Hi Hans,

Please find the attached .jpg's. They were taken this afternoon. It is hard to get a picture of the whole scar in one shot because it wraps around my arm. Hopefully these help. I can take more if these don't work.

I have a Dr.'s appointment this friday and will let you know what happens.

Thanks for all your help with this matter.

Hi Hans,  
Just picked this up today from Centegra when I was getting the reports.  
It's the original x-ray from 6-28-11. It looks much deeper than I thought.

I have 2 dr's visits on Monday and Tuesday next week. will let you know how they go.

Thank you very much for helping me with all this,

Hi Hans,

I just spoke with the receptionist at Associated Neurology. The MRI results are in and they want to see me Monday Morning 9 AM to discuss them. They wouldn't say weather it was good or bad, just that she wanted to see me to discuss it.

I had a meeting with Margret Bradshaw yesterday and she agreed to take on my case for SSDI. She had me sign something to give you a portion of whatever she gets for the referral.

Monday I had a re-evaluation with the physical therapist at dynamic hand therapy. She canceled any further therapy. Said I need to see a hand/arm surgeon ASAP and that physical therapy wasn't going to improve anything at this point.

I'm waiting to hear the MRI results Monday morning before running off to see a hand/arm surgeon.

Thats about it for now and I will let you know the results Monday.

Thanks for everything,

Hi Hans,

I received the results from the MRI done on my right arm and Dr. Levin said the MRI came up negative. The physical therapist had already told me that this type of damage seldom shows up on an MRI. Dr. Levin said it was all muscle and tendon damage. Dr. Levin and the physical therapist both suggested I see an hand and arm orthopedic specialist.

I am going to try and make an appointment with DR. Scott Sagerman. Will keep you updated.

Hi Hans,

Time for an update. I went to see Dr Sagerman today. He was able to look at the X-Rays, EMG, MRI and Physical Therapy Reports. He did a much better evaluation then I've had in the past and seemed to nail the symptoms and provide possible outcomes. I feel much more confident in his abilities. He is sending me for a new EMG to see if anything has changed. I called Dr Levin and have an appointment for March 8th to do the test.

Thanks again for all your help,

Subject: EMG Test

Hi Hans,

I had a new EMG test done on Tuesday by Dr. Levin at Associated Neurology. She said I should hear from Dr. Sagerman by Friday with results but she doesn't think the test will show anything because of the localized type of damage to the nerve. She did say that it looks like the paralysis in my right hand is probably permanent since it hasn't shown any signs of healing.

When I was at Dr. Seks office he told me that the Hand Surgeon (Dr. Sagerman) had contacted him and talked about possible exploratory surgery in my arm.

I have done nothing to lose your respect. I have gone far above what you would get from any other attorney you just don't realize it or appreciate it. Instead you continue to focus on issues that have nothing to do with your case. You don't listen to my advice. Which is fine. You don't have to listen to my advice. But 9 out of 10 times you will lose this case for trial. As I told you before that is why the defense is never going to offer the policy limits. To settle the case you will need to take far less than the limits. But you don't have to you definitely can go to trial. That is your personal choice. In my view your case is not worth the limits given the issues we've already discussed. So I have done what I can do for you.

We have I think \$3000 in costs that we will be paid no matter who is handling Case. We have worked on the case for years without pay....but if it will allow you to find another attorney we will consider waiving Our fee unless your eventual recovery exceeds \$100,000.

Hans,

Your cornering of me and my brother in your office, bullying me into signing off on The McGuires policy citing cases that have nothing to do with the agency clause in the homeowners policy, which clearly makes her policy accountable. You sir are the one whom told me that I would never see a dime from either case if I didn't sign that piece of paper before leaving your office that day. You wouldn't even let me sleep on it as I had asked. You said you needed the \$5,000 settlement with the McGuire's insurance to help fund your costs for the case with David Gagnon.

Then when the physical therapists tried to demand payment in full you told me and my mother that medical leans against lawsuits often expire before the case is resolved saying yes the medical providers can proceed in collecting funds from my assets. Meaning my home. Forcing me into bankruptcy. Then, after filing for bankruptcy, denying you ever said that to both me and mother and going on to say to us that filing for bankruptcy protection had ruined the case.

All that followed up by getting a brief to review from you on the David Gagnon case that was of such a poor understanding of the facts are what lost any hope of respect I had.

I am and have been trying to get you to be professional and earn that respect back at every step.

If you had not taken advantage of my ignorance you would not be receiving this letter nor trying to squirm your way out of representing me today.

As far as your costs and in light of your poor performance to date, it throws into question all of the work you have done on this case. Even the depositions you sat in on are in question. Do you actually think anyone in their right mind wouldn't see it that way.

You may argue strategy as a defense for incompetence but since you sat in on the medical depositions and don't even know what medications I was and wasn't prescribed after almost 3-1/2 years on this case I highly doubt anyone will see your defense as viable.

Exactly, What part of being harmed by both the McGuires and Gagnon through no fault of my own is 9 out of 10 times a losing case?

Exactly what part of you manipulating me into a settlement for only \$5000 was seeing to my best interests?

Exactly how is lying in a briefing you were prepared to put before a judge is in my best interests?

Exactly how is giving you chance after chance to correct yourself not giving you the respect you think you deserve from me?

I can keep going...

I have witnesses to all of this. It's not just your word vs mine.

Bottom line is if you want out simply because you feel I have no respect for you then all of your fees are subject and any lean you have is subject.

I'm giving you the opportunity to remedy this coarse of action you have chosen.

Do you chose to be professional and do the job your capable of or do you chose to remove yourself for some made up reason. Our emails alone show there is no breakdown in communication. We are still communicating. This email proves that.

So, unless you can explain your action to remove yourself from this case for some excusable reason I see no reason why you feel your entitled to being able to get excused from it at all.

I put you to task to do as you agreed to and represent me to whatever ends this case comes to. Will you be professional and finish what you started?

Damn these emails hurt to type...

Wish you had it in you to go after the bad guy who did this and not your innocent client.

Paul

Yes, I would like to reword much of it because I wouldn't want anything used in it twisted later if we do go to trial.

Yes, I understand that your firm won't back me but it doesn't mean I'm not going to take it to trial anyway. I need the wording to match exactly what I need should I go the distance.

I can honestly say the dollar amount you listed I would never agree to. It wouldn't even cover my wages for the years in physical therapy yet the rest of my life.  
If I end up with a structured settlement where I have to chase this guy I believe we can always sell the settlement and cash out. Is that possible?
