portion of whatever she gets for the referral.

Monday I had a re-evaluation with the physical therapist at dynamic hand therapy. She canceled any further therapy. Said I need to see a hand/arm surgeon ASAP and that physical therapy wasn't going to improve anything at this point.

I'm waiting to hear the MRI results Monday morning before running off to see a hand/arm surgeon.

Thats about it for now and I will let you know the results Monday.

Thanks for everything,  
Paul
