Hans,

At first my goal was to get my medical paid for...
That's changed because it's turned out worse than I thought...
Now it's simply to get as much as we can and move on with my life...

What are your goals in this case?

Paul

John Choyinski is sitting here and just told me that David Gagnon has been moving everything he owns into his mothers and two sisters names so he can't lose anything.

I just found out from John Choyinski that David Gagnon took apart the mustang. It's down to the frame. John said that David did that to make sure he doesn't lose it and won't put it back together till the mess he caused with me is finished.

Hans,
Your risk...

I just had to file bankruptcy because of that incident 3-1/2 years ago. I could no longer make all the payments to my creditors. I also have a disability suit because of it.

I don't care about a settlement unless it's enough to drag David Gagnon through bankruptcy for his idiotic use of a chainsaw and made up story under oath. Gagnon sure showed his true colors when he was deposed, he just isn't a standup guy at all.

Either way it goes, (settlement or trial) I'm not going to make anything near what I've already lost or what my future losses are going to be so it just doesn't matter.

The only thing that would be remotely satisfying is knowing that David Gagnon had to go through a settlement or trial and lose, then find himself actually having to face bankruptcy.

I can only hope he has enough assets that it actually hurts.

Hi Hans,

Just got a call from associated neurology because of the bankruptcy notice they received.

Tried to explain that the loans on the lawsuit expired after 3 years and I really don't have any choice.

They said they never heard of such a thing and are looking into the loan issue and will get back to me.

On another note, Baudin's firm must not be interested because they never called me.

Do I need to find a new firm or what?

Thanks,

Paul

Hi Hans,

I heard from Meredith (my lawyer for SSDI) about when I should expect a response from SSDI. Apparently the SSDI courts are understaffed and it may take up to a year or a little longer from the date the appeal was filed.

I'm unsure of the exact date it was filed but the last hearing was in April or May and I believe the appeal was filed just after that so it may be a while before I hear anything and then it all depends if it's dismissed and I actually have to sue or its remanded back to the lower court for reconsideration. Either route it's going to be many months before I know anything more.

At my last visit with Dr. Kujawa she said she is filing my injury as permanent but I'm not sure if that is admissible to the appeal at this point. Meredith is working on that.

On another note, I called Randal Baudin's office again and am waiting to hear back again.

Thanks for everything,
Paul

Hi Hans,

Coleen at dynamic hand therapy called with a proposal.

She is going to write up an agreement.

It will be \$25.00 per month till the SSDI judgement is finished.

After that it will increase to \$100 per month if the SSDI judgement is favorable or stay at \$25 per month if it isn't.
Payments end once your case against David Gagnon is settled and they receive their share of the settlement.

This keeps it out of collections.

Does this sound fair?

I just tried to compensate dynamic hand therapy and they denied payment because it is not the insurance carrier they

prefer.

Do I need to get another kind of lawyer to represent me for this?

If so, what kind and who?

Hans,

Any chance I can get a list of all the medical providers in my case so I can turn in my insurance info to each of them?

Also, I spoke with Rene at dynamic hand therapy and tried to give her my insurance info. she informed me that they only take Medicaid once and a while and probably won't in my case. She is having someone named Colleen call me tomorrow about it.

Can medical providers actually deny my insurance after they already treated me knowing before hand that with my injury I was most likely going to end up disabled and on the states medical insurance?

Also, does it help to give you or your secretary a copy of the Medicaid card?

Thanks,

Paul

If so can't they help to pay the past due medical bills during that time?

Last week when Coleen from dynamic hand called to inform me that the lean against the suit expired, I offered to make payments and that was also refused.

So technically this is the second time they refused compensation.

Honestly, what can dynamic hand therapy hope to get from me if they don't accept the insurance?

The only asset I have is a home that is probably underwater.

If all they can do is put a lean on it their better off taking what the insurance offers.

What legally can be done to me?

Hi Paul. You need to work with your providers to have them submit your bills to Medicaid. Some do not take Medicaid, while others probably prefer to try to get 100% of the bill paid from your personal injury case. So you have to explain to them the problems with the case and that you prefer to have the bill submitted to health insurance for payment.

Hans,

Since I was determined disabled by the SSDI judge during the time of treatment does that entitle me to Medicaid or Medicare? If so can't they help to pay the past due medical bills during that time?

Curious if I am entitled to Medicare or Medicaid during the period the judge determined I was disabled?
If so where do I need to go to get help with the medical bills during that period?

Do me a favor Hans,

Tell Allstate I'd settle for a mere comfy vp position in their firm with a meager 75,000 dollar a year salary that always increases with inflation contracted over a 20 year period with me doing nothing but finding ways to increase David Gagnons premiums forever and see how they reply.

This way there is no fight over whether their client neglected to tell me what the hell he was going to do with that chainsaw.

Videotape their response and send it to me.

Hans,

Last evening I was in the hospital with the most severe migraine I've ever had.

This morning I filed for bankruptcy with David Stretch.

This afternoon I spent with my regular physician Dr Zaide doing a follow up from yesterday.

And right now, I have to email you. All when I still have a slight residual headache and should be in bed.

At first I thought the migraine was brought on by the medications I'm taking but it wasn't, it was brought on after our discussions. Now I can't prove that but it seems pretty obvious to me. Joke no pun intended there!

That migraine made me realize I need the stress of this situation over with. All the stress on top of losing everything is too much and I'd rather live than die from it all before my body does something worse.

My body is not reacting well and the migraines are getting more frequent and worse. Have you ever vomited at the same time as defecating while being in some of the most excruciating pain in your life?

If not, neither did I till the chainsaw went through my arm. That's when the migraines became more frequent, stronger and faster coming on. And now for the first time during the day.

Ever since I awoke this morning, all I can I think is the stress of it all is killing me more and more as the reality sets in and I just can't afford to care about it anymore.

My health means more than some lawsuits and the lure of money.

All because some idiot named David Gagnon forgot to tell me to move out of the way and he can't seem to admit it.

Yes, after reading his deposition and hearing it was my fault I was pissed.

In my anger I suspected all sorts of things. Including it being intentional especially after my discussions at his home only trying to get his homeowners policy number and him wanting money and threatening me for it.

Yes, my arm and elbow were hurt from his stupidity irregardless if some dr can link the two together or not.

Yes, there will be ongoing medical as a result of all this because it still hurts and doesn't work right.

Yes, I am now disabled irregardless of what SSDI appeal goes because of this.

Yes, I understand I'm screwed because of a system that allows one person to hurt another and even after a trial and judgement entered all they have to do is go file for bankruptcy in the same courthouse on the same day.

Yes, it just took me almost an hour just to type this.

Yes, yes, yes...

but none of it matters anymore!

Bottom line Hans... Do the best you can with what you got, I've got nothing more to lose or give. I need it all to just go away.

First, I'm sorry that I'm not a better witness to help prove David cut me with a chainsaw. I was but a lowly printer/graphic designer my whole life and never asked for anyone's sympathy till now.

Secondly, I'm sorry I must live among a bunch of potential jurors that you don't trust to just do the right thing.

Thirdly, I'm most sorry for agreeing to lend David Gagnon a hand when he needed some help, I had no idea he was going to try and lop it off.

Fourth, I'm sorry you don't feel good about pushing for a trial. I wish whatever mysterious evidence you seek would be shared with me because without a video camera I can only say what I've seen from direct experience. And I guess in this case "me" the victim isn't credible enough but the one wielding a chainsaw that hurt me is.

A few questions from a layman,

How much could a trial actually cost?

What,

\$50,000

\$150,000

Does it even cost as much as a car?

What number?

How much would you hope to get for us in a settlement?

How much could be expected if the trial does proceed and we have a favorable outcome?

Hans, if your heart is not in this I'm sorry

Hi Hans,

I spoke with dr. Kujawa's assistant Elsie by phone on Friday. I updated her on how the increased dosages of Neurontin/Gabapentin are having an effect on the burning spasms in my arm. I told her that each week that I increased the dose I was able to get a 75-80% reduction in the amount of burning spasms for approximately 2-1/2 to 3 days tops before I adjusted to the new dosage and the beneficial effects wore off. Unfortunately, I also sleep for 2-1/2 to 3 days each time the dosage is increased. I am now at the recommended level of 1800mg a day and don't have anymore dosage increases scheduled and it's as if I'm not getting any relief again. She said dr. Kujawa wants to keep me at that dosage until our next office visit. As far as the Botox injections go, I told her this time it definitely had an effect. My hand is now weaker and I can't even my full coffee cup up straight. She said that's what it's supposed to do and that as it wears off the spasms may get stronger and that we will do another round of injections at the 3 month office visit. She also said that I shouldn't be grabbing anything more than a couple of pounds.

Subject: Bankruptcy ?

Hi Hans,

I spoke with David Stretch, a bankruptcy lawyer, about possibly going the route of Bankruptcy. He said if I have a pending a suit that it is considered a possible asset and may allow the court to hold off any bankruptcy judgement pending the outcome and that I would only be able to exempt 15,000 before the creditors get their share.

He also said if all I default on is credit cards but keep up on the mortgage and basic needs all that can happen is a judgement will be issued against me and it goes on my credit report and it can be cleared later by filing.

I know my personal financial issues are not your problem but I am to a point for the first time ever that I am stopping all payments to my credit cards and focusing on the house, food and utilities. Or rather I should say my Mom is thanks to the chainsaw.

Does filing bankruptcy make any difference on your end and would it complicate anything?

In your opinion what would be the better route, file bankruptcy now or just default on the credit cards and deal with it later?

I added the contact info for David Stretch below

Thanks,
Paul

Hi Hans and Meredith,

I had an appointment with Dr. Kujawa yesterday.

She said the Botox injections will not solve the spastic pains you saw marked on my arm in the video I sent you but it should help with opening and closing my hand so I did another round of injections.

Of course I asked, am I stuck with those pains the rest of my life, it's been almost 3 years?

She replied, most likely but that's what the Neurontin/Gabapentin are for and it should help curb some of those pains.

She prescribed Neurontin/Gabapentin for the pains and asked that I report any changes to her and to see her again in another 3 months.

My next appointment is set for August 14th.

Thanks again,
Paul

Hans,

I know I said to just get the best deal you can but what I forgot to ask was if you or your firm had anyone else in mind that would take on my case with the appropriate resources and attention it needs to get a result worth going further.

I don't mind sharing or switching firms if it came with your blessing.

On another note, I have another appointment with Dr. Kujawa on May 8th. Dr. Kujawa's assistant, Elsie, asked me to keep a log on the issues with the forearm. Below is one of the video logs I'm trying to keep for them so they can see the patterns of the burns and muscle cramps so they can better place the injections.

Thanks,
Paul

My case is "gross negligence" causing "untreatable, irreversible and debilitating harm"

Never had a lawyer who needed me to help write or correct anything before.
The SSDI lawyer pulled everything from the record and it was perfect.

Yes, I would like to reword much of it because I wouldn't want anything used in it twisted later if we do go to trial.

Yes, I understand that your firm won't back me but it doesn't mean I'm not going to take it to trial anyway. I need the wording to match exactly what I need should I go the distance.

I can honestly say the dollar amount you listed I would never agree to. It wouldn't even cover my wages for the years in physical therapy yet the rest of my life.

If I end up with a structured settlement where I have to chase this guy I believe we can always sell the settlement and cash out. Is that possible?

Paul. We've been talking this case over a bit at the office. As Ive tried to advise you during our several meetings, I do not believe we can adequately prove our case at trial. Its your word against Mr. Gagnons. Most times, that means we lose - as plaintiff. I don't think we want to invest the time and expense to get to that result. Im happy to try to settle the case for you, but it will probably be a low amount. So, I want to advise you now should you wish to retain other counsel to try the case for you. Please advise how you wish to proceed. I know this is not good news, but I have learned a long time ago, some cases just are not proveable - not because you are not credible, but because juries demand more than we can give at trial.

I was able to get this email! I had written Meg to see the status of the records.

Again, here is what we discussed:

- (1) the medical expert gave you a closed claim of benefits - we don't want to take that (i want you to have the ability to appeal any unfavorable decision/not be foreclosed from getting a closed period of benefits and then reapplying if need be) so that is why we went to the vocational expert testimony.
- (2) when we went to the Vocational Expert, he gave jobs that conflicted with his testimony so I eliminated the jobs through his testimony (I just need to write a post-hearing memo for that and I am holding off and waiting for the medical records from Dr. Kujawa so i can address ongoing treatment in a memo to the judge as well)
- (3) your psych records also reflect you can't do the jobs the vocational expert listed because they all require social contact which your records reflect that you really shouldn't do and the ALJ didn't develop the testimony there - kept saying we were running late - i will address that as well in the memo to the judge.

The records we addressed were requested previously by Meg and from my knowledge we are still waiting on the records (medical records often take quite a long time to come in).

I'll be happy to follow up with Meg/Janet tomorrow to find out the status of the records and if we may require you to get the updated records. While the Dr. Kohn records would show old treatment, it is Dr. Kujawa's records that are more useful (they show ongoing issues during the period in which you are claiming disability). Old records from 2002 will only show that you had problems in 2002 - updated records (from 6/28/11 onward) are key to your case at this point.

I'll be in the office tomorrow to speak further as well (312) 561-3030 if you have any questions.

Hi Janet,

I had the SSDI hearing last Thursday. It was a learning experience and I am not sure how it went. Much of it I didn't understand.

We were missing some of the reports. Particularly anything from Dr. Kujawa showing ongoing care for post traumatic Dystonia in the right forearm and some old reports from Dr. Kohn who was the Dr. who gave me over 100 shots in my neck, shoulders and back for severe muscle spasms after the car accident over a decade ago. Dr. Kohn from Kohn medical group in McHenry, I completely forgot about until the questions about muscle

spasms came up in the hearing.

The judge left open the record for 30 days for us to add anything to the medical record.

Should I be the one to get the old reports from dr Kohn and the ongoing reports from dr Kujawa?

Also, Meredith Marcus, the attorney from Daley Disability law, asked me to send her Dr. Kujawa's contact information but her email (mmarcus@fdaley.com) keeps getting sent back to me with an error saying its undeliverable. I'm not sure how to get around the emails being sent back. What should I do?

Thanks again for everything,

Ok, it's signed and in the mail.

Hope that some yahoo in the govt. doesn't someday decide to go after everyone they think they might get a dollar out of and end up holding me responsible for the McGuire's fees incurred while they fight it out.

I'm not in the business of warranting, insuring or protecting the McGuire's from government. Especially for only 5 grand. For that kind of protection it could cost millions but I trust your judgement.

What and why do those questions have any relevance at all and why do they need to be part of this agreement?
Particularly the one about being eligible.

Also, I cannot warranty against what SSDI, Medicare or any other government institution wishes to do.

Is it possible to make this agreement blind to the McGuire's or David Gagnon?

What I mean is can we make it so that the amount of money cannot be told to them in any way?

It would drive David's ego crazy if he thought it was a large sum and was banned from seeing how much it is.

Another says;

I am not receiving SSI or SSDI.

As you know, I have applied for SSDI and SSI

What and why do those questions have any relevance at all and why do they need to be part of this agreement? Particularly the one about being eligible.

Also, I cannot warranty against what SSDI, Medicare or any other government institution wishes to do.

Is it possible to make this agreement blind to the McGuires or David Gagnon?

What I mean is can we make it so that the amount of money cannot be told to them in any way?

It would drive David's ego crazy if he thought it was a large sum and was banned from seeing how much it is.

David was the one the neighbor talked to. The neighbor did not know Dave's name but described him to a T and did say he would know him if he saw him.

On another note: I noticed David had the order of cutting down the apple tree before or after the pine tree goofed. Not a big deal but I think Bill, Carols and my own deps agree it was done prior. I remember the same neighbor talking about that day prior to the big trees coming down.

That neighbor has a better view from inside his house of the McGuires back yard than the McGuires do from their own house.

I think David wasn't just confused about the timing, he was trying to show he hadn't done any work prior to this incident. Not sure why but the complete fabrication as a whole shows that David was right, he wouldn't lie to help me but he would lie to help himself.

I'm done ranting...

Reading that dep got me going. Need to let this thing rest for a bit.

Have a good day and enjoy your holidays,
Paul

It would seem to reason that the McGuires did not own a chainsaw at that point and tried to borrow one from a neighbor before going out and purchasing one specifically for that project.

So my question is, if the McGuires can be proved to be hiding the reason and timing of purchasing the chainsaw can this benefit us in any way?

Hans,

I read through David's dep. it's mostly lies with a few truths.

Where should I begin or better yet where would you like me to begin?

Almost everything he said was made up, from which end of the branch I was holding, at who's direction I was doing it under and even as to why I was even there on the McGuires property, etc...

Not to mention the nonsense of \$10,000.

The only good thing he has coming from me is my ability to hold back my primal side be civil.
It's a shame we don't live in ancient times under the old eye for an eye philosophy of justice.
I'd much rather take a chainsaw to his arm than get any money.

As far as the McGuires are concerned give me a call.

Hans,

I wanted to review David Gagnons dep before letting the McGuires off the hook.

And that word "foreseeable" in the McGuire suite...

Well I suppose if I gave anyone a chainsaw and told them to use it, given enough time, an injury is foreseeable, very foreseeable just not hoped for.

And the comment about people not liking friends who sue friends, um well we all should know other than entirely random acts such as auto accidents, train derailments, air plane accidents, etc. Etc.. That most of the time it's those we know who hurt us most often than not. and if it's serious we must be able to sue even if it is or once was a friend.

I hope not.

Sounded to me like they claimed to be hiding in their home all day when the neighbor saw them outside actively participating all day.

And Carol seeing me pick up a 200 lb. tiller alone with her own eyes when it was really someone she knew very well since the 1970's and sees once a week at least. This shows a desperate wanting to prove my claim of injury as false. Those are a bit more than a bad recollection by anyone's standard.

I would feel better if we had in reserve and were ready to use all tools needed to win.

Hans,
Just got done reading those deps.

First off, Glad I'm not a lawyer.
Secondly, it's full of half truths and flat out lies.

Your right, going after those half truths are probably not worth anything in the long run but I do have to comment about the tiller because that one was hysterical.

Dave's best friend John Choyinski was with me when I delivered the tiller and he was the one unloading the trailer and I'm more than positive he would testify to that effect.
It's just amazing how families lie and exaggerate to protect each other but I do understand it, it is Caroline's son.

If there is anything in them we could use or need to be weary of let me know and we can go over it.

Hans,
I'd like to read David's dep before accepting the McGuire offer.

Even after reading the McGuire deps and seeing how things easily get skewed in all honesty, I can't blame Carol or Bill for Dave's actions I just thought I was covered under their insurance. I know Carol & Bill thought I was covered as well irregardless of all the half truths in their dep.

Thanks again,
Paul

Hans,
Just got done reading those deps.

First off, Glad I'm not a lawyer.
Secondly, it's full of half truths and flat out lies.

Your right, going after those half truths are probably not worth anything in the long run but I do have to comment about the tiller because that one was hysterical.

Dave's best friend John Choyinski was with me when I delivered the tiller and he was the one unloading the trailer and I'm more than positive he would testify to that effect.

It's just amazing how families lie and exaggerate to protect each other but I do understand it, it is Caroline's son.

If there is anything in them we could use or need to be weary of let me know and we can go over it.

Thanks,
Paul

Hi Hans,
Talked with the McGuire neighbor Brian Beebe

Brian Beebe
815-669-0655
1015 oak leaf ave.
McHenry, IL 60051

He remembers the day the tree work was done and said he watched for a while and talked with the people over there because they had asked him to borrow his chainsaw for the same project but doesn't remember the incident itself. He did tell me he has been used as an expert witness for chainsaw incidents because of the kind of work he does.
He did say that his "x" lived with him at the time and is going to ask her if she remembers anything at all and will get back to us. He seems very willing to help.
He has both yours and my number.

Morning Hans,

Ok we can meet. I will call Sheila today and set up a time.

Please send me a link to the current Illinois statute citing that the property owner is not liable for work done on their property resulting in injury to a neighbor.

I need to read it myself and any links to recent case law in this area would be helpful as well.

Thanks,

Paul

Paul, lets meet again to discuss. The legality of it all is that a property owner does not have legal liability for a worker (whether friend, son or otherwise) who does the work on his time, using his own independent skills. Here, I deposed the McGuires, and they had nothing to do with how Dave did the work other than to request the work to be done. They had no control on how Dave wielded the chain saw and cut you. its that simple. We don't have to accept the \$5,000, but if we do not, the McGuires will get out for FREE on a motion. So that's the situation.

I still don't get how they don't feel responsible for work done on their property by their own son that ended up cutting through 40% of my arm.

Perhaps their negligence is the fact that they didn't supervise the work close enough but they did oversee much of the days activity with David. Just because Dave was doing the work doesn't mean they were not trying to tell their kid what to do. They told him plenty of times throughout the day what to do. How is that not supervising?

Neither of them offered me any medical assistance nor did either of them call 911 and all Carol could think of besides calling David an idiot was calling her homeowners insurance.

They all left me out in the yard screaming for help while they were busy making sure they were covered.

She even went as far as to finally call the Emergency Room after I was already there just to tell me she was covered.

How selfish are people when they worry about if their insured over helping the person who was hurt and bleeding badly in their yard.

I'm glad she got her answer and had to share it with me only to find out her coverage won't even pay the medical bills.

I believe he will try and call sometime tomorrow.

Oh and I know that nothing that happened right after the incident makes any difference as to the validity of the injuries but David's conduct immediately after the incident does show his lack of moral values for other humans and what he was willing and was not willing to do to help me get medical help. For his actions towards me or any other human being is enough to sue the shit out him alone. It is the things that happened afterwards that upset me the most.

Sorry for the rant but Dave was a complete ass all the way and deserves this.

Hans,

A while back you told me that the jury's here in this county are primarily conservative and that they know the only reason we are before them is for money.

Not sure if that statement was meant to scare me or not but I do agree, they are, for the most part conservative and I would hope we should make it known we want money for damages, lawyers fees and the medical bills, etc... loud and clear.

We should also make it known to the jury that the parties or their insurance companies have never even offered to pay 1 cent for any of the medical damage and that's why we seek the juries help in settling this dispute. Perhaps if the insurance companies would have paid for these basic things none of us would even be here. but they didn't and now yes after years of waiting I am seeking money to pay for the medical treatments, you as the lawyer and finally myself as I'm the one who has had to suffer the consequences of the Gagnon/McGuire choices on that day.

I cannot believe that a conservative jury isn't going to award anything less than the cost of the medical damages and lawyer fees from them unless something catastrophic changes. I do see them being conservative as to what I will end up with at the end but not the real medical and lawyers bills. Even the conservative juries in this county are not so conservative that they won't give the base bills.

The McGuires insurance is free to go after David for damages if they lose.

Other than fearing a motion to dismiss the suit against the McGuire's insurance based on some false concept that because they didn't have their finger directly on the chainsaw trigger they hold no responsibility for damages.

what are the real benefits of letting them off so easy?

And I don't want to hear its because 2 parties vs 1 is much easier.

Letting off the McGuires insurance for such a small amount is anything but reasonable and I just can't see any ethical judge in this county not keeping them in the suit all the way for a jury to decide whether they had any part to play in the days events and the level of responsibility they share with David for the consequences considering it was the McGuires project, their land, their choice of who did the labor etc. etc...

When you advised me to seek a settlement with the McGuires insurance, I agreed to look at it only because they didn't have their hands directly on the trigger of the chainsaw and That you would get at the least the medical bills paid for out of it. I thought that was made clear in your office.

I know you work on approximately 33%. Is 33% of 5,000 even worth the time and money you already invested? It's only \$1650 for you and I'm sure your hourly fee eats that up rather quickly, I know mine did back when I had hands and arms that worked so I could charge.

That's their personal issues of control with their own son. I will testify all day long about the things they wanted him to do that he did do throughout the day.

By claiming they had no control over the work dave did after all the preparation, money and time spent out in the yard yelling at him that they wanted certain things done in a particular way I don't see how they get out of the direct over site of the project because now that there is an injury they don't feel they had any real direct control over their own workers actions?
This is ridiculous.

Hans, they have to do better than claim they had no control over David that day. If that's the case why were they there watching the work most of the day? Even Bill had hands on doing some of the work and rarely let David go to long without checking and seeing if things were being done the way Carol and Him wanted it.
